BEFORE THE WEST VIRGINIA BOARD OF MEDICINE

IN RE: PAUL KAZUHIKO AWA, M.D.

Complaint No. 12-43-W

CONSENT ORDER

The West Virginia Board of Medicine (“Board”) and Paul Kazuhiko Awa, M.D. (“Dr. Awa”) freely and voluntarily enter into the following Consent Order pursuant to the provisions of W. Va. Code § 30-3-14, et seq.

FINDINGS OF FACT

1. Dr. Awa holds a license to practice medicine and surgery in the State of West Virginia. His license, No. 13674, was initially issued in 1983. Dr. Awa’s self-designated primary specialty is anesthesiology and his address of record is in Ingles, Florida.

2. On or about February 21, 2012, the Board received notice via a Board Action Disciplinary Alert Report that Dr. Awa was the subject of disciplinary action regarding his license to practice medicine by the State of Florida. The West Virginia Board of Medicine requested records in relation to this action. The Florida Department of Health, Division of Medical Quality Assurance, Central Records Unit responded to the request by forwarding information relating to a Final Order entered on February 15, 2012, by the State of Florida Board of Medicine, which approved a Settlement Agreement which had been entered into between the Florida Department of Health and Dr. Awa on November 11, 2011.

3. The Settlement Agreement, which was attached to and incorporated into the Final Order by reference, reflects that the State of Florida Department of Health had charged Dr. Awa with violations of Chapter 458, Florida Statutes, and the rules adopted pursuant thereto in an Administrative Complaint dated August 19, 2011. The Administrative Complaint was attached to the Settlement Agreement and indicates that the treatment by Dr. Awa of patient J.L. during 2010 “fell below the acceptable standard of care in one or more of the following ways: a. By failing to notify the operating surgeon of the patient’s hemodynamic and respiratory instability; b. By failing to act upon his knowledge that the patient was suffering hemodynamic and respiratory instability and to improve the patient’s condition with remedial measures; c. By failing to notice that the patient was suffering hemodynamic and respiratory instability; d. By failing to verify proper placement of the double lumen endotracheal tube by use of a bronchoscope, relying instead on the far less reliable procedure of auscultation; e. By misinterpreting through auscultation that the endotracheal tube was properly placed.” Count I of the Administrative Complaint concluded that Dr. Awa had violated Section 458.331(1)(t)1., Florida Statutes (2009), by committing medical malpractice. Count II of the Administrative Complaint alleges that Dr. Awa failed to keep adequate medical records that justified the course of treatment of the patient at issue on May 28, 2010, and that this constituted a violation of Section 458.331(1)(m), Florida Statutes (2009).

4. The Settlement Agreement provided that Dr. Awa shall receive a Letter of Concern from the Florida Board of Medicine, that he be assessed an administrative fine of five thousand dollars (\$5,000.00) to be paid within 30 days from the date of filing of the Final Order, and that he complete a course entitled “Quality Medical Record Keeping for Health Care Professionals,” or a Board-approved equivalent, and five hours of Continuing Medical Education

in "Risk Management," both within one year of the date of filing of the Final Order. The Settlement Agreement also required Dr. Awa to pay for the costs of investigation and prosecution of the case; the Final Order set the amount of those costs at \$5,906.83.

5. On May 20, 2012, the Complaint Committee of the West Virginia Board of Medicine ("Complaint Committee") reviewed the materials from the Florida Department of Health, Division of Medical Quality Assurance, Central Records Unit relating to Dr. Awa and issued an Initiated Complaint against Dr. Awa.

6. On September 9, 2012, the Complaint Committee reviewed the Initiated Complaint, the materials from the State of Florida and a response filed on behalf of Dr. Awa and decided to offer Dr. Awa a Consent Order to resolve the Initiated Complaint against him.

7. The Board has reviewed this matter in detail and has determined that the continued practice of medicine by Dr. Awa in the State of West Virginia could adversely affect the health and welfare of his patients unless Dr. Awa fully complies with the provisions of this Consent Order.

CONCLUSIONS OF LAW

1. The Board has a mandate pursuant to the West Virginia Medical Practice Act to protect the public interest. W. Va. Code § 30-3-1.

2. Probable cause exists to substantiate charges against Dr. Awa for violations of the following provisions of the West Virginia Medical Practice Act and Rules of the Board: (1) West Virginia Code §30-3-14(c)(17) and 11 CSR 1A 12.1(j), relating to unprofessional conduct including a departure from the standards of acceptable and prevailing medical practice, (2) West Virginia Code §30-3-14(c)(17) and 11 CSR 1A 12.1(g), by having his license acted against in

another state; (3) West Virginia Code §30-3-14(c)(17) and 11 CSR 1A 12.1(x), by engaging in malpractice or by failing to practice medicine with that level of care, skill and treatment which is recognized by a reasonable, prudent physician engaged in the same or similar specialty as being acceptable under similar conditions and circumstances, and (4) West Virginia Code §30-3-14(c)(17) and 11 CSR 1A 12.1(u), by failing to keep written records justifying the course of treatment of the patient.

3. The Board has further determined that, under the circumstances relating to the complaint and the Board's investigation thereof, it is appropriate and in the public interest to enter into this Consent Order with Dr. Awa in lieu of filing a Complaint and Notice of Hearing.

CONSENT

Paul Kazuhiko Awa, M.D., by his signature below, agrees, solely and exclusively for purposes of this agreement, to the following:

1. Dr. Awa acknowledges that he is fully aware that, without his consent herein, no legal action may be taken against him or his license to practice medicine and surgery in the State of West Virginia unless a hearing is held in accordance with W. Va. Code § 30-3-14(h) and § 29A-5-1, et seq.

2. Dr. Awa further acknowledges that he has the following rights, among others: the right to a formal hearing before the Board, the right to reasonable notice of the hearing, the right to be represented at the hearing by counsel at his own expense, the right to cross-examine witnesses against him at the hearing and the right to appeal under Chapter 29A of the West Virginia Code in the event a final order or decision adverse to him is entered.

3. Dr. Awa waives all rights to a hearing.
4. Dr. Awa consents to the entry of this Consent Order relative to his practice of medicine and surgery in the State of West Virginia.
5. Dr. Awa understands that this Consent Order is considered public information, and that it may be reported, as required by law, to the National Practitioner Data Bank and the Healthcare Integrity and Protection Data Bank.

ORDER

WHEREFORE, based on the foregoing Findings of Fact and Conclusions of Law, and on the basis of the consent of Dr. Awa, the West Virginia Board of Medicine hereby **ORDERS** that Dr. Awa shall be subject to the following terms and conditions:

1. Dr. Awa is **PUBLICLY REPRIMANDED** for rendering treatment to patient J.L. during 2010 in Florida which fell below the acceptable standard of care.
2. On or before February 15, 2013, Dr. Awa shall submit written documentation to the West Virginia Board of Medicine that he has complied with the requirements of the Final Order entered on February 15, 2012, by the State of Florida Board of Medicine, including payment of an administrative fine of five thousand dollars (\$5,000.00); completion of a course entitled "Quality Medical Record Keeping for Health Care Professionals" or a (Florida) Board-approved equivalent; completion of five hours of Continuing Medical Education in "Risk Management," and payment of the costs of the Florida investigation and prosecution of that case in the amount of \$5,906.83.

IN RE: AHMAD BALI, M.D.

COMPLAINT NO. 11-28-W

CONSENT ORDER

The West Virginia Board of Medicine ("Board") and Ahmad Bali, M.D., ("Dr. Bali") freely and voluntarily enter into the following Consent Order pursuant to West Virginia Code §30-3-1, *et seq.*:

FINDINGS OF FACT

1. Dr. Bali currently holds an active license to practice medicine in the State of West Virginia, License No. 21044, which was originally issued in 2002. His address of record with the Board is in Charleston, West Virginia.

2. On October 6, 2011, the Complaint Committee of the Board ("Complaint Committee") initiated a complaint against Dr. Bali based upon the suspension of his medical staff privileges and restrictions by Thomas Memorial Hospital. Thomas Memorial Hospital had submitted a report to the National Practitioner's Data Bank on September 14, 2011, indicating that peer review and investigation of surgical cases led to adverse findings relating to surgical judgment and technique and medical record documentation which resulted in disciplinary action.

3. Dr. Bali filed a timely response to the complaint.

4. The Board obtained, through the issuance of a subpoena to Thomas Memorial Hospital, copies of its administrative files regarding Dr. Bali; his quality/peer review file; the hearing panel transcript; the hearing panel chronological evidence file, and medical records and medical imaging data of nine patients treated by Dr. Bali.

5. Dr. Bali provided reports from surgeons he had retained to review various medical records and to opine regarding Dr. Bali's care and treatment of those surgical patients.

6. The Board obtained an independent review of the documents produced by Thomas Memorial Hospital and the expert reports obtained by Dr. Bali from by Bradley Needleman, M.D., F.A.C.S., who issued a report dated March 17, 2012. Dr. Needleman opined that his opinion was consistent with the findings of the peer review process and the opinions of the expert surgeons retained by Dr. Bali. He found a pattern of inadequate documentation and that clear indications for procedures, work-up performed and description of procedures are not consistently and clearly documented. He found that in the cases reviewed which dealt with the performance of laparoscopic Nissen funduplications for gastroesophageal reflux disease, issue was taken with providing a description and explanation of the reasons for not performing crural closure. In addition, Dr. Needleman found that "documentation regarding endoscopic findings in the presence of 'severe, non-erosive reflux' should be improved and more descriptive." Dr. Needleman recommended that Dr. Bali be counseled regarding medical

documentation and regarding the work-up and performance of repair of para-esophageal hernias and anti-reflux procedures.

7. Dr. Bali appeared before the Complaint Committee at its July 8, 2012, meeting to discuss the complaint.

8. Dr. Bali desires to enter into this Consent Order in order to settle the allegations against him as set forth in the Committee's Initiated Complaint.

CONCLUSIONS OF LAW

1. The West Virginia Board of Medicine has a mandate pursuant to West Virginia Code §30-3-1 to protect the public interest.

2. Probable cause exists to substantiate charges against Dr. Bali pursuant to West Virginia Code §30-3-14(c)(17) and 11 CSR 1A 12.1(j), relating to unprofessional conduct including a departure from, or failure to conform to, the standards of acceptable and prevailing medical practice, and 11 CSR 1A 12.1(jj), relating to failure to maintain a medical record for each patient which is adequate to enable the physician to provide proper diagnosis and treatment, and/or to keep such patient medical records for a minimum of three (3) years from the date of the last patient encounter and in a manner which permits the former patient or a successor physician access to them within the terms of 11 CSR 1A, *et seq.* and as set forth in W.Va. Code §16-29-1, *et seq.*

3. The Board has determined that it is appropriate and in the public interest and for the health and welfare of patients to enter into this Consent Order in

order to resolve the charges against Dr. Bali, provided that he complies with the requirements of this Consent Order.

CONSENT

Ahmad Bali, M.D., by affixing his signature hereon, agrees solely and exclusively for purposes of this agreement and the entry of the Order provided for and stated herein, and proceedings conducted in accordance with this Order to the following:

1. Dr. Bali acknowledges that he is fully aware that, without his consent, here given, no permanent legal action may be taken against him except after a hearing held in accordance with West Virginia Code §30-3-14(h) and §29A-5-1, *et seq.*;

2. Dr. Bali acknowledges that he has the following rights, among others: the right to a formal hearing before the West Virginia Board of Medicine, the right to reasonable notice of said hearing, the right to be represented by counsel at his own expense, the right to cross-examine witnesses against him, and the right to appeal under Chapter 29A of the West Virginia Code in the event of a final order or decision adverse to him;

3. Dr. Bali waives all such rights;

4. Dr. Bali consents to the entry of this Order relative to his practice of medicine and surgery in the State of West Virginia; and

5. Dr. Bali understands that this Order is considered public information, and that matters contained herein may be reported, as required by law, to

the National Practitioner Data Bank and the Healthcare Integrity and Protection Data Bank.

ORDER

WHEREFORE, on the basis of the foregoing Findings of Fact and Conclusions of Law and the foregoing Consent of Dr. Bali, the West Virginia Board of Medicine hereby **ORDERS** as follows:

1. Dr. Bali is hereby **PUBLICLY REPRIMANDED** for his conduct as set forth in this Consent Order.

2. Within six (6) months of the entry of this Consent Order, Dr. Bali **SHALL SUCCESSFULLY COMPLETE** a continuing medical education course sponsored by Case Western Reserve University School of Medicine on the subject of medical record keeping and 20 hours of continuing medical education courses regarding the work-up and performance of repair of hiatal hernias and anti-reflux procedures. Such courses shall be submitted for pre-approval by the Board. In addition, such courses shall be in addition to the fifty (50) hours of continuing medical education required for the maintenance of Dr. Bali's license to practice medicine and surgery in the State of West Virginia. Dr. Bali shall provide proof of completion of the course regarding medical record keeping and of the 20 additional hours regarding the work-up and performance of repair of hiatal hernias and anti-reflux procedures to the Board.

3. In the event that Dr. Bali fails to comply with the requirements stated in the preceding paragraph of this Order, his license to practice as a medical doctor in the State of West Virginia shall be placed on inactive status, effective immediately, without further process or hearing pending his successful completion of these requirements.

4. Upon the Board's determination that Dr. Bali is in full compliance with the terms and conditions of this Consent Order, the Initiated Complaint against him shall be dismissed immediately.

The foregoing Order was entered this 10th day of August, 2012.

BEFORE THE WEST VIRGINIA BOARD OF MEDICINE

WEST VIRGINIA BOARD OF MEDICINE,

Petitioner,

v.

Complaint No. 09-111-W

KEVIN MICHAEL CLARKE, M.D.,

Respondent.

CONSENT ORDER

The West Virginia Board of Medicine ("Board") and Kevin Michael Clarke, M.D., ("Dr. Clarke") freely and voluntarily enter into the following Consent Order pursuant to the provisions of W. Va. Code § 30-3-14, et seq.

FINDINGS OF FACT

1. Dr. Clarke holds a license to practice medicine and surgery in the State of West Virginia which is currently suspended. His license, No. 15547, was initially issued in 1988. Dr. Clarke's primary specialty is Emergency Medicine, and his address of record is in Fairmont, West Virginia.

2. In April 2009, Dr. Clarke was charged in a criminal complaint in the Magistrate Court of Marion County with wanton endangerment, a felony offense, by shooting a firearm in

his residence and sending projectiles through the exterior wall. The projectiles allegedly entered the residence of Deloris Kline, M.D., and created a substantial risk of serious bodily injury and death.

3. The West Virginia Board of Medicine ("Board") filed a Complaint and Notice of Hearing against Dr. Clarke as a result of the above-described shooting and related events.

4. The Complaint and Notice of Hearing alleged that Dr. Clarke is unable to practice medicine competently and/or with reasonable skill and safety in violation of West Virginia Code §30-3-14(c)(17), (20) and (21) and 11 CSR 1A 12.1 (h), (i) and (x) due to his refusal to undergo a physical and mental examination requested by the Board.

5. The Complaint and Notice of Hearing also alleged that Dr. Clarke's action in discharging his weapon violated West Virginia Code §30-3-14(c)(17) and 11 CSR 1A 12.1(e) and (j) and 12.2(d).

6. The Complaint and Notice of Hearing also alleged that Dr. Clarke lied to the Board Investigator regarding an ongoing investigation and that this constituted an act contrary to honesty, justice or good morals in violation of W.Va. Code §30-3-14(c)(17) and 11 CSR 1A 12.1(j).

7. A hearing with regard to the allegations set forth in the Complaint and Notice of Hearing was held on February 15-16, 2011.

8. Subsequent to the hearing, the Board considered the Hearing Examiner's Recommended Findings of Fact, Conclusions of Law and Recommended Decision.

9. The Board entered an Order regarding the license of Dr. Clarke on May 16, 2011.

10. The Order entered on May 16, 2011, provides, in part, that “it is proper and essential in the public health, interest, welfare and safety that the license to practice medicine and surgery in the State of West Virginia of Kevin M. Clarke, M.D., be SUSPENDED for a period of five (5) years.”

11. The Order further provides that “during the first eight (8) months of the suspension period, Kevin M. Clarke, M.D., at his own expense, shall successfully complete an Anger Management Treatment Program that includes attendance at a minimum of twelve (12) sessions with a Mental Health Clinician chosen by Dr. Clarke and approved by the Board, and who shall be responsible for sending monthly progress reports to the Board on or before the last day of each month[.]”

12. On November 10, 2011, John Damm, Ph.D., a licensed psychologist, reported to the Board that Dr. Clarke has completed twelve (12) counseling sessions for anger management. Dr. Damm provided regular progress reports to the Board regarding his counseling sessions with Dr. Clarke.

13. The Order further provides that “after successful completion of the required Anger Management Treatment Program, Kevin M. Clarke, M.D., at his own expense shall undergo a complete Forensic Psychiatric Evaluation by a Board-approved physician other than Dr. Ralph Smith and Dr. Bobby Miller[.]”

14. Dr. Clarke underwent a psychiatric evaluation by Robert M. Wettstein, M.D., a psychiatrist in Pittsburgh, PA. Dr. Wettstein issued a report to the Board dated January 20, 2012, in which he described in detail his review of various records regarding the criminal prosecution of Dr. Clarke, the investigation and hearing by the Board of Medicine, the results of drug testing of Dr. Clarke, the results of psychological testing of Dr. Clarke, and prior psychiatric evaluations

and treatment records regarding Dr. Clarke. Dr. Wettstein interviewed Dr. Clarke, Dr. Clarke's fiancé, Jennifer Malone, and his treating psychologist, John E. Damm, Ed.D.

15. Dr. Wettstein concluded, to a reasonable psychiatric certainty, that Dr. Clarke "is able to practice medicine with reasonable skill and safety to patients at this time. There is no evidence of mood or anxiety disorder, substance abuse disorder, or severe mental disorder which would preclude his ability to safely practice medicine." Dr. Wettstein stated that "I presently identified no psychiatric disorder though note that Dr. Miller previously identified an adjustment disorder" in his evaluation in 2010. Dr. Wettstein concluded that "[a]n adjustment disorder, if still present, would not impair his ability to safely practice medicine." Dr. Wettstein also found that "it is essential that the Respondent [Dr. Clarke] not return to his previous lifestyle of overworking to financially and emotionally support many others. Further individual psychotherapy is recommended given that his personality traits are not likely to have been substantially altered with his two brief courses of cognitive behavioral therapy, but I do not condition his return to work on his participation in such counseling."

16. The Board's Order dated May 16, 2011, also provides that "upon notification to the Board that the physician performing the Forensic Psychiatric Evaluation of Kevin M. Clarke, M.D., opines to the Board that Dr. Clarke has successfully completed his treatment and is ready to return to the practice of medicine and surgery, the Complaint Committee of the Board shall meet with Dr. Clarke and prepare a Consent Decree establishing the expected conduct and any limitations on his practice. The Complaint Committee shall report on this matter to the Board who may then vote to SUSPEND ENFORCEMENT of the suspension penalty and place Dr. Clarke on PROBATION for the remainder of the original five year period[.]"

17. The Board's Order further provides that "during the probationary period, the Board may require Dr. Clarke to appear before it or a Board committee or may appoint one or more of its members to have interviews with the probationary licensee and report back to the Board on the progress of the licensee. The Board may also obtain information from the Prosecutor or Circuit Court of Marion County or Adult Probation Office of Marion County as to Dr. Clarke's compliance with his probation order."

18. The Order also provides that "during the first six (6) months of the probationary period, Dr. Clarke must limit his work hours to forty (40) hours per week; if Dr. Clarke is able to successfully comply with this he may increase his work hours to sixty (60) hours per week during the second six (6) months of probation. If this is successful, Dr. Clarke may request the Board to remove any work time restrictions after the first year of probation."

19. Finally, the Order provides that Dr. Clarke shall be required to pay the costs of these proceedings, not to exceed Ten Thousand Dollars (\$10,000), within thirty (30) days of invoicing by the Board.

20. At its regular meeting on November 14, 2011, the Board extended the deadline for payment of the Ten Thousand Dollars (\$10,000), with interest, to November 15, 2012, provided he supply evidence promptly to the Board of the listing of his farm and personal residence for sale with a Realtor.

21. On November 19, 2011, Dr. Clarke provided Listing Agreements from the Fairmont Board of Realtors, Inc. for his listing of his residence and farm for sale through Floyd Real Estate for the period from August 30, 2011, through February 30 [sic], 2012.

22. On February 15, 2012, Dorothy A. Lambert, an adult probation officer for the Sixteenth Judicial Circuit, reported that Dr. Clarke had pled guilty to brandishing in Case No. 11-

M-21 on March 10, 2011, and that he had been sentenced to one year in the North Central Regional Jail, but that the sentence had been suspended and Dr. Clarke placed on five (5) years of active probation on March 10, 2011. Ms. Lambert reported that there had been no violations of Dr. Clarke's probation as of February 15, 2012.

23. Dr. Clarke appeared before the Complaint Committee on March 11, 2012, and expressed a desire that the suspension of his license to practice medicine and surgery in the State of West Virginia be lifted and that he be allowed to practice under probation for the remainder of the original five-year period of probation set forth in the Board's Order dated May 16, 2011.

24. On March 11, 2012, the Complaint Committee and Dr. Clarke discussed his treatment for anger management and his psychiatric evaluation. The Committee reviewed documents regarding Dr. Clarke's treatment and evaluation.

25. The Complaint Committee determined in March 2012 that inasmuch as Dr. Clarke had not fulfilled the requirements of the prior Board Order, he was not eligible for reinstatement at that time.

26. On May 20, 2012, Dr. Clarke again appeared before the Complaint Committee and requested that the suspension of his license to practice medicine and surgery in the State of West Virginia be lifted and that he be allowed to practice under probation for the remainder of the original five-year period of probation set forth in the Board's Order dated May 16, 2011.

27. The Complaint Committee recommended to the Board, and the Board finds, that Dr. Clarke meets the requirements for reinstatement of his license to practice under certain conditions, and that such conditional reinstatement is in the public interest.

CONCLUSIONS OF LAW

1. The Board has a mandate pursuant to the West Virginia Medical Practice Act to protect the public interest. W. Va. Code § 30-3-1.
2. The Board's post-hearing Order of May 16, 2011, requires that subsequent to the evaluation of Dr. Clarke by a psychiatrist, and an opinion that Dr. Clarke has successfully completed his anger management treatment program and is ready to return to the practice of medicine and surgery, the Complaint Committee of the Board shall meet with Dr. Clarke and prepare a Consent Decree establishing the expected conduct and any limitations on his practice.
3. The Order further provides that the Complaint Committee shall report on this matter to the Board, which may then vote to suspend enforcement of the five-year suspension and instead place Dr. Clarke's license on probation for the remainder of the original five-year period.
4. This Consent Order is being entered into pursuant to the Board's Order dated May 16, 2011.
5. The Board's Order found that it had proven, by clear and convincing evidence, that on or about April 7, 2009, Dr. Clarke discharged a firearm multiple times in his residence, causing bullets to penetrate into the residence of his neighbor, thereby placing members of the public at risk for severe injury or death and thereby placing the medical profession into disrepute in violation of West Virginia Code §30-3-14(c)(17), 11 CSR 1A 12.1 (a), (e) and (j) and 11 CSR 1A-12.2(d).
6. The Board's Order also found that it had proven, by clear and convincing evidence, that Dr. Clarke had failed to participate in good faith during an examination by Ralph S. Smith, Jr., which had been ordered by the Board, in violation of West Virginia Code §§ 30-3-

14(f) and 30-3-14(c)(17), and that such failure is *prima facie* evidence of his inability to practice medicine and surgery competently and in compliance with the standards of acceptable and prevailing medical practice.

7. The Board's Order also found that it had proven, by clear and convincing evidence, that Dr. Clarke made a knowingly false statement to the Board's investigator regarding the Board's investigation of the April 7, 2009, incident, and that he had acted unprofessionally, dishonorably and contrary to honesty, justice and good morals in violation of W.Va. Code §30-3-14(c)(17), 11 CSR 1A 12.1(e) and (j) and 11 CSR 1A 12.2(d).

CONSENT

Kevin Michael Clarke, M.D., by his signature below, agrees, solely and exclusively for purposes of this agreement, to the following:

1. Dr. Clarke acknowledges that he is fully aware that, without his consent herein, no legal action may be taken against him or his license to practice medicine and surgery in the State of West Virginia unless a hearing is held in accordance with W. Va. Code § 30-3-14(h) and § 29A-5-1, et seq.

2. Dr. Clarke further acknowledges that he has the following rights, among others: the right to a formal hearing before the Board, the right to reasonable notice of the hearing, the right to be represented at the hearing by counsel at his own expense, and the right to cross-examine witnesses against him at the hearing, and the right to appeal under Chapter 29A of the West Virginia Code in the event of a final Order of decision adverse to him.

3. Dr. Clarke waives all rights to a hearing.

4. Dr. Clarke consents to the entry of this Consent Order relative to his practice of medicine and surgery in the State of West Virginia.

5. Dr. Clarke understands that this Consent Order is considered public information, and that it may be reported, as required by law, to the National Practitioner Data Bank and the Healthcare Integrity and Protection Data Bank.

ORDER

WHEREFORE, based on the foregoing Findings of Fact and Conclusions of Law, and on the basis of the consent of Dr. Clarke, the West Virginia Board of Medicine hereby **ORDERS** that Dr. Clarke shall be subject to the following terms and conditions:

1. Dr. Clarke's license to practice medicine and surgery in the State of West Virginia is hereby REINSTATED and the suspension previously mandated by the Board's Order of May 16, 2011, is LIFTED.
2. Dr. Clarke is placed on PROBATION for the remainder of the original five-year period of suspension set forth in the May 16, 2011, Order. Such probation will therefore terminate on May 16, 2016.
3. During the first six (6) months of the probationary period set forth herein, Dr. Clarke shall limit his work hours to forty (40) hours per week.
4. Subsequent to his first six (6) months of probation, Dr. Clarke may request the Board to allow him to increase his work hours to sixty (60) hours per week during the second six (6) months of probation if he establishes that he is able to successfully comply with the terms of this Consent Order.

5. Subsequent to his first year of probation, Dr. Clarke may request the Board to remove any work time restrictions if he has complied with the terms of this Consent Order.
6. Dr. Clarke shall appear before or meet with the Board, its committee(s) or member(s) regarding his status as a probationary licensee as requested by the Board or its Complaint Committee.
7. At its discretion, the Board may obtain information from the Marion County Prosecutor, Magistrate Court, Circuit Court or Adult Probation Office as to Dr. Clarke's compliance with his probation order.
8. The Board retains jurisdiction in this matter and may, in its sole discretion, initiate a new complaint based upon any violation of this Consent Order.

The foregoing Order was entered this 22nd day of May, 2012.

IN RE: SHANE A. CORBITT, P.A.

CONSENT ORDER

The West Virginia Board of Medicine ("Board") and Shane A. Corbitt, P.A. ("Mr. Corbitt"), pursuant to the provisions of West Virginia Code § 30-3-1, *et seq.*, and 11 CSR 1B 10.1, freely and voluntarily enter into the following:

FINDINGS OF FACT

1. Shane A. Corbitt, P.A., was licensed as a physician assistant by the Board, and his license number was identified as No. 01164. Mr. Corbitt's address of record with the Board is in Washington, West Virginia.

2. In May 2012, Mr. Corbitt advised the Board that his certification by the NCCPA (National Commission on Certification of Physician Assistants) had expired in December 2011 and that he had continued practicing as a physician assistant (with prescriptive writing privileges previously granted by the Board) even though he was no longer a properly certified physician assistant.

3. By letter of May 16, 2012, Mr. Corbitt was notified by the Board that Mr. Corbitt's license was terminated effective immediately and that he would not be eligible for reinstatement of a license until Mr. Corbitt obtained a passing score on the NCCPA examination.

4. Mr. Corbitt ceased practicing as a physician assistant and was invited to appear and did appear before the Physician Assistant Committee on May 19, 2012, for a full discussion of his situation.

CONCLUSIONS OF LAW

1. The foregoing facts constitute just cause for the Board to file charges against Mr. Corbitt under the provisions of 11 CSR 1B 10.1(g) and (h), alleging failure to comply with provisions of West Virginia Code § 30-3-16(1) and (r)(5), as well as 11 CSR 1B 14.1.d.

2. It is appropriate and in the public interest to waive the commencement of proceedings against Mr. Corbitt and to proceed without the filing of charges, or a formal Complaint and Notice of Hearing, subject to compliance by Mr. Corbitt with the provisions of this Consent Order and all law and rules pertaining to physician assistants in West Virginia.

CONSENT

Shane A. Corbitt, P.A., by affixing his signature hereon, agrees solely and exclusively for the purpose of the entry of the Order to the following:

1. Mr. Corbitt acknowledges that without his consent, no permanent legal action may be taken against him except after a hearing held in accordance with West Virginia Code § 29A-5-1, *et seq.*, and 11 CSR 1B 10. and 11 CSR 3.

2. Mr. Corbitt acknowledges that he has the following rights, among others: the right to a formal hearing before the West Virginia Board of Medicine, the right to reasonable notice of said hearing, the right to be represented by counsel at his own expense, the right to

cross-examine witnesses against him, and the right to appeal under Chapter 29A of the West Virginia Code in the event of a final order or decision adverse to him;

3. Mr. Corbitt waives all such rights;

4. Mr. Corbitt consents to the entry of this Consent Order relative to his practice as a physician assistant in the State of West Virginia; and,

5. Mr. Corbitt understands that this Consent Order is considered public information, and that matters contained herein may be reported, as required by law, to the National Practitioner Data Bank and the Healthcare Integrity and Protection Data Bank.

ORDER

WHEREFORE, on the basis of the foregoing Findings of Fact and Conclusions of Law, and the foregoing consent of Mr. Corbitt, the Board hereby **ORDERS** as follows:

1. That Shane A. Corbitt, P.A., is **PUBLICLY REPRIMANDED** for continuing to practice as a physician assistant when he was not certified by the NCCPA.

2. Mr. Corbitt shall pay a civil fine in the amount of \$250 to the Board, the receipt of which fine by the Board is evidenced by the signatures hereon of the President and Secretary of the Board.

IN RE: PRAFULL K. DAVE, M.D.

CONSENT ORDER

The West Virginia Board of Medicine ("Board") and Prafull K. Dave, M.D. ("Dr. Dave"), freely and voluntarily enter into the following Consent Order pursuant to the provisions of W. Va. Code § 30-3-14.

FINDINGS OF FACT

1. Dr. Dave currently holds a license to practice medicine in the State of West Virginia, License No. 13760, issued originally in 1984. Dr. Dave's address of record is in Frederick, Maryland.
2. Dr. Dave entered into a June 23, 2011, Consent Order with the Maryland State Board of Physicians whereby he was reprimanded, required to successfully complete a Board-approved course in appropriate medical record keeping, and placed on probation.
3. The June 23, 2011, Consent Order was entered into due to the conclusions of law of the Maryland State Board of Physicians that with respect to five (5) specific patients, Dr. Dave failed to meet appropriate standards for the delivery of quality medical and surgical care and failed to keep adequate medical records.

4. Dr. Dave has attended an Intensive Course in Medical Record Keeping at Case Western Reserve University School of Medicine and remains on probation in the State of Maryland.

5. Dr. Dave wishes to terminate any dispute with this Board by entering into this Consent Order.

CONCLUSIONS OF LAW

1. The Board has a mandate pursuant to the West Virginia Medical Practice Act to protect the public interest. W. Va. Code § 30-3-1.

Code § 30-3-14 (c)(11) and (17) and 11 CSR 1A 12.1(e), (g), and (j) and (u), in that he has engaged in unethical and unprofessional conduct, including, but not limited to, departing from the standards of acceptable and prevailing medical practice; he has failed to keep written medical records justifying the course of treatment of a patient; and he has had his license acted against in another state.

3. The Board has determined that it is appropriate and in the public interest to waive the commencement of proceedings against Dr. Dave and to proceed without the filing of formal charges in a Complaint and Notice of Hearing, provided Dr. Dave enters into this Consent Order.

CONSENT

Prafull K. Dave, M.D., by affixing his signature hereon, agrees solely and exclusively for purposes of this agreement and the entry of the Order provided for and

stated herein, and the proceedings conducted in accordance with this Order, to the following:

3. Dr. Dave waives all such rights;

4. Dr. Dave consents to the entry of this Order relative to his practice of medicine and surgery in the State of West Virginia; and

5. Dr. Dave understands that this Order is considered public information, and that matters contained herein may be reported, as required by law, to the National Practitioner Data Bank and the Healthcare Integrity and Protection Data Bank.

ORDER

WHEREFORE, on the basis of the foregoing Findings of Fact and Conclusions of Law of the Board, and on the basis of the consent of Dr. Dave, the West Virginia Board of Medicine hereby **ORDERS** as follows:

1. Dr. Dave is **PUBLICLY REPRIMANDED** for failing to keep written records justifying the course of treatment of a patient, as described in the June 23,

2011, Consent Order entered into by and between Dr. Dave and the Maryland State Board of Physicians.

2. The license to practice medicine in the State of West Virginia previously issued to Prafull K. Dave, M.D., License No. 13760, is placed on PROBATION, effective upon entry of this Consent Order.

3. As and when the Maryland State Board of Physicians terminates the probation of Dr. Dave and his Maryland license is unencumbered, he may petition this Board for termination of the probationary status of License No. 13760, and termination may be granted with or without Dr. Dave's appearance before the Complaint Committee, however desired by the Complaint Committee.

BEFORE THE WEST VIRGINIA BOARD OF MEDICINE

IN RE: TRESSIE M. DUFFY, M.D.

CONSENT ORDER

The West Virginia Board of Medicine ("Board") and Tressie M. Duffy, M.D. ("Dr. Duffy"), freely and voluntarily enter into the following Consent Order pursuant to W. Va. Code § 30-3-14, *et seq.*

FINDINGS OF FACT

1. Dr. Duffy was issued a license to practice medicine and surgery in the State of West Virginia, License No. 19978, in 1999, and held such license until it expired on June 30, 2012, at 11:59 p.m., due to failure of the Board to receive her completed license renewal form in a timely manner.

2. When Dr. Duffy's license expired, she was the subject of a Consent Order into which she had entered with the Board on March 14, 2011, due to various infractions of the West Virginia Medical Practice Act and Rule 11 CSR 1A, and which Consent Order was scheduled to conclude in September 2012.

3. Dr. Duffy has applied for reinstatement of the license to practice medicine and surgery in the State of West Virginia, License No. 19978, and in September 2012, appeared before the Licensure Committee of the Board for a full discussion of the circumstances which resulted in the expiration of the license.

4. Dr. Duffy acknowledged at the September 2012 meeting of the Licensure Committee that when she next attempts to renew License No. 19978 in 2014, the license may not

be renewed unless she requests a paper renewal application form from the Board to complete fully and forward to the Board in a timely manner so that it is received at the Board no later than the last day of the renewal period. To reinstate License No. 19978, it is appropriate and necessary to reinstate as well requirements of the prior Consent Order for the period of time remaining when the license expired on June 30, 2012.

CONCLUSIONS OF LAW

1. Probable cause exists to deny Dr. Duffy reinstatement of a license to practice medicine and surgery in this State due to the provisions of W. Va. Code § 30-3-14(c)(17) and 11 CSR 1A 12.1(e), (j) and (o), relating to unprofessional and unethical conduct and failing to perform a statutory or legal obligation.

2. The Board determined that under all the circumstances, it is appropriate to grant Dr. Duffy reinstatement of an active license to practice medicine and surgery in the State of West Virginia, provided she agrees to this action against her license.

3. It is appropriate to waive the commencement of proceedings against Dr. Duffy, and to proceed without the filing of formal charges in a Complaint and Notice of Hearing, provided she enters into this Consent Order.

CONSENT

Tressie M. Duffy, M.D., by affixing her signature hereon, agrees solely and exclusively for purposes of this agreement and the entry of the Order provided for and stated herein, and proceedings conducted in accordance with this Order, to the following:

1. Dr. Duffy acknowledges that she is fully aware that, without her consent here given, no permanent legal action may be taken against her except after a public hearing held in accordance with W. Va. Code § 30-3-14(h) and § 29A-5-1, et seq.;

2. Dr. Duffy further acknowledges that she has the following rights, among others: the right to a formal public hearing before the Board, the right to reasonable notice of said hearing, the right to be represented by counsel at her own expense, the right to cross-examine witnesses against her, and the right to appeal under Chapter 29A of the West Virginia Code in the event of a final order or decision adverse to her;

3. Dr. Duffy waives all such rights;

4. Dr. Duffy consents to the entry of this Order relative to her practice of medicine in the State of West Virginia; and

5. Dr. Duffy understands that this Order is considered public information and that matters contained herein may be reported, as required by law, to the National Practitioner Data Bank and the Healthcare Integrity and Protection Data Bank.

ORDER

WHEREFORE, on the basis of the foregoing Findings of Fact and Conclusions of Law of the Board, and on the basis of the Consent of Dr. Duffy, the West Virginia Board of Medicine hereby **ORDERS** as follows:

1. Dr. Duffy is granted reinstatement of the license to practice medicine and surgery in the State of West Virginia, License No. 19978, effective upon date of entry of this Consent Order.

2. The reinstatement of License No. 19978 is subject to the requirement that until November 30, 2012, Dr. Duffy shall undergo regular, individual psychological counseling by a licensed mental health professional (previously approved by the Board), which licensed mental health professional shall provide a report to the Board which shall be received prior to November 30, 2012, attesting to the health and well-being of Dr. Duffy.

3. Any failure of compliance with the above provision shall expose Dr. Duffy to further disciplinary action by the Board.

In re: SCOTT JAMES FEATHERS, D.P.M.

ORDER OF REVOCATION OF LICENSE TO PRACTICE PODIATRY

1. Scott James Feathers, D.P.M., (“Dr. Feathers”) holds a license to practice podiatry in the State of West Virginia, License No. 181, which was issued initially on September 4, 1981, by the West Virginia Board of Medicine (“Board”).
2. An Indictment filed in open court on January 15, 2010, in the case of State of West Virginia v. Scott James Feathers, Case No. 10-F-23 in the Circuit Court of Wood County, West Virginia, alleged that Dr. Feathers committed two counts of the offense of “Delivery of a Controlled Substance” and “Possession of a Controlled Substance with Intent to Deliver” by unlawfully, intentionally and feloniously delivering Hydrocodone, a Schedule III controlled substance, to a person known to the Grand Jury in violation of West Virginia Code §60A-4-401, (a)(ii). See, Indictment, attached hereto as Exhibit A.
3. On April 9, 2012, Dr. Feathers entered a plea of guilty to the felony offense of “Delivery of a Controlled Substance” as charged in Count One of the Indictment. Judge Jeffrey B. Reed of the Circuit Court of Wood County approved the plea, which was made pursuant to a Plea Agreement. See, Judge Reed’s Order dated April 12, 2012, attached hereto as Exhibit B; Plea Agreement, attached hereto as Exhibit

C; Defendant's Statement in Support of Plea of Guilty, attached hereto as Exhibit D, and Attorney Statement in Support of Guilty Plea, attached hereto as Exhibit E.

4. Pursuant to the provisions of West Virginia Code §30-3-14(d):

The Board shall ... revoke the license of any ... podiatrist licensed or otherwise lawfully practicing within this State who[,] is found guilty by any court of competent jurisdiction of any felony involving prescribing, selling, administering, dispensing, mixing or otherwise preparing any prescription drug, including any controlled substance under state or federal law, for other than generally accepted therapeutic purposes. Presentation to the Board of a certified copy of the guilty verdict or plea rendered in the court is sufficient proof thereof for the purposes of this article ...

5. By Order entered on July 5, 2012, Judge Reed imposed the terms of the sentence of Dr. Feathers and found and ordered that Dr. Feathers is guilty upon his plea of guilty to the offense of Delivery of a Controlled Substance, a felony, as contained in Count 1 of Indictment No. 10-F-23. See, Order entered on July 5, 2012, attached hereto as Exhibit F.

6. Copies of Exhibits A-F were presented to the Board at its regular meeting on November 5, 2012, with a quorum of the Board present and voting. The Board determined that Dr. Feathers has been found guilty by a court of competent jurisdiction of a felony involving unlawfully delivering a controlled substance under state law for other than generally accepted therapeutic purposes. The Board concluded that, as a matter of law, the license to practice podiatry of Dr. Feathers, License No. 181, must be revoked under the provisions of West Virginia Code §30-3-14(d), and accordingly, the Board voted to revoke the license to practice podiatry of Scott James Feathers, D.P.M., License No. 181, effective November 6, 2012.

WHEREFORE, it is **ORDERED** that the license to practice podiatry of Scott James Feathers, D.P.M., License No. 181, issued by the Board in 1981, is hereby **REVOKED** effective November 6, 2012.

The foregoing **ORDER** was **ENTERED** this 5th day of November, 2012.

Thereupon, the Defendant moved the Court to withdraw his former plea entered in the above styled matter, and to plead anew thereto pursuant to a Plea Agreement, which said executed Plea Agreement was tendered to the Court.

And based upon the DEFENDANT'S STATEMENT IN SUPPORT OF PLEA OF GUILTY, and the Court's questioning of the Defendant, the Court further **FINDS** that the Defendant has not been offered leniency in this matter; nor has he been threatened with harm to his person or property to cause him to enter his plea; that he enters his plea of his own free will and accord and that Defendant is advised of and understands the habitual, recidivist criminal act.

ORDER

On this 27th day of June, 2012, came the State of West Virginia by Russell J. Skogstad, Jr., Assistant Prosecuting Attorney in and for Wood County, Sherry Hall, Adult Probation Officer, and the Defendant, in person accompanied by his attorney, William O. Merriman, Jr.

Whereupon, the Court, before imposing sentence, determined that the Defendant and his counsel have had the opportunity to read and discuss the pre-sentence investigation report and the supplemental report / addendum dated June 21, 2012, submitted by the Probation Officer.

The Court further afforded the Defendant an opportunity to present evidence, afforded defense counsel the opportunity to speak on behalf of the Defendant and asked the Defendant personally if he wished to make a statement on his own behalf and to present any information in mitigation of punishment. The attorney for the State was also given an equivalent opportunity to present evidence or speak to the Court.

The Court FINDS, ADJUDGES and ORDERS that the Defendant is guilty upon his plea of guilty to the offense of Delivery of a Controlled Substance, a

felony, as contained in Count 1 of Indictment No.: 10-F-23. Pursuant to said finding of guilt, it is ORDERED that the Defendant be committed to the custody of the West Virginia Division of Corrections for a term and period of not less than one (1) year nor more than five (5) years, with a credit of 1 day, and in all things dealt with as the law directs.

The Court having before him the report of the Probation Officer of this Court and having maturely considered said report and Defendant's motion for probation heretofore made, is of the opinion that the character and the circumstances of the case indicate that the Defendant is not likely to again commit crime if the Defendant complies with the terms and conditions of probation and that the public good does not require that he be imprisoned. It is, therefore, ORDERED that execution of said sentence be suspended and that the Defendant be placed upon probation and good behavior for a term and period of three (3) years under the normal terms and conditions of probation for this Court, a copy of these terms having been previously provided to the Defendant. A copy of these terms are attached to this Order and made a part of this Order. Further, the Defendant, in open court, acknowledged that he understood the normal terms and conditions of probation and that he could obey all these terms.

In addition to the normal terms and conditions of probation, the Court further imposes the following terms and conditions of probation:

28. You shall pay to the Clerk of this Court a mandatory supervision fee of \$5.00 per month beginning July 1, 2012.
29. You shall pay to the Clerk of this Court a community corrections fee of \$5.00 per month beginning July 1, 2012.

The Defendant, in open court, acknowledged that he understood the additional terms and conditions of probation and that he could obey all these terms.

After advising the Defendant of the terms and conditions of probation, the Defendant was further advised that by not obeying these terms, that probation could be revoked and that the Defendant could either be placed in jail or prison.

It is further ORDERED that the Defendant pay to the Clerk of this Court the following costs:

Clerk's Fee - \$105.00
Prosecuting Attorney Fee - \$35.00
Law Enforcement Training Fund - \$2.00
Community Corrections Fee - \$10.00
Community Corrections Fund - \$25.00
Crime Victim Compensation Fund - \$50.00
Court Reporter's Fee - \$30.00
Total - \$257.00

It is ORDERED that the Defendant shall make restitution in the amount of \$800.00 and that judgement be entered in favor of Parkersburg Violent Crimes and Narcotics Task Force and against the Defendant in the amount of \$800.00.

Payments are to be made to the Clerk of this Court.

The following shall be the priority of payment:

1. The mandatory supervision fee of \$5.00 per month, if any is ordered to be paid.
2. The community corrections fee of \$5.00 per month, if any is ordered to be paid.
3. Restitution, if any is ordered to be paid.
4. Court costs, if any are ordered to be paid.

Whereupon, the Defendant acknowledges to the Court that he has the financial ability to pay \$40.00 per month toward the costs and restitution as Ordered.

Whereupon, the Court finds that the Defendant has the financial ability to pay the costs, fines, counsel fee and restitution as Ordered.

The Court further advised the Defendant that his failure to pay the costs, fines, counsel fees and restitution as above set forth will result in the Defendant's loss of his license to drive.

The Defendant shall submit a sample of his blood for DNA analysis pursuant to *West Virginia Code § 15-2B-1*, at a time and place as designated by his Probation Officer, such testing being mandated by State law for the offense which he has been convicted.

The Defendant acknowledged in open court that he has received a copy of the document that advises him of the right to appeal, the right to file a Motion for Reconsideration and/or Reduction of Sentence and the right to court appointed counsel. A signed copy of this document is hereby ORDERED filed.

BEFORE THE WEST VIRGINIA BOARD OF MEDICINE

WEST VIRGINIA BOARD OF MEDICINE,

Petitioner,

V.

Complaint No. 12-02-W

TAMER MOHAMED GABER, M.D.,

Respondent.

**ORDER OF SUMMARY SUSPENSION OF LICENSE TO PRACTICE MEDICINE
AND SURGERY AND NOTICE OF HEARING**

The West Virginia Board of Medicine [“the Board”] hereby SUMMARILY SUSPENDS the license of Tamer Mohamed Gaber, M.D., License No. 24645, to practice medicine and surgery in the State of West Virginia pursuant to West Virginia Code § 30-3-14(a) and (c)(21) and (k) due to possible imminent danger to the public safety, health or welfare as a result of his mental impairment.

FINDINGS OF FACT

1. Tamer Mohamed Gaber, M.D., [“Dr. Gaber”] currently holds an active license, No. 24645, to practice medicine and surgery in the State of West Virginia which was initially issued on November 14, 2011, by the Board. His address of record is in Morgantown, West Virginia. Dr. Gaber also holds licenses to practice medicine in Maryland and California. See, Public Current Report of Licensee, attached hereto as Exhibit A.

2. On December 22, 2011, the Board received a letter from Niti Armistead, M.D., Vice President of Medical Staff Affairs of West Virginia University Hospitals ["WVUH"] in Morgantown, West Virginia, and from James M. Stevenson, M.D., Chair of Behavioral Medicine & Psychiatry at the West Virginia University School of Medicine ["School of Medicine"], concerning Dr. Gaber. Drs. Armistead and Stevenson indicated that Dr. Gaber had been a fellow in the Child & Adolescent Psychiatry Program at the WVU School of Medicine. They stated that "[i]n recent months, Dr. Gaber began displaying aberrant behavior including sudden absences, unexplained absences, missed deadlines, memory lapses, confusion, disorientation, agitation, delusions, paranoia, and an inability to perform the essential duties of a physician. This behavior had the potential to adversely affect patients." They further indicated that in October and November 2011, the Practitioner Health Committee of WVUH met with and concerning Dr. Gaber. See, letter from Drs. Armistead and Stevenson, attached hereto as Exhibit B.

3. The letter from Drs. Armistead and Stevenson further stated that on November 11, 2011, a letter was sent to Dr. Gaber advising him that he would be required to meet the following requirements before consideration would be given to his return to duties at WVUH:

--Admission to an inpatient treatment program within 10 days of his receipt of the letter;

--Enrollment in the West Virginia Medical Professionals Health Program, and

--Completion of a repeat "fitness for duty" evaluation.

Drs. Armistead and Stevenson indicated that instead of admitting himself into an inpatient treatment program, Dr. Gaber went on vacation out of the country.

4. On December 15, 2011, Dr. Gaber's employment with the School of Medicine was terminated, according to Drs. Armistead and Stevenson. They concluded their letter by requesting the Board to investigate Dr. Gaber's condition and situation and to take whatever actions were warranted by its investigation. See, Exhibit B.

5. The Complaint Committee of the Board of Medicine initiated a Complaint ["Initiated Complaint"] against Dr. Gaber on January 8, 2012, alleging that his behaviors, as described in the letter from Drs. Armistead and Stevenson, place his patients at harm and are in violation of West Virginia Code § 30-3-14(c)(17) and (21) and 11 CSR 1A 12.1 (h)(i) and (j). See, Initiated Complaint, attached hereto as Exhibit C.

6. The Board mailed the Initiated Complaint to Dr. Gaber at his address of record with the Board (245 Palisades Drive, Morgantown, West Virginia 26508) via Certified Mail on January 9, 2012. The mailing was returned by the U.S. Postal Service as "Not Deliverable as Addressed; Unable to Forward." See, envelope of mailing attached as Exhibit D.

7. The Board mailed another copy of the Initiated Complaint to Dr. Gaber at his address of record with the Board (245 Palisades Drive, Morgantown, West Virginia 26508) via Certified Mail on January 27, 2012. That mailing also was returned by the U.S. Postal Service as "Not Deliverable as Addressed; Unable to Forward." See, envelope of mailing attached as Exhibit E.

8. The Board issued a Subpoena on March 21, 2012, to Dr. Gaber which summoned and commanded him to appear for an informal meeting with the Board's Complaint Committee at the Board's offices on Sunday, May 20, 2012, at 1:30 p.m. See, Subpoena, attached hereto as Exhibit F.

9. Dr. Gaber did not appear for the meeting with the Complaint Committee as required by the Subpoena.
10. On March 27, 2012, at 12:10 p.m., the Board's Supervisor of Investigation and Complaints ["Investigator"], Leslie A. Inghram, served Dr. Gaber at his home with the Initiated Complaint and the Subpoena to appear. See, Exhibit F (Subpoena with return of service) and Exhibit G (Report of Investigation regarding service of Subpoena, without attachments).
11. In March 2012, Investigator Inghram interviewed a former associate of Dr. Gaber. See, Report of Investigation, attached hereto as Exhibit H.
12. Board Investigator Inghram also interviewed Dr. Gaber's family members on March 28-29, 2012. See, Reports of Investigation, attached hereto as Exhibit I.
13. On May 11, 2012, the Board issued Subpoenas Duces Tecum to WVUH and to the School of Medicine requesting production of personnel and other documents relating to their concerns as to Dr. Gaber and their evaluations and termination of him.
14. WVUH responded to the Subpoena Duces Tecum on May 16, 2012, and produced documents, including the quality assurance file, regarding Dr. Gaber.
15. The West Virginia University School of Medicine, through counsel, responded to the Subpoena Duces Tecum on May 17, 2012, and produced documents regarding Dr. Gaber.
16. The documents produced by West Virginia University School of Medicine include a letter dated August 8, 2011, to Dr. Stevenson from [REDACTED] of the Faculty and Staff Assistance Program. The letter indicated that [REDACTED] had interviewed Dr. Gaber to assess his fitness for duty, and that she had found him to be agitated and "significantly distracted" by outside events, including an accusation by his co-workers of drug abuse. [REDACTED]

██████ recommended that Dr. Gaber provide his medical records, undergo counseling, and submit to random drug screening. She expressed concern regarding his ability to concentrate on his work and “that his current emotional state may impair his judgment.” See, Exhibit J, attached hereto.

17. The documents produced by West Virginia University School of Medicine include an October 17, 2011, letter from Dr. Stevenson which indicates that the Department of Behavioral Medicine “has serious concerns about [his] safety, performance, and behavior, as well as the safety of others around [him].” The letter further indicates that “[o]n Saturday, October 15, during a mental hygiene hearing, [Dr. Gaber] agreed to voluntary commitment” but that he “failed to permit the agreed voluntary commitment.” See, Exhibit K, attached hereto.

18. The documents produced by West Virginia University School of Medicine include an October 19, 2011, letter from Dr. Stevenson which suspends Dr. Gaber’s moonlighting privileges. See, Exhibit L, attached hereto.

19. The documents produced by West Virginia University School of Medicine include a typed statement of ████████ M.D., which he signed October 21, 2011. See, Exhibit M, attached hereto.

20. A psychological “fitness for duty” evaluation of Dr. Gaber which was performed on October 17-18, 2011, was included in the quality assurance file produced to the Board. The forensic psychologist diagnosed Dr. Gaber with several psychiatric conditions and found that Dr. Gaber “has no insight into his mental illness” and that he “is not open to interventions at this time.” Based upon his evaluation, the psychologist concluded that Dr. Gaber presented as an “individual at heightened risk and therefore should not treat patients at this

time.” See, Exhibit N, attached hereto.

21. The Board received notice on May 11, 2012, through a Board Action Disciplinary Alert Report, that the State of Maryland had suspended Dr. Gaber’s license to practice medicine in Maryland on April 20, 2012, based on “immediate danger to the public health, safety or welfare.” See, Exhibit O.

22. The West Virginia Board of Medicine requested information from the State of Maryland Board of Physicians [“Maryland Board”] on May 14, 2011 regarding its suspension of Dr. Gaber. The Maryland Board provided a copy of its Order for Summary Suspension of License to Practice Medicine dated April 20, 2012, which suspended Dr. Gaber’s license to practice based upon the psychologist’s evaluation and opinions regarding Dr. Gaber. The Order scheduled a post-deprivation hearing regarding its summary suspension for April 25, 2012. See, Exhibit P.

23. On April 27, 2012, the Maryland Board had issued a letter/Order which indicated that Dr. Gaber had been given an opportunity to attend the April 25, 2012, hearing to show cause why the summary suspension should not be continued, but that he did not attend the hearing. The letter/Order, which was sent to Dr. Gaber at the Morgantown, West Virginia, address which he has on file with the West Virginia Board of Medicine, also indicated that Dr. Gaber had a right to a [subsequent] full evidentiary hearing before an Administrative Law Judge. His request was required to be in writing and submitted within 10 days of the April 27, 2012, letter/Order. See, Exhibit R. The Maryland Board reported its summary suspension of Dr. Gaber’s license in a Board Action Disciplinary Report on May 10, 2012. See, Exhibit Q.

24. The continued licensing of Dr. Gaber to practice medicine and surgery in the

State of West Virginia presents an immediate danger to the public inasmuch as he apparently continues to reside in West Virginia and his license in the adjacent state of Maryland has now been suspended.

CONCLUSIONS OF LAW

1. The West Virginia Board of Medicine has a mandate pursuant to the West Virginia Medical Practice Act to protect the public interest. West Virginia Code §30-3-1, et seq.
2. Probable cause exists to substantiate charges of disqualification of Dr. Gaber from the practice of medicine and surgery in the State of West Virginia based upon West Virginia Code § 30-3-14(c)(17) and (21) and 11 CSR 1A 12.1(h), (i) and (j) relating to engaging in unprofessional conduct and the inability to practice medicine with reasonable skill and safety to patients by reason of any physical or mental abnormality.
3. West Virginia Code §30-3-14(k) and 11 CSR 3 10.16 provide that:

...if the board determines the evidence in its possession indicates that a physician's continuation in practice or unrestricted practice constitutes an immediate danger to the public, the board may take any of the actions provided for in subsection (j) of this section on a temporary basis and without a hearing, if institution of procedures for a hearing before the board are initiated simultaneously with the temporary action and begin within fifteen days of the action. The board shall render its decision within five days of the conclusion of a hearing under this subsection.
4. West Virginia Code §30-3-14(j) provides that whenever the Board finds a person unqualified for a license, it may suspend his license to practice medicine and surgery for not more than five years.

ORDER

At its regular meeting on May 21, 2012, with a quorum of the Board present and voting, the Board found, with no dissenting votes, that under the facts and circumstances for Dr. Gaber to continue to hold an active license to practice medicine and surgery in the State of West Virginia constitutes an immediate danger to the health, welfare, and safety of the public. The Board concluded, as a matter of law, that such danger to the public demands extraordinary measures.

Therefore, the Board, with a quorum present and voting, found, with no dissenting votes, that in accordance with its statutory mandate to protect the public interest, the license to practice medicine and surgery of Tamer Mohamed Gaber, M.D., License No. 24645, must be summarily **SUSPENDED** in accordance with West Virginia Code §30-3-14(k) and 11 CSR 3 10.16.

In all of the foregoing matters, Dr. Ferree, Dr. Wazir, Dr. Arnold and Ms. Henderson abstained from voting due to their participation in the finding of probable cause to substantiate charges against Dr. Gaber as members of the Board's Complaint Committee.

WHEREFORE, the Board **ORDERS** that the license to practice medicine and surgery held by Tamer Mohamed Gaber, M.D., License No. 24645, is **SUMMARILY SUSPENDED**, effective May 22nd, 2012, at 9:00 a.m.

NOTICE OF HEARING

Pursuant to West Virginia Code §30-3-14(k) and 11 CSR 3 10.16, if an action pursuant thereto is taken by the Board, institution of proceedings for a hearing before the Board must be initiated simultaneously with the temporary action and must begin within 15 days of

such action.

Dr. Gaber is hereby notified that on the 2nd day of June, 2012, at 11:00 a. .m., the West Virginia Board of Medicine will convene in its offices at 101 Dee Drive, Charleston, West Virginia, with a duly qualified hearing examiner for the purpose of hearing evidence with regard to the contents of this **ORDER**. At such hearing, Dr. Gaber must be present in person and may be accompanied by counsel if he so desires. He may present any witnesses and/or evidence to show cause why his license to practice medicine and surgery in the State of West Virginia should not be subject to further restriction.

The foregoing **ORDER** was entered and **NOTICE** was issued on the 21st day of May, 2012.

DISCLAIMER FOR MALPRACTICE

Consumers should take the following factors into consideration when evaluating a physician's competence from malpractice data.

- A number of studies have been conducted to identify indicators of substandard care among physicians. There is no conclusive evidence that malpractice data correlates with professional competence.
- There are a variety of factors unrelated to professional competence or conduct which affect the likelihood that a physician will be

EXHIBIT A

the subject of a malpractice claim, such as, the physician's time in practice, the nature of the specialty, the types of patients treated, geographic location, etc. For example, certain medical specialties have a higher rate of malpractice claims because of a higher risk inherent to the field of practice

- Settlements of malpractice cases by insurance companies are sometimes handled as business decisions. In the case of some minor claims, it is less expensive for the insurance company to make a monetary settlement than it is for them to take the case to court. Many times such cases are settled without a finding of fault or admission of guilt on the part of the physician.
- A payment in settlement of a medical malpractice action or claim should not be construed as creating a presumption that medical malpractice has occurred.

Re: Tamer Gaber, M.D.

Dear Mr. Knittle:

We are writing in our capacities as Vice President of Medical Staff Affairs of West Virginia University Hospitals ("WVUH") and Chair of Behavioral Medicine & Psychiatry of the West Virginia University School of Medicine ("School of Medicine") to advise the West Virginia Board of Medicine ("Board") of concerns that have arisen with regard to one of the Board's licensees: Tamer Gaber, M.D.

Until recently, Dr. Gaber was a fellow in the Child & Adolescent Psychiatry Program at the School of Medicine. In recent months, Dr. Gaber began displaying aberrant behavior including sudden absences, unexplained absences, missed deadlines, memory lapses, confusion, disorientation, agitation, delusions, paranoia, and an inability to perform the essential duties of a physician. This behavior had the potential to adversely affect patients.

In October and November, 2011, the Practitioner Health Committee of WVUH met to review Gaber's situation and, after each meeting, met with Dr. Gaber. On November 11, 2011, a letter was sent to Dr. Gaber advising him that he would be required to meet the following requirements before consideration would be given to his return to duties at WVUH:

1. Admission to an inpatient treatment program within 10 days of his receipt of such letter.
2. Enrollment in the West Virginia Medical Professionals Health Program.
3. Completion of a repeat fitness for duty evaluation.

According to our information, instead of admitting himself into an inpatient treatment program, Dr. Gaber went on vacation out of the country.

On December 15, 2011, Dr. Gaber's employment with the School of Medicine was terminated.

We are writing to make the Board aware of this situation, to request that the Board investigate Dr. Giber's condition and situation, and to request that the Board take whatever actions are warranted by such investigation.

If you should have any questions or comments regarding this matter, please feel free to contact us.

Issue:

In January 2012, the Complaint Committee of the West Virginia Board of Medicine initiated a complaint against Tamer Mohamed Gaber, M.D. (Dr. Gaber) with respect to a report dated December 20, 2011, from Niti Armistead, M.D., Vice President of Medical Staff Affairs, WVU Hospitals, and James M. Stevenson, M.D., Chair, Behavioral Medicine and Psychiatry, WVU School of Medicine, relating to the behavior of Tamer Mohamed Gaber, M.D. Dr. Gaber was terminated from WVU School of Medicine in December 2011. The Complaint Committee authorized further investigation.

Several attempts were made to contact Dr. Gaber through the US Mail at his preferred mailing address listed with the Board. All attempts were returned from the post office and marked "Not deliverable as addressed - Unable to forward."

In March 2012, Investigator Inghram contacted the postal route carrier for Dr. Gaber's mailing address. The carrier stated that Dr. Gaber still resides at the mailing address, but stopped getting his mail out of the mailbox. The carrier stated that because the mailbox was full, the postal service started returning Dr. Gaber's regular and certified mail to the senders.

On March 27, 2012, Investigator Inghram, accompanied by two WV State Police, arrived at Dr. Gaber's home to serve Board documents. Dr. Gaber answered the door and appeared to be of sound mind and acknowledged that he was Dr. Gaber. Investigator Inghram identified herself to Dr. Gaber and asked Dr. Gaber how he was doing. Dr. Gaber replied, "I'm fine. Why? What is this about?" Investigator Inghram advised Dr. Gaber of his situation with the Board and served Dr. Gaber with the Board documents. Investigator Inghram advised Dr. Gaber to read over the documents and contact the Board as soon as possible. Dr. Gaber replied, "Okay. Thank you." (The Board documents are attached). Investigator Inghram and the WV State Police left Dr. Gaber's home.

Attached to this report is the WVBOP-Patient Profile on Tamer Gaber, M.D.

Dear Dr. Stevenson,

I am writing to follow up on the meeting I had with Dr. Gaber on August 4, 2011. At your request, I interviewed Dr. Gaber to assess his fitness for duty in light of recent events. Dr. Gaber was cooperative with the interview, and expressed willingness to comply with follow up recommendations. As you know, Dr. Gaber has been under significant stress due to circumstances outside his work at WVU. These included a visit to the Department of Behavioral Medicine by his co-workers, during which time they made an accusation of drug abuse.

During our interview, he appeared to be significantly distracted by these outside events. He was agitated, and focused on the behavior of his colleagues in private practice. From his statements, it appears that he believes they are conspiring to undermine him personally and professionally. He addressed their accusation of drug abuse, and volunteered that he is in treatment for ADHD. He is willing to submit to UDS, and to provide medical records substantiating diagnosis and treatment history. My recommendation is that he provide the records, and submit to random screening. I am also concerned about his ability to concentrate on his work at WVU, and that his current emotional state may impair his judgment. My recommendation is to encourage a brief course of follow up counseling, whether through the FSAP or outside provider.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Dear Dr. Gaber,

As you are aware, the Department of Behavioral Medicine has serious concerns about your safety, performance, and behavior, as well as the safety of others around you. On Saturday, October 15, during a mental hygiene hearing, you agreed to voluntary commitment. You have failed to permit the agreed voluntary commitment.

As a result of these concerns, among others, you are hereby suspended immediately without pay from employment with West Virginia University. It is expected that during this suspension period you will do the following to address these issues: immediately report to [REDACTED] on October 17 at 6:15 for a fitness for duty evaluation.

We have continued concerns for your safety and the safety of others, and, as a result, will be filing concurrently with this letter a second petition for your involuntary commitment with the Mental Health Commissioner.

Please be advised of the serious nature of our concerns and of this suspension. It is imperative that you comply with the above steps. In the interim, we would encourage you to comply with the voluntary commitment you promised the Mental Health Commissioner at the October 15 hearing.

If you would like appeal this decision please review the Graduate Medical Education by laws in Section XI on due process. You can find them on the GME website:

Statement [REDACTED]

[REDACTED] 11/1/11

In August 2011 Tamer Gaber came into my office to talk about all of the "stress" that had been going on in his life. He reported that he was in a lawsuit with his business partner [REDACTED]. He reported that he had uncovered an "insurance fraud scam" and that he was suing (for reason unclear to me). He stated that this lady was ex-military and that she was either trying to "discredit" him or was "testing" him for possible entry in to the "Masons". He stated that she was able to get into the Merlin computer system and change his orders to "make me look bad". He also stated that she had done something to his phone and computers. Before talking about the subject he requested that I put my phone in the refrigerator. He stated that "I can't let them outsmart me". He attempted to show us ([REDACTED] and I) examples on Merlin and in his phone that appeared normal and inconsequential. I expressed concern for him regarding the unlikelihood of his stories, all the stress he was under, and the fact that he looked as though he had probably lost over 15-20 pounds pretty rapidly. Shortly after, I witnessed him change out the desk computer in his office and also the handset to his office phone. [REDACTED] and I discussed amongst ourselves concern for Tamer and whether or not he should be caring for patients. Shortly afterward we were informed that his attendings in the Child Fellowship were requesting drugs screens and a psychiatric evaluation of Tamer. For a couple of months Tamer seemed to be back to himself and managing patient care and other duties at work appropriately.

On Oct 13th I went over to his house to check on him b/c he was not performing his duties at work, had taken some time off and would not answer his phone. We decided to go out to get dinner. While at dinner he expressed that [REDACTED] was now able to control his mind and body through a well known technique known as "psychotronic mind control" that she learned how to do in the military. He reported that she could control his movements and gave example of his body moving in a robotic manner. He reported that he had found "microchips" in the electrical outlets of his house that she was able to place there. He expressed a great deal of anger that she was able to "fuck" with him like this. He stated that he had no intention for retribution in any way but "needed" to figure out how she was doing this. He then reported that he had built a "Faraday cage" in his house which can block the "low frequency waves" that are used in psychotronic mind control. He reported that whenever he is in the cage or when he is near [REDACTED] that he can feel the mind control stop. He stated that anyone who would think that this is "psychiatric is an idiot. They're just not smart enough to see what's really going on here". He also reported that he had been using Vyvanse but that he didn't think that had anything to do with the thoughts and symptoms despite noting that the control appeared to get worse about 6 hrs after his dosage. Several times he questioned me about what I knew regarding all this in a very suspicious manner. He also stated that "something is going on at work because everyone is looking at me weird".

**ORDER FOR SUMMARY SUSPENSION
OF LICENSE TO PRACTICE MEDICINE**

The Maryland State Board of Physicians (the "Board") hereby **SUMMARILY SUSPENDS** the license of Tamer M. Gaber, M.D., (the "Respondent") (D.O.B. 03/04/1975), license number D71138, to practice medicine in the State of Maryland. The Board takes such action pursuant to its authority under Md. State Govt Code Ann. § 10-226(c)(2009 Repl. Vol.) concluding that the public health, safety or welfare imperatively requires emergency action.

INVESTIGATIVE FINDINGS

Based on information received by, and made known to the Board, and the investigatory information obtained by, received by and made known to and available to the Board, including the instances described below, the Board has reason to believe that the following facts are true:¹

1. At all times relevant hereto, the Respondent was and is licensed to practice medicine in the State of Maryland. The Respondent was originally licensed to practice medicine in Maryland on July 8, 2010. The Respondent holds active licenses in California and West Virginia.

¹ The statements regarding the Respondent's conduct are intended to provide the Respondent with notice of the basis of the suspension. They are not intended as, and do not necessarily represent a complete description of the evidence, either documentary or testimonial, to be offered against the Respondent in connection with this matter.

2. As of December 2011, the Respondent was a third year resident in the Child and Adult Psychiatry program at Medical School A.²
3. On December 27, 2011, the Board received notification from Medical School A that, effective December 15, 2011, the Respondent had been terminated from the fellowship program because of his erratic and aberrant behavior including: sudden absences; disorientation; agitation; delusions and paranoia.
4. In furtherance of the Board's investigation of this matter, the Board subpoenaed from Medical School A the Respondent's Quality Assurance ("QA") file.
5. Included in the Respondent's QA file is the report of a psychologist ("Dr. 1") who, in October 2011, performed a "fitness for duty" evaluation of the Respondent at the request of Medical School A.
6. Dr. 1 diagnosed the Respondent with several psychiatric conditions.
7. Dr. 1 conducted an overall risk assessment of the Respondent. Dr. 1 opined in part that the Respondent "has no insight into his mental illness...and is not open to interventions at this time." Dr. 1 concluded that based on his evaluation, the Respondent presented as an "individual at heightened risk and therefore should not treat patients at this time."
8. By letter dated March 22, 2012, sent by certified mail to the Respondent's last known address of record, the Board notified the Respondent of the Board's investigation and asked the Respondent to submit a written response to the allegations and to sign release forms for medical, mental health and other records.

² Names of individuals and facilities are confidential. The Respondent may request the names from the Administrative Prosecutor.

9. The certified letter to the Respondent was returned to the Board because the Respondent had moved and had not left a forwarding address.³

CONCLUSION OF LAW

Based on the foregoing facts, the Board concludes that the public health, safety or welfare imperatively require emergency action in this case, pursuant to Md. State Gov't Code Ann. § 10-226 (c)(2)(i) (2009 Repl. Vol.).

Re: Tamer M. Gaber, M.D.
Case No. 2012-0425
License No.: D71138

Dear Dr. Gaber and Ms. Pepper:

On April 20, 2012, the Board issued an **ORDER FOR SUMMARY SUSPENSION OF LICENSE TO PRACTICE MEDICINE** in this case. On April 25, 2012, Dr. Gaber was given an opportunity to attend a hearing to show cause why that suspension should not be continued. Dr. Gaber did not attend the hearing on that date. The State was represented by Victoria Pepper, Assistant Attorney General, Administrative Prosecutor.

After considering the investigative file and the presentation at the hearing, the Board determined that it would continue the summary suspension imposed on April 20, 2012. The Board thus will not lift the summary suspension order. The argument submitted, when considered in the light of the investigative findings in the file, persuade the Board that the Administrative Prosecutor has met her burden of showing there exists a substantial risk of serious harm to the public health, safety or welfare in Dr. Gaber's continued practice.

NOTICE OF RIGHT TO APPEAL

Under the Board regulations, Dr. Gaber has the right to request a full evidentiary hearing before an Administrative Law Judge. This request will be granted if the Board receives a written request for the hearing within ten days of the date of this letter. Any request for a hearing should be sent to Christine Farrelly, Supervisor, Compliance Administration, at the Board's address. If you request such a hearing, the regulations require that an Administrative Law Judge set the

hearing to begin within 30 days of your request, *see* COMAR 10.32.02.05 I, though you may waive that 30-day requirement.

This letter constitutes an order of the Board resulting from formal disciplinary action and is therefore a public document.

Sincerely yours,

ORDER

This proceeding arises under the West Virginia Medical Practice Act, West Virginia Code § 30-3-14, *et seq.* This is a disciplinary proceeding involving the status of the license to practice medicine and surgery in the State of West Virginia of Tamer Mohamed Gaber, M.D. (hereinafter “Dr. Gaber”). The West Virginia Board of Medicine (hereinafter “the Board”) is the duly authorized State agency to oversee and conduct physician disciplinary hearings pursuant to the provisions of West Virginia Code § 30-3-14.

PROCEDURAL HISTORY

This matter came on for hearing upon the Petitioner’s “Order of Summary Suspension of License to Practice Medicine and Surgery and Notice of Hearing” served upon Respondent on May 22, 2012, by hand delivery, U.S. Mail and FedEx Overnight delivery, to him at his address of record with the Board at 245 Palisades Drive, Morgantown, West Virginia 26508, and via email at tamergabermd@gmail.com.

The noticed hearing was convened on June 2, 2012, by Hearing Examiner Carole A. Bloom, in the Conference Room at the Board Offices at 101 Dee Drive, Charleston, West Virginia. Dr. Gaber was not present in person, by his counsel or other representative, and did not

appear or participate in the hearing. The Board was represented at the hearing by a quorum of the Board, by its Executive Director, Robert C. Knittle, and by its Disciplinary Counsel, Rebecca L. Stepto. The Board introduced twenty one (21) exhibits and called as its witnesses Robert C. Knittle and Leslie A. Inghram. A stenographic record of the hearing was prepared and Hearing Examiner Bloom filed her "Hearing Examiner's Recommended Findings of Fact, Conclusions of Law and Recommended Decision" (hereinafter "Recommended Decision") on June 5, 2012.

The stenographic record of the hearing and the hearing exhibits were provided to Board members on June 4, 2012, and the Hearing Examiner's Recommended Decision was provided to Board members for their individual consideration on June 5, 2012, prior to the Board's scheduled special meeting on June 6, 2012. At the June 6, 2012, meeting, at which a quorum of the Board was present and voting, the Board thoroughly considered all this information. Dr. Moreland was present in person. Drs. Cain, Faheem, Hasan, Jimenez, Nanners and Dr. Swinker, and Reverend Bowyer, Ms. Hays and Mr. Wright all participated by telephone. The Board members present by unanimous vote reached a decision. Drs. Arnold, Ferrebee, and Wazir, and Ms. Henderson did not participate or vote in this matter by virtue of their positions as members of the Complaint Committee during the period when the subject matter was before the Complaint Committee. Dr. Funk was absent.

The Board adopts the Recommended Decision of the Hearing Examiner, attached hereto and incorporated herein, as follows:

In Conclusion of Law 5, after "11 C.S.R. 3-11.5(c)." is stricken as noted above, inserted in lieu thereof is "West Virginia Code § 30-3-14(h)."

In Conclusion of Law 15, "§ 30-3-14(c)(20)" is stricken in the second to last line as Dr. Gaber was never charged with a violation of West Virginia Code § 30-3-14(c)(20): "professional incompetence."

Conclusions of Law 13 through 15 are renumbered 12 through 14.

ISSUE

FINDINGS OF FACTS

1. Tamer Mohamed Gaber, M.D., currently holds an active license, No. 24645, to practice medicine and surgery in West Virginia. Dr. Gaber was granted a temporary license by the Board on September 27, 2011, and a permanent license was issued on November 14, 2011. His address of record is 245 Palisades Drive, Morgantown, West Virginia, 26505. At the time of licensure, Dr. Gaber also held licenses to practice medicine in Maryland and California. *Petitioner's Exhibit No. 1; Transcript at 12-14.*
2. At the time of his licensure in West Virginia, Dr. Gaber worked for West Virginia

University Hospitals [WVUH] and West Virginia University [WVU] School of Medicine as a Fellow in Child and Adolescent Psychiatry in Morgantown, West Virginia. Additionally, Dr. Gaber worked as a sub-contracting Psychiatrist for Appalachian Behavioral Health Center in Cumberland, Maryland, from approximately August, 2010, to September, 2011. *Petitioner's Exhibits 1, 11, 20; Transcript at 16, 43-45, 78-79.*

3. By letter dated December 20, 2011, Niti Armistead, M.D., WVUH Vice President of Medical Staff Affairs and James M. Stevenson, M.D., WVU School of Medicine Chairman of Behavioral Medicine & Psychiatry, notified the Executive Director of the Board, Robert C. Knittle, that Dr. Gaber's employment at WVUH/WVU School of Medicine had been terminated on December 15, 2011, due to Dr. Gaber's aberrant behavior, including sudden absences, unexplained absences, missed deadlines, memory lapses, confusion, disorientation, agitation, delusions, paranoia and an inability to perform the essential duties of a physician, which behavior "had the potential to adversely affect patients." On November 11, 2011, Dr. Gaber had been suspended and advised by WVUH/WVU School of Medicine that due to his aberrant behavior, Dr. Gaber could not return to his duties unless and until he voluntarily admitted himself to an inpatient treatment program, enrolled in the West Virginia Medical Professionals Health Program, and completed repeat fitness for duty evaluations. Instead of voluntarily committing himself to an inpatient treatment program, Dr. Gaber went on vacation out of the country, causing WVUH/WVU School of Medicine to terminate Dr. Gaber's employment and to report to the Board Dr. Gaber's situation and condition. *Petitioner's Exhibit 2; Transcript at 14-18.*

4. The Complaint Committee of the Board of Medicine initiated a Complaint against Dr. Gaber on January 8, 2012, alleging that Dr. Gaber's behaviors, as described in the letter from Drs. Armistead and Stevenson, place Dr. Gaber's patients at harm and are in violation of West Virginia law. The Board mailed the Initiated Complaint to Dr. Gaber at his address of record with the Board via certified mail on January 9, 2012, and on January 27, 2012. Both mailings were returned by the U.S. Postal Service as "Not Deliverable as Addressed; Unable to Forward." *Petitioner's Exhibits 1, 3, 4; Transcript at 19-22.*
5. On January 26, 2012, the Board's Supervisor of Investigation and Complaints and Investigator, Leslie A. Inghram [Investigator Inghram], contacted Dr. Gaber by e-mail in an attempt to ascertain his current mailing address. Dr. Gaber replied by e-mail that the Board should address any concerns to his address on file. *Petitioner's Exhibit 10; Transcript at 37, 42.*
6. Dr. Gaber did not respond to the allegations set forth in the Initiated Complaint. *Transcript at 22.*
7. On March 21, 2012, the Board issued a Subpoena to Dr. Gaber which summoned and commanded him to appear for an informal meeting with the Board's Complaint Committee at the Board's offices on Sunday, May 20, 2012, at 1:30 p.m. On March 27, 2012, at 12:10 p.m., Investigator Inghram served Dr. Gaber at his home in Morgantown with the Initiated Complaint and the Subpoena to appear. *Petitioner's Exhibits 5, 12; Transcript at 22-24, 49-52.*
8. Dr. Gaber did not appear pursuant to Board Subpoena for the May 20, 2012, meeting with the Complaint Committee. *Petitioner's Exhibits 5, 12; Transcript at 24.*

9. Simultaneous to the issuance of the Initiated Complaint, the Board's Complaint Committee authorized the Board's staff to conduct an investigation into this matter. As part of that investigation, Investigator Inghram conducted interviews with certain of Dr. Gaber's former co-workers, friends and family members in March, 2012. Additionally, certain e-mails and letters written by Dr. Gaber to friends and family were forwarded to the Board. *Petitioner's Exhibits 11-14; Transcript at 45-46.*
10. Dr. Gaber's [REDACTED], report that Dr. Gaber has been acting oddly and irrationally for approximately one year and that several family members have attempted to convince Dr. Gaber to seek medical attention. Dr. Gaber accuses family members of working for the CIA or FBI. Dr. Gaber believes that [REDACTED] and former co-workers have "sold his brain" for experimentation. [REDACTED] have expressed to the Board their grave concerns for Dr. Gaber's safety due to his condition. *Petitioner's Exhibits 13, 14; Transcript at 45-46.*
11. [REDACTED], owner of [REDACTED] formerly had a professional and personal relationship with Dr. Gaber. [REDACTED] reports that during professional and personal meetings with Dr. Gaber, he has exhibited delusional behavior, paranoia, agitation, disorientation and confusion. [REDACTED] believes that Dr. Gaber is highly unstable and fears for his safety. *Petitioner's Exhibit 11; Transcript at 43-47.*
12. On March 8, 2012, Dr. Gaber wrote a letter to the Assistant Secretary of Defense on Intelligence Oversight. Dr. Gaber forwarded copies of that letter to [REDACTED] and to the FBI and CIA. Dr. Gaber's letter states that he has been "a victim of

psychotronic torture" by a government military team called "Phoenix" which uses "psychotronic devices" located at his home, at Appalachian Behavioral Health Center, at Chestnut Ridge Hospitals and at Ruby Memorial Hospital in Morgantown. *Petitioner's Exhibits 11 and 13; Transcript at 47-48.*

13. Since approximately August, 2011, Dr. Gaber has reported to family members and to co-workers that he is being tortured or controlled though "psychotronic" means, that co-workers and family members are attempting to discredit him or "sell his brain" and that he has built a "Faraday Cage" at his residence in order to block the low frequency waves used in "psychotronic" mind-control. *Petitioner's Exhibits 10, 11, 12, 13, 14, 21; Transcript at 45-48, 52-61.*
14. The Board received notice on May 11, 2012, through a Board Action Disciplinary Alert Report, that the State of Maryland had suspended Dr. Gaber's license to practice medicine in Maryland on April 20, 2012, based upon an "immediate danger to the public health, safety or welfare." *Petitioner's Exhibit 6; Transcript at 25-27, 45-48.*
15. Subsequently, the West Virginia Board of Medicine obtained a copy of the Maryland Board's Order for Summary Suspension of License to Practice Medicine dated April 20, 2012, which suspended Dr. Gaber's license to practice medicine based upon a psychologist's evaluation and opinions regarding Dr. Gaber's fitness to practice medicine. The Order scheduled a post-deprivation hearing for April 25, 2012. Dr. Gaber did not attend the April 25, 2012, hearing to show cause why the summary suspension should not be continued. On April 27, 2012, Dr. Gaber was notified by the Maryland Board that he had a right to a subsequent full evidentiary hearing

before an Administrative Law Judge, upon timely request. Dr. Gaber did not file such request for hearing. Consequently, the Maryland Board reported Dr. Gaber's Suspension to the Federation of State Medical Boards in a Board Action Disciplinary Report on or about May 10, 2012. *Petitioner's Exhibits 6, 7 and 8; Transcript at 27-33.*

16. As a result of information contained in the Maryland Board's April 20, 2012, Order for Summary Suspension of License to Practice Medicine, the West Virginia Board, on May 11, 2012, issued Subpoenas Duces Tecum to WVUH and to the WVU School of Medicine requesting production of personnel and other documents relating to Dr. Gaber's employment and his suspension of clinical privileges with WVUH and/or WVU School of Medicine. *Petitioner's Exhibits 7, 15 and 16; Transcript at 29-30, 62-63.*
17. WVUH responded to the Subpoena Duces Tecum on May 16, 2012, and produced documents, including the quality assurance file, regarding Dr. Gaber. WVU School of Medicine, through counsel, responded to the Subpoena Duces Tecum on May 17, 2012, and produced documents regarding Dr. Gaber, including fitness for duty evaluations and correspondence regarding Dr. Gaber's fitness for duty and/or privileges. *Petitioner's Exhibits 17, 18, 19, 20 and 21; Testimony of 64-65.*
18. The documents produced by WVUH and by WVU School of Medicine pursuant to subpoena demonstrate that in August, 2011, Dr. Gaber's co-workers reported to WVUH and/or WVU Medical School officials that Dr. Gaber was displaying abnormal or aberrant behavior at work, causing co-workers to suspect that Dr. Gaber was abusing drugs. *Petitioner's Exhibit 18, 21; Transcript at 65-68.*

19. As a result of such reports, Dr. Stevenson referred Dr. Gaber to [REDACTED] the WVU Faculty and Staff Assistance Program for a fitness for duty evaluation. Dr. Gaber was agitated and "significantly distracted" during an August 4, 2011, interview with [REDACTED]. Dr. Gaber admitted to using prescribed medication for Attention Deficit Hyperactivity Disorder [ADHD] but denied drug abuse. [REDACTED] reported concern regarding Dr. Gaber's ability to concentrate on his work, opined that Dr. Gaber's emotional state "may impair his judgment," and recommended that Dr. Gaber provide medical records substantiating his ADHD diagnosis and treatment history, that Dr. Gaber submit to random drug screening and that Dr. Gaber attend follow-up counseling. *Petitioner's Exhibit 18, 21; Transcript at 73-76.*

20. Dr. Gaber was subsequently referred by Dr. Stevenson for a formal fitness for duty evaluation to be conducted by [REDACTED], Licensed Psychologist. Such evaluation was performed on October 17-18, 2011. [REDACTED] October 31, 2011, report identifies Dr. Gaber's diagnoses as: Amphetamine Abuse or Dependence, Delusional Disorder, Persecutory Type and Narcissistic Personality Features. [REDACTED] report makes the following recommendations: (1) that Dr. Gaber be titrated off Vyvanse and other medications he is abusing in a detoxification unit or crisis center; (2) that organic origins of his illness such as drug use or tumors must be ruled out; (3) that a psychiatrist should evaluate whether or not anti-psychotic medication is necessary for his treatment; (4) that because Dr. Gaber has no insight into his mental illness, is well-defended psychologically and is not open to interventions, Dr. Gaber must continue in long-term therapy in order to assist him in

becoming more "reality based;" and (5) that Dr. Gaber should be considered for the impaired physician's program until he is medically cleared. [REDACTED] risk assessment states that Dr. Gaber is an "individual at heightened risk and therefore should not treat patients at this time." Although Dr. Gaber did not, at the time of interview, appear to be at imminent risk of violence, [REDACTED] found that due to the persecutory nature of his mental illness, Dr. Gaber is at risk to retaliate against those whom he believes have contributed to his current difficulties. Additionally, [REDACTED] opines that Dr. Gaber's narcissistic traits may negatively impact his ability to adapt to required treatment. *Petitioner's Exhibit 19; Transcript at 66-73.*

21. By letter on October 17, 2011, Dr. Stevenson notified Dr. Gaber of the following information: (1) that Dr. Gaber was suspended without pay from employment with West Virginia University; (2) that the Department of Behavioral Medicine at WVU had on-going serious concerns regarding Dr. Gaber's safety and the safety of others around him, as well as his behavior and work performance; and (3) that due to Dr. Gaber's failure to permit the agreed voluntary commitment following a mental hygiene hearing held on October 15, 2011, Dr. Stevenson was concurrently filing a "second petition for [Dr. Gaber's] involuntary commitment with the Mental Health Commissioner." *Petitioner's Exhibit 19; Transcript at 77-78.*
22. On October 19, 2011, Dr. Stevenson notified [REDACTED] at [REDACTED] [REDACTED] that Dr. Gaber's moonlighting privileges had been suspended. *Petitioner's Exhibit 20; Transcript at 78-79.*
23. On May 21, 2012, the Board found that probable cause exists to substantiate charges of disqualification due to unprofessional conduct and the inability to

practice medicine with reasonable skill and safety to patients by reason of any physical or mental abnormality; and that Dr. Gaber's continued practice or unrestricted practice of medicine and surgery in the State of West Virginia constitutes an immediate danger to the public; and issued an Order of Summary Suspension of License to Practice Medicine and Surgery and Notice of Hearing. Such Order and Notice were personally served by Investigator Inghram upon Dr. Gaber at his residence on May 22, 2012 at 10:45 a.m. *Petitioner's Exhibit 9; Transcript at 33-35.*

24. Dr. Gaber continues to live in West Virginia. *Transcript at 50-52.*

25. Dr. Gaber is impaired due to mental illness. *Petitioner's Exhibits 9, 10, 11, 12, 13, 14, 17, 18, 19, 21.*

CONCLUSIONS OF LAW

Based on the foregoing Findings of Facts, I conclude, as a matter of law:

1. West Virginia Code Section 30-3-1 *et seq.* provides the West Virginia Board with the authority to issue licenses to practice medicine and surgery in this state and with the authority to act as the regulatory and disciplinary body for the practice of medicine in this state. WEST VIRGINIA CODE § 30-3-5 (2010).
2. The West Virginia Board of Medicine is authorized to establish regulations necessary to carry out the purposes of the West Virginia Medical Practice Act. WEST VIRGINIA CODE § 30-3-7 (2009). See 11 C.S.R. 1A-1 *et seq.*
3. Pursuant to regulation, the Board may designate a hearing examiner to conduct hearings. The undersigned hearing examiner is a licensed attorney and was so designated in this case by the Board. Such hearing was conducted pursuant to

West Virginia Code and the West Virginia Board of Medicine Legislative Rules.
WEST VIRGINIA CODE § 29A-5-1 *et seq.*; 11 C.S.R. 1-1A-14; 11 C.S.R. 3-11 *et seq.*

4. The West Virginia Board of Medicine has jurisdiction over the matter of the medical licensure of the Respondent, Dr. Tamer Gaber, M.D. WEST VIRGINIA CODE § 30-3-7.
5. At hearing, the rules of evidence as applied in civil cases in the circuit courts of this State were followed. 11 C.S.R. 3-11.5 (c). All exhibits entered into evidence at hearing are authentic and valid and were admitted with the proper evidentiary foundation.
6. Clear and convincing proof is necessary for actions taken by the Board of Medicine concerning physician licensing. Webb v. West Virginia Board of Medicine, 569 S.E.2d 225, 231-2 (W.Va. 2002). The West Virginia Supreme Court defines clear and convincing proof as that measure or degree of proof which produces in the mind of the trier of fact a firm belief or conviction as to the allegations sought to be established. Webb v. West Virginia Board of Medicine, 569 S.E.2d at 232 (citing Wheeling Dollar Savings & Trust Co. v. Singer, 162 W.Va. 502, 510, 250 S.E.2d 369, 374 (1978) (quoting Cross v. Ledford, 161 Ohio St., 469, 477, 120 N.E. 2d 188,123 (1954)); accord In re Carol B., 209 W.Va. 658, 667, 550 S.E.2d 636, 645 (2001).
7. Credibility is determined by the hearing examiner in administrative cases, based upon thorough evaluation of witness testimony. Webb v. West Virginia Board of Medicine, 569 S.E.2d at 232; Maxey v. McDowell Co. Bd. of Ed., 212 W.Va.

668, 575 S.E. 2d 278, Syl. Pt. 3 (2002). The hearing examiner is uniquely situated to make such determination and such determinations are binding unless such determinations are without basis in the record. Webb v. West Virginia Board of Medicine, 569 S.E.2d at 232; Martin v. Randolph County Bd. of Education, 195 W.Va. 297, 465 S.E. 2d 399, 406 (1995); Michael D.C. v. Wanda L.C., 201 W.Va. 381, 497 S.E.2d 531, 538 (1997). Credibility determinations may be based upon many factors, including the following: the general demeanor and comporment of the witness at hearing; the bias or interest of the witness; the consistency or inconsistency of the statements of the witness; the witness's ability and acuteness to observe; the memory of the witness; the reputation for honesty of the witness; and other factors which tend to cause the trier of fact to believe or disbelieve the testimony of the witness. Cleckley, Franklin D., Handbook on Evidence for West Virginia Lawyers, "Evaluation of Credibility" § 6-7(B); State v. Richie, 298 S.E.2d 879 (W.Va. 1982); State v. Rygh, 524 S.E.2d 447 (W.Va. 1999); State v. Brown, 179 S.E.2d 609 (W.Va. 1988); Cahill v. Mercer County Board of Education, 208 W.Va. 177, 539 S.E.2d 437, Syl. Pt. 1 (2000). The hearing examiner finds the testimony of the witnesses at hearing to be credible. Any inconsistency with the foregoing findings of fact or with the testimony of the other credible witnesses was not a result of any deliberate untruthfulness or bias. Rather, any inconsistency was a result of a difference of opinion, lack of knowledge, misperception or misrecollection.

8. It is the purpose of the West Virginia Medical Practice Act to provide for the

licensure and discipline of physicians and to provide a professional environment which encourages the delivery of quality medical services within this state. WEST VIRGINIA CODE § 30-3-2; Vest v. Cobb, 76 S.E.2d 885 (W.Va. 1953); See also State ex rel. Hoover v. Smith, 198 W. Va. 507, 482 S.E.2d 124 (1996).

9. The West Virginia Medical Practice Act and the Board of Medicine Legislative Rules mandate that the West Virginia Board of Medicine protect the public interest, safety, health and welfare. WEST VIRGINIA CODE §30-3-1 *et seq*; 11 C.S.R. 1A-1 *et seq*. (2007).
10. Where an imminent danger to the public safety, health or welfare exists, the Board may summarily suspend a physician's license. WEST VIRGINIA CODE § 30-3-14 (a), (c) (21) and (k). Pursuant to West Virginia Code and the Board's Legislative Rules, the West Virginia Board of Medicine, having found probable cause to determine that Respondent's continued practice of medicine in the state constitutes an imminent danger to the public safety, health or welfare, properly ordered a summary suspension of Respondent's license to practice medicine and surgery in West Virginia on May 21, 2012, and simultaneously properly notified Respondent of an evidentiary hearing to be held in this matter on June 2, 2012. WEST VIRGINIA CODE § 30-3-14 (a), (c) 21, (j), (k); 11 C.S.R. 3-10-16.
11. The West Virginia Board of Medicine may revoke, suspend or otherwise limit a medical license if a physician is unqualified as a result of violating a provision of the West Virginia Medical Practice Act or the Board's Legislative Rules or an Order of the West Virginia Board of Medicine or failure to comply with a

subpoena or subpoena duces tecum issued by the Board. WEST VIRGINIA CODE § 30-3-14 (c) (17).

12. The West Virginia Board of Medicine has proven by clear and convincing evidence that Respondent failed to appear before the Complaint Committee on May 20, 2012, pursuant to valid and properly served subpoena, in violation of West Virginia Code. WEST VIRGINIA CODE § 30-3-14 (c) (17).
13. The West Virginia Board of Medicine may revoke, suspend or otherwise limit a medical license if a physician has engaged in professional incompetence or has displayed the inability to practice medicine and surgery with reasonable skill and safety due to physical or mental impairment, including deterioration through the aging process, loss of motor skill or abuse of drugs or alcohol. WEST VIRGINIA CODE § 30-3-14 (c) (20) and (21); 11 C.S.R. 1A-12.1 (h), (i), (j).
14. The West Virginia Board of Medicine has proven by clear and convincing evidence that Respondent has engaged in professional incompetence or has displayed the inability to practice medicine and surgery with reasonable skill and safety for patients due to Respondent's mental impairment. WEST VIRGINIA CODE § 30-3-14 (c) (20) and (21); 11 C.S.R. 1A-12.1 (h), (i), (j).
15. The West Virginia Board of Medicine has proven by clear and convincing evidence that the continued licensing of Respondent to practice medicine and surgery in the State of West Virginia presents an immediate and continuing danger to the public due to Respondent's mental impairment. West Virginia Code § 30-3-1 *et seq.*, § 30-3-14 (a); § 30-3-14 (c) (17); § 30-3-14(c) (20); § 30-3-14(c) (21); 11 CSR 1A-12.1 (h), (i), (j); 11 CSR 3-10.16.

RECOMMENDED DECISION

Based upon the foregoing Findings of Fact and Conclusions of Law, the Hearing Examiner **RESPECTFULLY RECOMMENDS** that the West Virginia Board of Medicine find that Respondent violated West Virginia Code and the Board of Medicine Legislative Rules as set forth herein; and, **FURTHER**, that the Board find that it is proper and in the public interest, health, welfare and safety to **REVOKE** Respondent's license to practice medicine and surgery in West Virginia; and **FURTHER**, that the Board shall take such steps as may be necessary to properly redact information, if any, contained in the transcript and exhibits in this matter and/or in this Recommended Decision, pursuant to West Virginia Code, prior to publication of such information.

PROCEDURAL HISTORY

This matter was initiated by a Complaint and Notice of Hearing entered on December 14, 2011, setting hearing for March 2, 2012, at 9:00 a.m. Attempts were made to personally serve the Complaint and Notice of Hearing by hand delivery to Respondent's address of record in Parkersburg, West Virginia, and additional attempted service at four additional addresses obtained by the Board. FINDINGS OF FACT

1. Larry James Godfrey ["Dr. Godfrey"] the Respondent, holds an active license to practice medicine and surgery in the State of West Virginia. His license, No. 22722, was initially issued by the West Virginia Board of Medicine ["Board"] in 2007. His address of record with the Board is 1707 Market Street, Suite A, Parkersburg, West Virginia 26101. [Tr. at pp. 8-9; Petitioner's Exhibit No. 1]
2. Dr. Godfrey was one of 100 physicians included in a random audit by the Board to determine whether he had written documentation of his completion of fifty (50) hours of continuing medical education ["CME"] for the period from July 1, 2008, and June 30, 2010. Thirty (30) of the CME hours were required to be in the physicians' self-designated areas of specialty, and two (2) hours were required to be on the subject of "end-of-life care including pain management." [Tr. at pp. 10-12; Petitioner's Exhibit No. 3]
3. Dr. Godfrey submitted an Application for Renewal of License to Practice Medicine and Surgery in the State of West Virginia ["Application"] on June 30, 2010. [Petitioner's Exhibit No. 2; Tr. at pp. 12-13]
4. On the Application, Dr. Godfrey listed his primary specialty as Anatomic/Clinical Pathology and his secondary specialty as aerospace medicine.

5. The Application requests that Dr. Godfrey "certify that during the preceding two-year period, July 1, 2008, to June 30, 2010, I have successfully completed a minimum of fifty (50) hours of continuing medical education satisfactory to the Board, as described in 11 CSR 6 2.1 and 11 CSR 6 2.2." [Petitioner's Exhibit No. 2; Tr. at pp. 16-17]

6. In response to the request set forth in the immediately preceding paragraph, Dr. Godfrey indicated that "I have met the requirements." [Petitioner's Exhibit No. 2; Tr. at pp. 16-17]

7. The Application also requests that Dr. Godfrey "certify that since 2001, I have completed a minimum of two (2) hours of continuing education coursework in the subject of end-of-life care including pain management, as described in West Virginia Code § 30-1-7a." [Petitioner's Exhibit No. 2; Tr. at pp. 16-17]

8. In response to the request set forth in the immediately preceding paragraph, Dr. Godfrey indicated that "I have met the requirements." [Petitioner's Exhibit No. 2; Tr. at pp. 16-17]

9. The Application includes the following statement immediately below the requests set forth in paragraphs numbered 5 and 7 herein: "I understand that any license issued from this application is based on the truth of these statements, and that should I furnish any false information in this application, such act constitutes good cause for the revocation of my license to practice medicine in the State of West Virginia." [Petitioner's Exhibit No. 2; Tr. at pp. 14-15]

10. On the Application, in all capital letters and in boldfaced print, the following warning appears immediately above the requests set forth in paragraphs numbered 5 and 7 herein: "<<A FALSE OR FRAUDULENT ANSWER TO THE FOLLOWING CERTIFICATION MAY RESULT IN LICENSURE REVOCATION>>" [Petitioner's Exhibit No. 2; Tr. at pp. 14-15]

11. The Application also includes the following warning that a physician completing it may be the subject of an audit regarding his/her representations regarding the completion of continuing medical education requirements: "You may be audited! A sample number of physicians will be audited for the purpose of documenting continuing medical education hours. If audited, you will be required to provide proof by submitting written confirmation of your completion of required continuing medical education." [Petitioner's Exhibit No. 2; Tr. at p. 16]

12. The Application sets forth the requirements for continuing medical education from 11 CSR 6 2.1 and 2.2 and from West Virginia Code § 30-1-7a. [Petitioner's Exhibit No. 2; Tr. at p. 15]

13. On January 5, 2011, the Board's Executive Director, Robert Knittle, sent a letter to Dr. Godfrey at his address of record with the Board (1707 Market Street, Suite A, Parkersburg, West Virginia 26101) informing him that his name had been selected in a random audit for written documentation of his continuing medical education hours. [Petitioner's Exhibit No. 3; Tr. at pp. 17-18]

14. The letter was sent to Dr. Godfrey via Certified Mail, return receipt requested. The return request receipt was returned to the Board with the notation "RETURN TO SENDER. INSUFFICIENT ADDRESS. UNABLE TO FORWARD" and a date of "1/14/11" stamped on the envelope containing the January 5, 2011, letter. [Petitioner's Exhibit No. 3; Tr. at pp. 17-18]

15. The January 5, 2011, letter was subsequently also sent to Dr. Godfrey in care of St. Joseph's Hospital, 1824 Murdock Avenue, Parkersburg, West Virginia 26102, which is the primary work location address which he provided to the Board. [Petitioner's Exhibit Nos. 1 and 3; Tr. at pp. 19-20, 56-57]

16. The January 5, 2011, letter was subsequently also sent to Dr. Godfrey at 401 Shatto Drive, Carlisle, PA 17013, which is an address which Dr. Godfrey previously had provided to the Board. [Petitioner's Exhibit Nos. 1 and 3; Tr. at pp. 20, 57]

17. Jennifer Wilson, Administrative Director of St. Joseph's Hospital Laboratory, wrote the Board a letter on January 25, 2011, stating that Dr. Godfrey "is no longer affiliated with St. Joseph's Hospital Laboratory. His relationship with St. Joseph's ended on 01-31-10. We have no further knowledge of him or know of a location at which he can be reached. Please delete this address from your records for Dr. Godfrey." [Petitioner's Exhibit No. 4; Tr. at p. 21]

18. Mr. Knittle sent a letter to Dr. Godfrey on March 11, 2011, asking him to respond to the January 5, 2011, letter regarding the CME audit. The letter was sent to the

Carlisle, PA, address via Certified Mail and requested Dr. Godfrey to "submit the requested information within ten (10) days of receipt of this letter in order to avoid review by the Complaint Committee." [Petitioner's Exhibit No. 5; Tr. at pp. 22-23]

19. Dr. Godfrey did not respond to the March 11, 2011, letter. [Tr. at pp. 22-23]

20. The Complaint Committee of the Board of Medicine initiated a complaint against Dr. Godfrey on May 16, 2011, alleging that he "is deficient in the amount of fifty (50) hours of Continuing Medical Education ("CME") coursework, for the period between July 1, 2008, and June 30, 2010. Dr. Godfrey represented to the West Virginia Board of Medicine ("Board") on his licensure renewal application form submitted to the Board on 6/30/10, that he had completed the required number of hours of CME coursework, including two (2) hours of CME coursework in the subject of end-of-life care, including pain management, as described in West Virginia Code § 30-1-7a, which form he submitted to the Board to obtain licensure renewal for the period from July 1, 2010 to June 30, 2012." The initiated complaint further alleges that "it appears that Dr. Godfrey is in violation of: (1) West Virginia Code §30-3-14 (c)(17) and 11 CSR 1A 12.1 (e) and (j), relating to unprofessional conduct; and (2) West Virginia Code §30-3-14 (c)(1) and (17), 11 CSR 1A 12.1 (a) and 11 CSR 6 4.2 and 4.4, relating to the renewal of a license to practice medicine and surgery by making a false statement in connection with a licensure application." [Petitioner's Exhibit No. 6; Tr. at pp. 23-25]

21. The initiated complaint was mailed to Dr. Godfrey at the Carlisle, PA, address via Certified Mail on May 16, 2011, with a cover letter requesting a written response from him within thirty (30) days. [Petitioner's Exhibit No. 7; Tr. at pp. 25-26]

22. The May 16, 2011, letter was delivered at 1:39 p.m. on May 18, 2011, to an unknown individual at the Carlisle address. [Petitioner's Exhibit No. 7; Tr. at pp. 25-26]

23. The Board's investigator, Leslie Inghram, obtained an email address for Dr. Godfrey, Ig45125gmail.com, from his ex-wife. [Petitioner's Exhibit No. 21; Tr. at pp. 26-27, 58-60]

24. Ms. Inghram sent Dr. Godfrey an email on July 20, 2011, asking him to contact her concerning an urgent matter. [Tr. at pp. 59-60]

25. Dr. Godfrey responded to Ms. Inghram's email on July 21, 2011, and wrote "... I am sorry if you were contacting my home in PA. I have been out of the country for nearly a year and only get messages when my kids forward them periodically... As we speak I am heading for Africa and will be there for several days. What can I do for you?" [Petitioner's Exhibit No. 22, Tr. at pp. 60-61]

26. Ms. Inghram replied to Dr. Godfrey's email later in the day on July 21, 2011, and described the CME audit, the January 5, 2011, letter to him and the May 16, 2011, initiated complaint. She indicated in her email that if a response to the complaint was not received by July 29, 2011, he would be subpoenaed to appear before the Board's Complaint Committee. [Petitioner's Exhibit No. 22, Tr. at pp. 60-61]

27. Dr. Godfrey responded to Ms. Inghram's second email by stating that he had retired from practice in 2009, had not been in West Virginia since June 2010 and had been traveling overseas since the summer of 2010. He indicated that he understood "that these documents were sent to my PA address. That mail was in receipt of the renters in that house and has never been sent to me." He asked whether he could suspend his West Virginia license "until I can get back to address the documentation issue." [Petitioner's Exhibit No. 22; Tr. at pp. 61-62]

28. Neither of Dr. Godfrey's two emails to Ms. Inghram addressed the issue of whether he in fact had documentation to prove that he had taken 50 hours of CME credits, including two hour in end-of-life including pain management. [Tr. at pp. 62-63]

29. Heather Olcott, the Board's Disciplinary Counsel at the time, sent an email to Dr. Godfrey on August 1, 2011, indicating that his prior request to "suspend" his license is not an option available under the West Virginia Medical Practice Act. She indicated to him that it was in his best interest to respond to the initiated complaint in a timely fashion. She also attached additional copies of documents which had been previously mailed to his address of record. [Petitioner's Exhibit No. 8; Tr. at pp. 28-29]

30. Dr. Godfrey responded to Ms. Olcott's email on August 4, 2011. He wrote that he was not in the United States and would not be returning for some time. He indicated that "I intend to let my West Virginia license go inactive," that his current business is

international and that it does not involve medical practice in West Virginia. [Petitioner's Exhibit No. 8; Tr. at p. 30]

31. On September 16, 2011, Mr. Knittle sent a letter to Dr. Godfrey on behalf of the Board offering him an opportunity to resolve the initiated complaint against him by entering into a Consent Order in lieu of charges being filed in a Complaint and Notice of Hearing. [Petitioner's Exhibit No. 9; Tr. at pp. 29-30]

32. The letter to Dr. Godfrey enclosed a proposed Consent Order, and indicated that if the Board did not receive the executed Consent Order from him by October 1, 2011, counsel would file a Complaint and Notice of Hearing against him. [Petitioner's Exhibit No. 9; Tr. at p. 31]

33. The September 16, 2011, letter was sent to Dr. Godfrey's address of record with the Board in Parkersburg, West Virginia, via Certified Mail. The letter was returned to the Board on September 20, 2011, and the following was stamped on the envelope: "Returned to Sender. Not Deliverable As Addressed; Unable To Forward." [Petitioner's Exhibit No. 9; Tr. at pp. 31-32]

34. The proposed Consent Order provided for Dr. Godfrey's surrender of his license, No. 22722, to the Board. [Petitioner's Exhibit No. 9; Tr. at p. 31]

35. On September 20, 2011, Ms. Olcott sent another email to Dr. Godfrey which attached the September 16, 2011, letter and the proposed Consent Order. [Petitioner's Exhibit No. 10; Tr. at pp. 32-33]

36. On September 21, 2011, the Board sent a copy of the September 16, 2011, letter and proposed Consent Order to Dr. Godfrey at his Carlisle, PA, address. The copies were returned to the Board on October 25, 2011, after not having been delivered. [Petitioner's Exhibit No. 11; Tr. at pp. 37-39]

37. On September 29, 2011, a "Mr. Messick" sent an email from Dr. Godfrey's email address to Ms. Olcott stating that he is "legal advisor and Security Coordinator for the organization Dr. Godfrey currently serves." The email did not further identify "Mr. Messick" or the alleged organization. He indicated that he would be monitoring Dr. Godfrey's "non-secure email for vital issues" and that he "would propose we settle this by simply permitting Dr. Godfrey to let his INVa [sic] license lapse with assurance it will not be renewed without prejudice and without sullyng his reputation. This is an administrative issue and does not reflect on clinical skills. This situation is caused because Dr. Godfrey has been out of the country for an extended period and does not have easy access to documents." [Petitioner's Exhibit No. 10; Tr. at pp. 33-34]

38. "Mr. Messick's" email attached a "response for now" from Dr. Godfrey. In the Memorandum, Dr. Godfrey indicated that the issue with the Board "appears to be fully administrative in nature." He also wrote that "I must alert the Board that I am not going to renew my WV license nor will I ever return to the State to practice medicine. I wish to let that license lapse." The Memorandum does not contain a date or a signature. [Petitioner's Exhibit No: 10; Tr. at pp. 34-36]

39. Ms. Olcott responded to Mr. Messick's email on October 12, 2011, indicating that she could not communicate with him regarding this matter because the Board had not received a Letter of Representation stating that Mr. Messick is a licensed attorney in the State of West Virginia and that he is representing Dr. Godfrey personally. [Petitioner's Exhibit No. 10; Tr. at pp. 36-37]

40. The Board received no other emails or other correspondence from either Dr. Godfrey or Mr. Messick. [Tr. at p. 37]

41. On December 14, 2011, the Board issued a Complaint and Notice of Hearing against Dr. Godfrey based upon his failure to submit documentation of his completion of fifty (50) hours of continuing medical education coursework including two (2) hours in end-of-life care including pain management, and based upon his false certification that he had completed the required credits during the licensure period of July 1, 2008, to June 30, 2010. The Complaint and Notice of Hearing alleged that Dr. Godfrey had engaged in unprofessional conduct in violation of West Virginia Code § 30-3-14(c)(17) and 11 CSR 1A 12.1 (e) and (j) and had renewed a license to practice medicine and surgery by making a false statement and fraudulent misrepresentation in connection with a license application dated June 30, 2010, in violation of West Virginia Code § 30-3-14 (c)(17) and 11 CSR 1A 12.1(a) and 11 CSR 6 4.2 and 4.4. [Petitioner's Exhibit No. 12; Tr. at pp. 39-41]

42. Ms. Inghram attempted to personally serve Dr. Godfrey with the Complaint and Notice of Hearing by hand delivering a copy to Dr. Godfrey's address of record at 1707 Market Street, Suite A, Parkersburg, West Virginia, on December 14, 2011. [Tr. at pp. 63-64]

43. A woman who answered the door at 1707 Market Street, Suite A, Parkersburg, West Virginia, told Ms. Inghram that Dr. Godfrey did not live there, that she had never met him, and that she and her husband had bought the house from BB & T Bank through a foreclosure proceeding. [Tr. at pp. 63-64]

44. The building at 1707 Market Street, Suite A, Parkersburg, West Virginia, is a residential, large house with a detached garage containing an overhead room. It is not known whether Dr. Godfrey considered the house or the garage to be "Suite A." [Tr. at pp. 64-65]

45. The Board also attempted to serve Dr. Godfrey with the Complaint and Notice of Hearing by mailing copies, via Certified Mail, to four addresses which it had obtained for him. [Petitioner's Exhibit No. 12; Tr. at pp. 40]

46. The copy of the Complaint and Notice of Hearing sent to Dr. Godfrey at 1707 Market Street, Suite A, Parkersburg, West Virginia 26101 was returned as "RETURNED TO SENDER. Not Deliverable As Addressed; Unable To Forward." [Petitioner's Exhibit No. 13; Tr. at pp. 42-43]

47. Another copy of the Complaint and Notice of Hearing sent to Dr. Godfrey was returned with the handwritten notation: "Not at this address. No forwarding address. Return to sender." The Certificate of Service for the Complaint and Notice of Hearing indicates that

a copy was sent to him at St. Joseph's Hospital, 1824 Murdock Avenue, Parkersburg, West Virginia 26102-0327, and this apparently was the copy returned as undeliverable.

[Petitioner's Exhibit No. 14; Tr. at pp. 43-44]

48. The copy of the Complaint and Notice of Hearing sent to Dr. Godfrey at 401 Shatto Drive, Carlisle, PA 17013 was returned with the handwritten notation: "Dr. Godfrey does not live here." [Petitioner's Exhibit Nos. 12 and 15; Tr. at pp. 44-45]

49. The copy of the Complaint and Notice of Hearing sent to Dr. Godfrey at 4527 Gentrice Drive, Valrico, FL 33596-8455 was returned to the Board by his former wife, Charlotte Godfrey, who resides at that address. She sent an undated and unsigned letter to the Board indicating that she did not know Dr. Godfrey's address or phone number and she had no way to get the envelope to him. [Petitioner's Exhibit Nos. 12 and 16; Tr. at pp. 45-47]

50. The address of 4527 Gentrice Drive, Valrico, FL was obtained by Board Investigator Inghram through a Google Internet search. [Tr. at pp. 57-58]

51. The Complaint and Notice of Hearing was also sent to Dr. Godfrey's email address: 1q45125@amail.com. [Petitioner's Exhibit No. 12; Tr. at p. 40]

52. On December 30, 2011, Deborah Lewis Rodecker, General Counsel for the Board, sent a letter to the two potential hearing examiners and copied Dr. Godfrey on the letter at the same four mailing addresses and email address listed on the Certificate of Service for the Complaint and Notice. Dr. Godfrey did not acknowledge or respond to the letter. [Petitioner's Exhibit Nos. 12 and 17; Tr. at pp. 47-48]

53. On January 19, 2012, a letter was sent by Mr. Knittle to Dr. Godfrey, via Certified Mail, to his address of record and to the addresses in Valrico, Florida and Carlisle, Florida informing him that Jack C. McClung had been appointed as hearing examiner for his hearing. [Petitioner's Exhibit No. 18; Tr. at pp. 49-50]

54. The Board sent the Mandatory Disclosures by Petitioner West Virginia Board of Medicine, as required by West Virginia Code § 30-3-14(i), to Dr. Godfrey, via Certified Mail, to his address of record and to the addresses in Carlisle, PA, and Valrico, Florida, on January 19, 2012. [Petitioner's Exhibit No. 19; Tr. at pp. 50-52]

55. Dr. Godfrey did not acknowledge or respond to the Board's Mandatory Disclosures, and did not file any Disclosure. [Tr. at pp. 51-52]

56. On February 15, 2012, the Board's current Disciplinary Counsel, Rebecca Stepto, sent an email to Dr. Godfrey at the email address to which he had previously responded again informing him of the hearing and that the Board would seek revocation of his license. [Tr. at pp. 52-53]

57. Robert Knittle, the Board's Executive Director, was a credible witness and provided the foundation for the exhibits which were admitted into evidence.

58. All of the Petitioner's exhibits are documents which were kept in the ordinary course of the Petitioner's business. [Tr. at p. 53]

CONCLUSIONS OF LAW

1. Respondent Godfrey is a physician licensed in the State of West Virginia, and the West Virginia Board of Medicine is the agency of the State charged with the licensure and discipline of medical doctors. W. Va. Code § 30-3-1 et seq. and 11 C.S.R. 1A et seq.
2. Petitioner Board has jurisdiction over the subject matter and over the Respondent. W. Va. Code § 30-3-1 et seq.
3. Personal service of the Complaint and Notice of Hearing upon the Respondent was made in accordance with the requirements of West Virginia Code § 56-2-1.
4. The Petitioner bears the burden of proving the allegations in the Complaint and Notice of Hearing by clear and convincing evidence. West Virginia Code § 30-3-14(b) and *Webb v. West Virginia Board of Medicine*, 569 S.E.2d 225, 231 (W. Va. 2002).
5. The Board of Medicine's continuing medical education requirements are authorized and set forth in West Virginia Code §§ 30-3-7(a)(1), 30-3-12 and 30-1-7a; 11 C.S.R. 6 2.1 and 11 C.S.R. 6 2.2.
6. The Board may conduct such audits and investigations as it considers necessary to determine if licensees are complying with continuing medical education requirements and if licensees' statements made on the Board's renewal application forms regarding CMEs are accurate. 11 C.S.R. 6 4.1.

7. Licensees are required to provide supporting written documentation of the successful completion of continuing medical education within thirty (30) days of the Board's written request for such documentation. 11 C.S.R. 6 4.2.

8. The Board is authorized to discipline a physician for attempting to obtain or renew a license to practice medicine and surgery by fraudulent misrepresentation. W. Va. Code § 30-3-14(c)(1).

9. Failure or refusal of a licensee to provide written documentation requested by the Board is prima facie evidence of renewing a license by fraudulent misrepresentation. 11 C.S.R. 6 4.4.

10. The Board is authorized to discipline a physician for violating Chapter 30 or a rule or order of the Board or for failing to comply with a subpoena issued by the Board. W. Va. Code §30-3-14(c)(17) and 11 C.S.R. 1A 12.1 (bb)

11. In an administrative proceeding, credibility determinations by the trier of fact are "binding unless patently without basis in the record." The trier of fact is uniquely situated to make such determinations. *See Webb v. West Virginia Board of Medicine*, 569 S.E.2d 225, 232 (W. Va. 2002); *In re Queen*, 473 S.E.2d. 483, 490 (fn. 6) (W. Va. 1996).

12. Mr. Knittle's uncontroverted testimony is given great weight in this matter pursuant to Rule 704 of the West Virginia Rules of Evidence and the Board's standard practice and custom. *See West Virginia Board of Medicine v. David C. Shamblin, M.D.*, (1989); *West Virginia Board of Medicine v. Thomas J. Park, M.D.*, (1994); *West Virginia*

Frank Lenous Turner, D.P.M., (2004).

13. It has been clearly and convincingly demonstrated that Respondent failed to comply with the Board's requests for written documentation of successful completion of the continuing medical education requirements as more fully set forth in the Board's Complaint and Notice of Hearing. [Petitioner's Exhibit No. 12]

14. It has been clearly and convincingly demonstrated that the Respondent accordingly engaged in unprofessional conduct in violation of West Virginia Code § 30-3-14(c)(17) and 11 C.S.R. 1A 12.1 (e) and (j).

15. It has been clearly and convincingly demonstrated that the Respondent made an incorrect statement in connection with his license renewal application and obtained renewal of a license by fraudulent misrepresentation in violation of West Virginia Code § 30-3-14(c)(1) and (17), 11 C.S.R. 1A 12.1 and 11 C.S.R. 6 4.2 and 4.4.

16. Pursuant to West Virginia Code § 30-3-14 (j), the Board may enter an Order imposing disciplinary sanctions when, subsequent to notice and hearing, it is found that the physician has violated West Virginia Code § 30-3-14(c) and/or the rules promulgated pursuant to the Medical Practice Act.

17. The Board may revoke the license to practice medicine and surgery if it finds a licensee unqualified to practice medicine and surgery in the State of West Virginia. W. Va. Code § 30-3-14(j)(4).

18. In accordance with the foregoing Findings of Fact and Conclusions of Law and prior Orders of the Board in *West Virginia Board of Medicine v. Eric Kranz, M.D.*, (1988); *West Virginia Board of Medicine v. Clayton Linkous, M.D.*, (1991), and *West Virginia Board of Medicine v. Kin Siu Tam, M.D.*, (1991) relating to the revocation of licenses to practice medicine and surgery based upon false and/or fraudulent answers on license renewal applications, it is proper and necessary and in the public interest, health, welfare and safety (pursuant to West Virginia Code § 30-3-1) that the license to practice medicine and surgery in the State of West Virginia of Larry James Godfrey, M.D., be **REVOKED**.

PROPOSED ORDER

In accordance with the foregoing Findings of Fact and Conclusions of Law, it is proper and essential and in the public health, interest, welfare and safety that the license to practice as a physician in the State of West Virginia of Larry James Godfrey, M.D., be **REVOKED**, effective _____.

BEFORE THE WEST VIRGINIA BOARD OF MEDICINE

IN RE: CECIL CURTIS GRAHAM, M.D.

COMPLAINT NO. 09-156-W

COMPLAINT NO. 09-183-C

CONSENT ORDER

The West Virginia Board of Medicine ("Board") and Cecil Curtis Graham, M.D. ("Dr. Graham") freely and voluntarily enter into the following Order pursuant to West Virginia Code § 30-3-14, et seq.

FINDINGS OF FACT

1. Dr. Graham holds a license to practice medicine and surgery in the State of West Virginia, No. 14895, which was initially issued in 1986. Dr. Graham resides in Arizona.
2. In September 2009, the Board initiated a complaint against Dr. Graham which alleged unprofessional conduct, fraudulent representation in the practice of medicine and failure to perform a legal obligation placed upon a licensed physician.
3. In October, 2009, Dr. Graham filed a response to the initiated complaint.
4. In November 2009, the Board received a complaint from a patient alleging unethical or unprofessional conduct due to Dr. Graham allegedly failing to staff his clinic, The Know Pain Clinic, with a physician and abandoning the complainant/patient.
5. In January 2010, Dr. Graham filed a response to the November 2009 complaint and appeared for a full discussion of both complaints before the Complaint Committee of the Board.
6. The Board obtained a review of the complaints and Dr. Graham's responses by an independent medical doctor. On April 25, 2011, the reviewing physician submitted his

report, which concluded that Dr. Graham had not properly supervised physician extenders (Physician Assistants) at The Know Pain Clinic, had not personally evaluated the clinic's patients, had not assessed the patients to determine the appropriateness of prescribing controlled substances to them, and had not ensured that patient records met the standard of care for a practicing pain physician.

7. On June 24, 2011, Dr. Graham filed a response to the independent review and disagreed with the reviewer's opinions.

8. On September 9, 2011, the Board filed a Complaint and Notice of Hearing and the matter was set for hearing on February 28, 2012. On October 6, 2011, Dr. Graham filed an Answer to the Complaint and Notice of Hearing.

9. On February 15, 2012, the Board filed an Amended Complaint and Notice of Hearing, which re-scheduled the hearing for May 15, 2012. Dr. Graham filed an Answer to the Amended Complaint on February 20, 2012.

10. The Board has reviewed the two complaints at issue, Dr. Graham's responses, and the independent review in detail and has determined that the continued practice of medicine by Dr. Graham in the State of West Virginia, absent compliance with this Consent Order, could adversely affect the health and welfare of his patients and place the public at risk.

CONCLUSIONS OF LAW

1. The West Virginia Board of Medicine is mandated by the West Virginia Medical Practice Act to protect the public interest. West Virginia Code § 30-3-1.

2. Probable cause exists to substantiate charges against Dr. Graham pursuant to West Virginia Code §30-3-14(c)(17) and (19), 11 CSR 1A 12.1(j), and (o), and 11 CSR 1A 12.2(d), relating to unprofessional conduct and failure to perform a legal obligation placed upon a licensed physician.

3. The Board has determined that it is appropriate and in the public interest to enter into this Consent Order.

CONSENT

Cecil Curtis Graham, M.D., by affixing his signature hereon, agrees, solely and exclusively for purposes of this agreement, to entry of this Consent Order and to the following:

1. Dr. Graham acknowledges that he is fully aware that, without his consent herein, no permanent legal action may be taken against him except after a hearing held in accordance with West Virginia Code § 30-3-14(h) and §29A-5-1, *et seq.*;
2. Dr. Graham acknowledges that he has the following rights, among others: the right to a formal hearing before the West Virginia Board of Medicine, the right to reasonable notice of said hearing, the right to be represented by counsel at his own expense, the right to cross-examine witnesses against him, and the right to appeal under Chapter 29A of the West Virginia Code in the event a final order or decision adverse to him is entered;
3. Dr. Graham waives all rights to such a hearing;
4. Dr. Graham consents to the entry of this Consent Order relative to his practice of medicine in the State of West Virginia; and,

5. Dr. Graham understands that this Consent Order is considered public information, and that matters contained herein may be reported, as required by law, to the National Practitioner Data Bank and the Healthcare Integrity and Protection Data Bank.

ORDER

WHEREFORE, on the basis of the foregoing Findings of Fact and Conclusions of Law, and on the basis of the consent of Dr. Graham, the Board hereby **ORDERS** as follows:

1. Dr. Graham is hereby **PUBLICLY REPRIMANDED** for his unprofessional conduct and failure to perform a legal obligation placed upon a licensed physician.
2. Dr. Graham shall pay a **CIVIL FINE** in the amount of **\$5,000.00**, which fine shall be received by the Board with this Consent Order signed by Dr. Graham.
3. Dr. Graham's licensure status with the Board shall be allowed to automatically expire on June 30, 2012 as he now practices medicine in the State of Arizona.
4. Upon the Board's determination that Dr. Graham is in full compliance with the terms and conditions of this Consent Order, the Amended Complaint and Notice of Hearing against him shall be **DISMISSED** immediately.

The foregoing "Consent Order" of CECIL CURTIS GRAHAM, M.D., was:

Entered this 21st day of May 2012.

IN RE: NAIYER IMAM, M.D.

COMPLAINT NO. 11-147-M

CONSENT ORDER

The West Virginia Board of Medicine (“Board”) and Naiyer Imam, M.D., (“Dr. Imam”) freely and voluntarily enter into the following Consent Order pursuant to the provisions of W. Va. Code § 30-3-14, et seq.

FINDINGS OF FACT

1. Dr. Imam holds a license to practice medicine and surgery in the State of West Virginia. His license, No. 21859, was initially issued in 2005. Dr. Imam’s self-designated primary specialty is radiology and his address of record is in Roanoke, Virginia.
2. On September 9, 2011, the West Virginia Board of Medicine received notice through a Board Action Disciplinary Alert Report that Naiyer Imam, M.D., was disciplined by the Texas Medical Board. Dr. Imam also informed the West Virginia Board of Medicine of this action against him by letter dated September 15, 2011.
3. On August 26, 2011, Dr. Imam and the Texas Medical Board entered into an Agreed Order [“Texas Agreed Order”] in which Dr. Imam was required to pay an administrative penalty of \$2,000.00 and to complete eight (8) hours of continuing medical education for his failure to diagnose an aortic dissection which was later found by a second radiologist.

Agreed Order
Naiyer Imam, M.D.

4. The disciplinary action in Texas was based on a letter of concern issued by the North Carolina Medical Board, which had found that Dr. Imam had failed to meet the standard of care by improperly interpreting a computerized tomography scan, which resulted in his failure to appropriately diagnose the extent of a patient's thoracic aortic dissection.

5. The Texas Agreed Order concluded that it was authorized to take disciplinary action against Dr. Imam pursuant to Section 164.051(a)(6) of the Texas Medical Practice Act based upon his failure to practice medicine in an acceptable professional manner consistent with public health and welfare, as further specified by Board Rule 190.8(1)(A), failure to treat a patient according to the generally accepted standard of care, and Board Rule 190.8(1)(C), failure to use proper diligence in one's professional practice.

6. The Texas Agreed Order ordered Dr. Imam to successfully complete at least eight (8) hours of continuing medical education approved for Category I credits by the American Medical Association or by the American Osteopathic Association in the subject of radiologic evaluation of chest and aorta within one year.

7. The Texas Agreed Order also required Dr. Imam to pay an administrative penalty of \$2,000 within 60 days. It also ordered him to comply with all provisions of the Texas Medical Practice Act and other statutes regulating his practice. He was also ordered to cooperate with the Texas Board and others with respect to his compliance with the Agreed Order, and to inform the Board in writing of any change of address within 10 days of his address change.

8. On March 11, 2012, Dr. Imam appeared before the West Virginia Board of Medicine's Complaint Committee to discuss this matter.

9. The Board has reviewed this matter in detail and has determined that the continued practice of medicine by Dr. Imam in the State of West Virginia could adversely affect

Agreed Order
Naiyer Imam, M.D.

the health and welfare of his patients unless Dr. Imam fully complies with the provisions of this Consent Order.

CONCLUSIONS OF LAW

1. The Board has a mandate pursuant to the West Virginia Medical Practice Act to protect the public interest. W. Va. Code § 30-3-1.
2. Probable cause exists to substantiate charges against Dr. Imam for violations of the following provisions of the West Virginia Medical Practice Act and Rules of the Board: (1) West Virginia Code §30-3-14(c)(17) and 11 CSR 1A 12.1(j), relating to unprofessional conduct including a departure from the standards of acceptable and prevailing medical practice, and (2) West Virginia Code §30-3-14(c)(17) and 11 CSR 1A 12.1(g), by having his license acted against in another state.
3. The Board has further determined that, under the circumstances relating to the complaint and the Board's investigation thereof, it is appropriate and in the public interest to enter into this Consent Order with Dr. Imam in lieu of filing a Complaint and Notice of Hearing.

CONSENT

Naiyer Imam, M.D., by his signature below, agrees, solely and exclusively for purposes of this agreement, to the following:

1. Dr. Imam acknowledges that he is fully aware that, without his consent herein, no legal action may be taken against him or his license to practice medicine and surgery in the State of West Virginia unless a hearing is held in accordance with W. Va. Code § 30-3-14(h) and § 29A-5-1, et seq.

Dr. Imam further acknowledges that he has the following rights, among others: the right to a formal hearing before the Board, the right to reasonable notice of the hearing, the right to be represented at the hearing by counsel at his own expense, and the right to cross-examine witnesses against him at the hearing.
3. Dr. Imam waives all rights to a hearing.
4. Dr. Imam consents to the entry of this Consent Order relative to his practice of medicine and surgery in the State of West Virginia.
5. Dr. Imam understands that this Consent Order is considered public information, and that it may be reported, as required by law, to the National Practitioner Data Bank and the Healthcare Integrity and Protection Data Bank.

ORDER

WHEREFORE, based on the foregoing Findings of Fact and Conclusions of Law, and on the basis of the consent of Dr. Imam, the West Virginia Board of Medicine hereby **ORDERS** that Dr. Imam shall be subject to the following terms and conditions:

1. Dr. Imam is **PUBLICLY REPRIMANDED** for improperly interpreting a computerized tomography scan, which resulted in his failure to appropriately diagnose the extent of a patient's thoracic aortic dissection.
2. Within six (6) months following the entry of this Consent Order, Dr. Imam shall submit written documentation to the West Virginia Board substantiating his completion of eight (8) hours of continuing medical education credits ordered by the Texas Agreed Order on the subject of radiologic evaluation of chest and aorta.

Agreed Order
Naiyer Imam, M.D.

3. Dr. Imam shall provide evidence that he has complied with the remaining provisions of the Texas Agreed Order, including proof that he paid the administrative penalty in the amount of \$2,000.

WEST VIRGINIA BOARD OF MEDICINE,
Petitioner,

v.

PAUL EDWARD JACKSON, M.D.,
Respondent.

ORDER

This proceeding arises under the West Virginia Medical Practice Act, West Virginia Code §30-3-1, *et seq.* It is a proceeding involving the status of the license to practice medicine and surgery in the State of West Virginia of Paul Edward Jackson, M.D. The West Virginia Board of Medicine (hereinafter "Board" or "the Board") is the duly authorized state agency to oversee the practice of medicine and conduct physician disciplinary hearings pursuant to the provisions of West Virginia Code §30-3-5 and 11 CSR 1A *et seq.*

The Complaint Committee of the Board initiated a Complaint against Dr. Jackson dated November 7, 2010. On September 20, 2011, the Board offered Dr. Jackson a Consent Order to resolve the Complaint. On November 18, 2011, the Board issued a Complaint and Notice of Hearing, scheduling the hearing for February 7, 2012. On December 9, 2011, Executive Director Knittle sent a letter to Dr. Jackson informing him that as he had not selected a hearing examiner, Hearing Examiner Carole A. Lewis Bloom was appointed in the matter. On December 30, 2011, Board General Counsel filed a *Motion to Take Charges as Confessed* with Hearing Examiner Bloom, copying Dr. Jackson and, on January 17, 2012, the Hearing Examiner issued a

Recommended Decision granting the motion. Board Disciplinary Counsel moved to continue the February 7, 2012, hearing on this matter on the grounds that a hearing would not be necessary if the Board accepted the Hearing Examiner's *Recommended Decision* at its March 13, 2012 meeting and the Hearing Examiner granted the motion by *Order* dated February 6, 2012. Dr. Jackson sent a handwritten letter to the Board dated February 4, 2012, requesting a "delay of proceedings" for ninety (90) days as he had suffered some serious health issues. The Board then filed a *Motion to Set Aside the Hearing Examiner's Recommended Decision to Take the Charges as Confessed* and Hearing Examiner Bloom granted that motion by *Order* dated February 10, 2012. The Board served an *Amended Notice of Hearing* rescheduling the hearing for June 4, 2012, and the matter then came on for hearing on that date in the Hearing Room of the Board at 101 Dee Drive, Charleston, West Virginia. At the hearing, Petitioner was present by its Executive Director, Robert C. Knittle and represented by its Disciplinary Counsel, Rebecca L. Stepto. Respondent Paul Edward Jackson, M.D. was not present in person nor by counsel. At the hearing, the Board presented as witnesses Executive Director Knittle and Leslie Inghram and placed twenty-seven (27) exhibits in the record. The Board timely filed proposed findings of fact and conclusion of law and Hearing Examiner Bloom issued her *Recommended Decision* on August 24, 2012.

A stenographic record of the hearing was prepared pursuant to 11 CSR 3 12, and in accordance with 11 CSR 3 13, on August 8, 2012, this stenographic record of the hearing, all exhibits and all pleadings were provided to Board members other than those members comprising the Complaint Committee at the time of the Complaint Committee's finding of "probable cause" regarding Dr. Jackson, those members being Dr. Arnold, Attorney Henderson, Dr. Ferree and Dr. Wazir. On August 27, 2012, prior to the Board's regular meeting on September 10, 2012, and pursuant to 11 CSR 3 11.5(p), the *Recommended Findings of Fact, Conclusions of Law and Recommended Decision* of the Hearing Examiner was provided to all Board members other than the Complaint Committee members listed above. At the Board's regular meeting on September 10, 2012, where a quorum of the Board was present and voting, the Board thoroughly considered all this information, and in accordance with the legislative rules,

reached its decision. Dr. Arnold, Attorney Henderson, Dr. Ferrebee and Dr. Wazir did not participate or vote in this matter due to their membership on the Complaint Committee at the relevant time. Dr. Funk and Ms. Hays were absent. Reverend Bowyer presided.

HEARING EXAMINER'S RECOMMENDED FINDINGS OF FACT,
CONCLUSIONS OF LAW AND RECOMMENDED DECISION

PROCEDURAL HISTORY

This matter came on for hearing on June 4, 2012, in the Hearing Room of the Board of Medicine, 101 Dee Drive, Charleston, West Virginia, pursuant to the West Virginia Board of Medicine's Amended Notice of hearing dated February 10, 2012. The Respondent, Dr. Paul Jackson, neither appeared in person nor by counsel or other representative. See Transcript at 6-7. The Board of Medicine timely filed Proposed Findings of Fact and Conclusions of Law which are considered herein.

ISSUE

Whether or not the West Virginia Board of Medicine should revoke, suspend or otherwise limit the Respondent's medical license pursuant to the West Virginia Medical Practice Act and/or the Board of Medicine Legislative Rules because the Respondent's license to practice medicine has been revoked by another licensing authority due to a

finding that Respondent failed to meet the standard of care in treatment of patients.

FINDINGS OF FACT

1. Respondent, Paul Edward Jackson, M.D., has held an active license to practice medicine and surgery in West Virginia since 2005. Dr. Jackson's self-designated specialty with the Board is internal medicine. Dr. Jackson's address of record with

the Board is Route 1, Box 554, P.O. Box 407, Fort Gay, West Virginia 25514.
Transcript at 8-10; Petitioner's Exhibit 1.

2. The Complaint Committee of the Board of Medicine initiated a Complaint against Dr. Jackson on November 7, 2010. The complaint alleged that “[o]n or about June 28, 2010, Paul Edward Jackson, M.D., submitted an application for renewal of his permanent medical license and answered ‘YES’ to question 1 relating to a complaint filed by the Texas Medical Board regarding his care of two patients in February, 2007. Upon request of the West Virginia Board of Medicine (Board), the Texas Medical Board provided a copy of the complaint and notified the Board that a public hearing in this matter was held on September 20, 2010.” The West Virginia Board’s Initiated Complaint attached a copy of the Texas Medical Board’s Complaint against Dr. Jackson. *Transcript at 13-17; Petitioner's Exhibit 2.*
3. The Texas Medical Board had alleged that Dr. Jackson had violated the standard of care in the treatment of two patients during 2006 and 2007. Specifically, the Texas Complaint alleged that he had failed to appropriately manage and treat one patient’s fluid and electrolyte balance and had allowed that patient to become dangerously hypernatremic and hypokalemic. It also alleged that Dr. Jackson’s failure to conduct adequate follow-up to determine if an ischemic CVA had occurred fell below the standard of care. The Texas Complaint also alleged that Dr. Jackson did not give sufficient justification for his decision to treat a nearly nonresponsive patient with multiple doses of morphine, and that the patient’s blood pressure became progressively abnormally low. On March 4, 2007, the patient’s daughter chose to withdraw treatment and the patient died that day. The Complaint further alleged

that the daughter possibly did not have the authority to make medical decisions for the patient. It alleged that Dr. Jackson's failure to fully address or resolve this issue in the medical record fell below the standard of care. As to the second patient, the Texas Complaint alleged that the patient was non-ambulatory and homebound with advanced Parkinson's disease and dementia. Dr. Jackson cared for the patient from October 2006 through February 22, 2007, and occasionally treated her at her home. The Complaint alleged that Dr. Jackson should have arranged for a replacement nurse or visited the patient at home himself, and that his failure to monitor the patient adequately during this time allowed for the development of multiple decubitus ulcers. The Complaint further alleged that Dr. Jackson failed to secure adequate nutrition for the patient, particularly when he knew that the patient had been previously hospitalized for malnutrition. The Complaint alleged that Dr. Jackson failed to properly provide IV fluids to a frail and elderly patient at a safe and acceptable level and that fell below the standard of care and that the patient died on February 27, 2007. *Transcript 13-17; Petitioner's Exhibit 2.*

4. The West Virginia Initiated Complaint was sent to Dr. Jackson at his preferred mailing address of P.O. Box 407, Fort Gay, West Virginia., as listed with the Board. *Transcript at 12-13; Petitioner's Exhibits 1, 2.*
5. Dr. Jackson submitted an application for the renewal of his active West Virginia license to practice medicine and surgery on June 28, 2010. He answered "yes" to question no. 1 on page 5, which asked if he had been called before or appeared before any board or panel for discussions or questions concerning violations of the

law or rules pertaining to the practice of medicine or for unethical conduct.
Transcript at 17-18; Petitioner's Exhibit 3.

6. Pursuant to the instructions on page 5 of the renewal application, Dr. Jackson attached a letter dated June 24, 2010, to explain his "yes" answer. He wrote that he had been working in Texas with a temporary license, secondary to not satisfying one of the Texas Medical Board's criteria for permanent licensure. Dr. Jackson stated that he had provided good care to both patients cited in the complaint in Texas and had treated them in an appropriate manner. His letter contains a return address of P.O. Box 407, Fort Gay, West Virginia. *Transcript at 11; Petitioner's Exhibit 3.*
7. Mr. Knittle sent Dr. Jackson a letter to his preferred mailing address on June 29, 2010, informing Dr. Jackson that while his license to practice medicine and surgery in West Virginia would be renewed, this was not to be construed as a waiver of the Board's right and obligation to proceed with any investigation and possible disciplinary action. The letter asked Dr. Jackson to notify the Board when he received further information regarding the investigation of him by the Texas Medical Board. Dr. Jackson did not respond to the letter. *Transcript at 19-21; Petitioner's Exhibit 4.*
8. On August 19, 2010, Mr. Knittle sent Dr. Jackson another letter to his preferred mailing address, via Certified Mail. The letter asked Dr. Jackson to provide to the Board an update regarding the Texas Medical Board investigation within 15 days of his receipt of the letter. The return receipt for the certified mailing indicates that the letter was received and signed for by someone with the last name of Jackson on

August 25, 2010. Dr. Jackson did not respond to the August 19, 2010, letter. *Transcript at 20-21; Petitioner's Exhibit 5.*

9. On September 29, 2010, Mr. Knittle sent another letter to Dr. Jackson at his preferred mailing address notifying Dr. Jackson that the Board had not received a response to Mr. Knittle's prior two letters, and that unless the Board received a response from Dr. Jackson on or before October 8, 2010, the matter would be presented to the Board's Licensure Committee in November, 2010, for disposition. The September 29, 2010, letter was returned to the Board on October 27, 2010, with the notation "Return to Sender. Unclaimed. Unable to forward." *Transcript at 22-23; Petitioner's Exhibit 6.*
10. The Board received a handwritten letter from Dr. Jackson dated October 7, 2010, which included a return address of P.O. Box 407, Fort Gay, West Virginia 25514. The letter stated "To whom it may concern. Ref your ltr Aug 19, 2010. I have no knowledge of any disciplinary action taken against me by the Texas Board of Medicine. As previously stated by my letter/application – I assume the complaint is still open." *Transcript at 23-24; Petitioner's Exhibit 7.*
11. On October 13, 2010, the Board requested that the Texas Medical Board provide information on the status of its action against Dr. Jackson. *Transcript at 24; Petitioner's Exhibit 8.*
12. The Texas Medical Board responded to the West Virginia Board's request on October 26, 2010, and indicated that no disciplinary action had been taken against Dr. Jackson, but that a hearing regarding a formal Complaint against him had been

held on September 10, 2010. The response attached a copy of the Complaint from the Texas Medical Board. *Transcript at 24-25; Petitioner's Exhibit 9.*

13. On November 8, 2010, the West Virginia Board sent a copy of its Initiated Complaint to Dr. Jackson via Certified Mail to his preferred mailing address in Fort Gay, West Virginia. The letter requests Dr. Jackson to submit his response to the Initiated Complaint within 30 days from the date of the letter. The return receipt for the certified mailing was signed by "Paul Jackson" on November 15, 2010. *Transcript at 26-28; Petitioner's Exhibits 2, 10.*

14. Dr. Jackson never submitted an answer or response to the Initiated Complaint. *Transcript at 27.*

15. On December 20, 2010, Mr. Knittle sent Dr. Jackson a letter to his preferred mailing address asking him to respond to the Initiated Complaint within 10 days of the letter. The letter was returned to the Board as unclaimed. *Transcript at 28-29; Petitioner's Exhibit 11.*

16. Mr. Knittle sent Dr. Jackson a letter dated January 19, 2011, advising him that he was being subpoenaed to appear before the Board's Complaint Committee on March 13, 2011, regarding the Initiated Complaint against him. The letter was sent via Certified Mail to Dr. Jackson's preferred mailing address. *Transcript at 29-30; Petitioner's Exhibit 12.*

17. The Texas Medical Board informed the West Virginia Board on January 28, 2011, that a hearing regarding the complaint against Dr. Jackson had been continued until February 10, 2011. *Transcript at 31-32; Petitioner's Exhibit 13.*

18. In January 2011, Leslie A. Inghram, the Board's Supervisor of Investigation and Complaints, learned that Dr. Jackson was in a local hospital. Ms. Inghram contacted Dr. Jackson by telephone and Dr. Jackson agreed to come to pick up his mail from the Board personally. Dr. Jackson was served with the Subpoena and the Initiated Complaint in person by Ms. Inghram on January 24, 2011, at 9:03 a.m. *Transcript at 54-55; Petitioner's Exhibit 12.*

19. The West Virginia Board received a Board Action Disciplinary Alert Report dated September 9, 2011, from the Federation of State Medical Boards which indicated that Dr. Jackson's medical license in Texas had been revoked for failure to conform to minimal standards of acceptable medical practice and for failure to obtain appropriate consent. A document from the Texas Medical Board's website was attached to the report. It indicated that the Texas Board had revoked Dr. Jackson's license on July 11, 2011, based upon findings that he did not meet the standard of care in his treatment of two patients, failed to safeguard against complications, provided medically unnecessary services to a patient and failed to obtain informed consent. The attachment noted that the June 3, 2011, Final Order had become effective on July 11, 2011, as Dr. Jackson did not file a Motion for Rehearing. *Transcript at 33-34; Petitioner's Exhibit 14.*

20. The Texas Medical Board provided the West Virginia Board with a certified copy of its Final Order dated June 3, 2011. *Transcript at 35-36; Petitioner's Exhibit 14.*

21. The West Virginia Board offered Dr. Jackson a Consent Order to resolve the complaint in lieu of having a Complaint and Notice of Hearing filed against him on September 20, 2011. The letter and proposed Consent Order were sent to Dr.

It was returned to the Board as "Return to Sender; Unclaimed; Unable to Forward." *Transcript at ; Petitioner's Exhibit* [Tr. at pp. 37-39; Petitioner's Exhibit No. 17]

23. The Board issued a Complaint and Notice of Hearing regarding the complaint against Dr. Jackson on November 18, 2011. It scheduled a public hearing for February 7, 2012. Ms. Inghram served the Complaint and Notice upon Dr. Jackson by posting a copy on his front door at Route 1, Box 554, Fort Gay, West Virginia, on November 19, 2011. 28. Dr. Jackson made no response to the *Hearing Examiner's Recommended Decision to Grant Petitioner's Motion to Take Charges as Confessed and for Revocation of License*. *Transcript at 43-44; Petitioner's Exhibit 21.*

29. Disciplinary Counsel for the Board, Rebecca L. Stepto, moved for a continuance of the February 7, 2012, hearing on February 6, 2012, on the grounds that the hearing may not be necessary if the Board accepted the Hearing Examiner's Recommended Decision at its March 14, 2012, meeting. The hearing examiner issued an Order granting the motion to continue on February 6, 2012. *Transcript at 44-45; Petitioner's Exhibit 22.*

30. Dr. Jackson sent a handwritten letter to the Board dated February 4, 2012, which stated, in part, the following: "Respectfully request a delay of proceedings for 90 days. Time is needed to prepare appropriate response. Reason(s): I suffered a stroke in September 2011 resulting in physical impairment to my left side. I have been in rehabilitation since this time and am progressing satisfactorily. I have not been practicing medicine since this time. I have not had the opportunity to provide

documentation to support my position. There is considerable time lapse since the alleged lack of professional care for the two patients in question. Five years have passed and records and statements from others is difficult. I have engaged an attorney to assist/represent me in this matter. This too has been delayed due to my illness.” Dr. Jackson’s letter and envelope set forth a return address of P.O. Box 407, Fort Gay, WV 25514. *Transcript at 47; Petitioner’s Exhibit 23.*

31. In response to Dr. Jackson’s letter, the Board filed Petitioner’s Motion to Set Aside Hearing Examiner’s Recommended Decision to Grant Petitioner’s Motion to Take Charges as Confessed and for Revocation of License on February 8, 2012. The motion also requested that Dr. Jackson be given an additional 30 days within which to file an Answer to the Complaint and Notice of Hearing dated November 18, 2011. The motion was sent to Dr. Jackson at Route 1, Box 554, P.O. Box 407, Fort Gay, WV 25514. *Transcript at 47-48; Petitioner’s Exhibit 24.*

32. Disciplinary Counsel Stepto sent Dr. Jackson a letter on February 8, 2012, to his preferred mailing address informing him that he was being granted an additional 30 days within which to file an Answer, but that if he did not file an Answer, the Board would again request that the allegations in the Complaint and Notice of Hearing be taken as having been confessed by him. The letter also indicated that if he did not file an Answer, the Board would seek revocation of his license. The letter also indicated that the hearing would be rescheduled to a date more than 90 days after Dr. Jackson’s request for a continuance. *Transcript at 48-50; Petitioner’s Exhibit 25.*

33. The Board has received no further communication from Dr. Jackson or any representative of Dr. Jackson since Dr. Jackson's February 4, 2012, letter. *Transcript at 45-50.*
34. On February 10, 2012, Hearing Examiner Bloom issued an Order Granting Petitioner's Motion to Set Aside Hearing Examiner's Recommended Decision to Grant Petitioner's Motion to Take Charges as Confessed and for Revocation of License. The Order set aside the Hearing Examiner's Recommended Decision to Grant Petitioner's Motion to Take Charges as Confessed and for Revocation of License, granted Dr. Jackson an additional 30 days within which to serve an Answer to the Complaint and Notice of Hearing, and ordered the Board to serve an Amended Notice of Hearing. The Order was sent to Dr. Jackson's preferred mailing address. *Transcript at 49-51; Petitioner's Exhibit 26.*
35. The Board served an Amended Notice of Hearing on February 10, 2012, which rescheduled the hearing for June 4, 2012, at 9:30 a.m. *Transcript at 51; Petitioner's Exhibit 27.*
36. Dr. Jackson did not serve an Answer to the Complaint and Notice of Hearing. *Transcript at 52.*
37. Dr. Jackson did not appear at the June 4, 2012, hearing. *Transcript at 6.*

CONCLUSIONS OF LAW

Based on the foregoing Findings of Facts, I conclude, as a matter of law:

1. West Virginia Code Section 30-3-1 *et seq.* provides the West Virginia Board with the authority to issue licenses to practice medicine and surgery in this state and with the authority to act as the regulatory and disciplinary body for the

practice of medicine in this state. WEST VIRGINIA CODE § 30-3-5 (2010); 11 C.S.R. 1A *et seq.*

2. The West Virginia Board of Medicine is authorized to establish regulations necessary to carry out the purposes of the West Virginia Medical Practice Act. WEST VIRGINIA CODE § 30-3-7 (2009). See 11 C.S.R. 1A-1 *et seq.*
3. Pursuant to regulation, the Board may designate a hearing examiner to conduct hearings. The undersigned hearing examiner is a licensed attorney and was so designated in this case by the Board. Such hearing was conducted pursuant to West Virginia Code and the West Virginia Board of Medicine Legislative Rules. WEST VIRGINIA CODE § 29A-5-1 *et seq.*; 11 C.S.R. 1-1A-14; 11 C.S.R. 3-11 *et seq.*
4. The West Virginia Board of Medicine has jurisdiction over the matter of the medical licensure of the Respondent, Dr. Paul Jackson, M.D. WEST VIRGINIA CODE § 30-3-7.
5. Respondent, Dr. Paul Jackson, M.D., was properly notified of this proceeding by personal service of the Complaint and Notice of Hearing pursuant to the requirements of West Virginia Code. WEST VIRGINIA CODE § 30-3-1 *et seq.*; 11 C.S.R. 3-11 *et seq.*
6. At hearing, the rules of evidence as applied in civil cases in the circuit courts of this State were followed. 11 C.S.R. 3-11.5 (c). All exhibits entered into evidence at hearing are authentic and valid and were admitted with the proper evidentiary foundation.
7. It is appropriate to take into consideration in this matter Board of Medicine

precedent under the provisions of West Virginia Code § 29A-2-9.

8. The Petitioner bears the burden of proving the allegations in the Complaint and Notice of Hearing by clear and convincing evidence. WEST VIRGINIA CODE § 30-3-14(b); Webb v. West Virginia Board of Medicine, 569 S.E.2d 225, 231 (W. Va. 2002).
9. Clear and convincing proof is necessary for actions taken by the Board of Medicine concerning physician licensing. Webb v. West Virginia Board of Medicine, 569 S.E.2d 225, 231-2 (W.Va. 2002). The West Virginia Supreme Court defines clear and convincing proof as that measure or degree of proof which produces in the mind of the trier of fact a firm belief or conviction as to the allegations sought to be established. Webb v. West Virginia Board of Medicine, 569 S.E.2d at 232 (citing Wheeling Dollar Savings & Trust Co. v. Singer, 162 W.Va. 502, 510, 250 S.E.2d 369, 374 (1978) (quoting Cross v. Ledford, 161 Ohio St., 469, 477, 120 N.E. 2d 188,123 (1954)); accord In re Carol B., 209 W.Va. 658, 667, 550 S.E.2d 636, 645 (2001).
10. Credibility is determined by the hearing examiner in administrative cases, based upon thorough evaluation of witness testimony. Webb v. West Virginia Board of Medicine, 569 S.E.2d at 232; Maxey v. McDowell Co. Bd. of Ed., 212 W.Va. 668, 575 S.E. 2d 278, Syl. Pt. 3 (2002). The hearing examiner is uniquely situated to make such determination and such determinations are binding unless such determinations are without basis in the record. Webb v. West Virginia Board of Medicine, 569 S.E.2d at 232; Martin v. Randolph County Bd. of Education, 195 W.Va. 297, 465 S.E. 2d 399, 406 (1995); Michael D.C. v.

Wanda L.C., 201 W.Va. 381, 497 S.E.2d 531, 538 (1997). Credibility determinations may be based upon many factors, including the following: the general demeanor and comportment of the witness at hearing; the bias or interest of the witness; the consistency or inconsistency of the statements of the witness; the witness's ability and acuteness to observe; the memory of the witness; the reputation for honesty of the witness; and other factors which tend to cause the trier of fact to believe or disbelieve the testimony of the witness. Cleckley, Franklin D., Handbook on Evidence for West Virginia Lawyers, "Evaluation of Credibility" § 6-7(B); State v. Richie, 298 S.E.2d 879 (W.Va. 1982); State v. Rygh, 524 S.E.2d 447 (W.Va. 1999); State v. Brown, 179 S.E.2d 609 (W.Va. 1988); Cahill v. Mercer County Board of Education, 208 W.Va. 177, 539 S.E.2d 437, Syl. Pt. 1 (2000). The hearing examiner finds the testimony of witnesses Robert Knittle and Leslie Inghram to be credible. Any inconsistency with the foregoing findings of fact or with the testimony of the other credible witnesses was not a result of any deliberate untruthfulness or bias. Rather, any inconsistency was a result of a difference of opinion, lack of knowledge, misperception or misrecollection.

11. Mr. Knittle's and Ms. Inghram's uncontroverted testimony are given great weight in this matter pursuant to Rule 704 of the West Virginia Rules of Evidence and the Board's standard practice and custom. See West Virginia Board of Medicine v. David C. Shamblin, M.D. (1989); West Virginia Board of Medicine v. Thomas J. Park, M.D. (1994); West Virginia Board of Medicine v. Thomas E. Mitchell, M.D. (1995); West Virginia Board of Medicine v. Boonlua Lucktong,

M.D. (1996); West Virginia Board of Medicine v. Paul T. Healy, M.D. (1997); West Virginia Board of Medicine v. Swaraj S. Rikhy, M.D. (1997); West Virginia Board of Medicine v. Francesco Quarequio, M.D. (1999), and West Virginia Board of Medicine v. Frank Lenous Turner, D.P.M. (2004).

12. It is the purpose of the West Virginia Medical Practice Act to provide for the licensure and discipline of physicians and to provide a professional environment which encourages the delivery of quality medical services within this state. The inherent object of the underlying statute regulating the practice of medicine is the preservation of the public health. WEST VIRGINIA CODE § 30-3-2; Dent v. State of West Virginia, 129 U.S. 114 (1989); Vest v. Cobb, 76 S.E.2d 885 (W.Va. 1953); See also State ex rel. Hoover v. Smith, 198 W. Va. 507, 482 S.E.2d 124 (1996).
13. The West Virginia Medical Practice Act and the Board of Medicine Legislative Rules mandate that the West Virginia Board of Medicine protect the public interest, safety, health and welfare. WEST VIRGINIA CODE §30-3-1 *et seq.*; 11 C.S.R. 1A-1 *et seq.* (2007).
14. The practice of medicine is a high calling; a professional license is a high privilege; the state may attach to its possession conditions which are “onerous and exacting.” Barsky v. Board of Regents, 111 N.E.2d 222 (N.Y. 1953), *reh. den.*, 112 N.E.2d 773, *affirmed*, 347 U.S. 442, *cited in West Virginia Board of Medicine v. Clayton E. Linkous, Jr., M.D.* (1991); West Virginia Board of Medicine v. Rahmet Muzaffer, M.D. (1998); In Re: Dwarka Nath Vemuri, M.D., (2000); West Virginia Board of Medicine v. William Douglas Daniel, M.D. (2001).

15. The West Virginia Board of Medicine may revoke, suspend or otherwise limit a medical license if a physician is unqualified as a result of violating a provision of the West Virginia Medical Practice Act or the Board's Legislative Rules or an Order of the West Virginia Board of Medicine or failure to comply with a subpoena or subpoena duces tecum issued by the Board. WEST VIRGINIA CODE § 30-3-14 (c) (17).
16. The West Virginia Board of Medicine may revoke, suspend or otherwise limit a medical license if a physician's license to practice medicine in any other state has been revoked, suspended, restricted, limited or otherwise acted against or has been subjected to any other disciplinary action by the licensing authority thereof or has been denied licensure in any other state. 11 C.S.R. 1A 12.1(g).
17. The West Virginia Board of Medicine may revoke, suspend or otherwise limit a medical license if a physician engaged in dishonorable, unethical or unprofessional conduct of a character likely to deceive, defraud or harm the public or any member thereof. 11 C.S.R. 1A 12.1(e).
18. The West Virginia Board of Medicine may revoke, suspend or otherwise limit a medical license if a physician engaged in unprofessional conduct, including any departure from or failure to conform to the standards of acceptable and prevailing medical practice or the ethics of the medical profession, irrespective of whether or not a patient is injured thereby. 11 C.S.R. 1A 12.1(j).
19. The West Virginia Board of Medicine has proven by clear and convincing evidence that Respondent's license was revoked by the Texas Medical Board on or about June 3, 2011, for failing to keep adequate written records justifying

the course of treatment of a patient, thereby engaging in unprofessional conduct. Dr. Jackson had the opportunity to fully litigate the question of the disciplinary action in Texas and is estopped in this proceeding from attacking the disciplinary action in Texas. Conley v. Spillers, 301 S.E.2d 216 (W.Va. 1983).

20. The West Virginia Board of Medicine has proven by clear and convincing evidence that Respondent has engaged in unprofessional conduct, in violation of West Virginia Code § 30-3-14(c)(17) and 11 C.S.R. 1A 12.1 (e) and (j).
21. Pursuant to West Virginia Code § 30-3-14 (j), the Board may enter an Order imposing disciplinary sanctions when, subsequent to notice and hearing, it is found that the physician has violated West Virginia Code § 30-3-14(c) and/or the rules promulgated pursuant to the Medical Practice Act.
22. The Board may revoke a physician's license to practice medicine and surgery if it finds a physician unqualified to practice medicine and surgery in the State of West Virginia. WEST VIRGINIA CODE § 30-3-14(j).
23. The West Virginia Board of Medicine has proven by clear and convincing evidence that Respondent is unqualified to practice medicine and surgery in the State of West Virginia. WEST VIRGINIA CODE § 30-3-14 (j); WEST VIRGINIA CODE § 30-3-14(c) (17); 11 C.S.R. 1A 12.1 (e) and (j).

RECOMMENDED DECISION

Based upon the foregoing Findings of Fact and Conclusions of Law, the Hearing Examiner **RESPECTFULLY RECOMMENDS** that the West Virginia Board of Medicine find that Respondent violated West Virginia Code and the Board of Medicine Legislative Rules

as set forth herein; and, FURTHER, that the Board find that it is proper and in the public interest, health, welfare and safety to **REVOKE** Respondent's license to practice medicine and surgery in West Virginia.

IN RE: MARK DOUGLAS MAYLE, M.D.

CONSENT ORDER

The West Virginia Board of Medicine ("Board") and Mark Douglas Mayle, M.D., ("Dr. Mayle") freely and voluntarily enter into the following Consent Order pursuant to the provisions of W. Va. Code § 30-3-14, et seq.

FINDINGS OF FACT

1. Dr. Mayle holds a license to practice medicine and surgery in the State of West Virginia. His license, No. 17989, was initially issued in 1994. Dr. Mayle's primary specialty is Ophthalmology, and his address of record is in Morgantown, West Virginia.
2. In June and July 2011, the Board conducted an investigation regarding a complaint that Dr. Mayle was prescribing diet medications, such as Adipex and Phentermine, to his office staff without conducting medical examinations on them, without reviewing their medical histories, and without maintaining medical records regarding his treatment of them. As part of its investigation, the Board obtained medical records and charts regarding 12 individuals from Dr. Mayle pursuant to a subpoena issued by the Board to him on July 25, 2011.
3. The Board's investigation identified potential violations of the West Virginia Medical Practice Act and the Rules of the Board regarding Dr. Mayle's prescription of diet medications to certain employees without performing medical examinations on them, without reviewing their medical histories, and without maintaining medical records regarding his

treatment of them as required by the West Virginia Medical Practice Act and the Rules of the Board.

4. On January 8, 2012, Dr. Mayle appeared before the Board's Complaint Committee to discuss this matter and the results of the Board's investigation.

5. The Board has reviewed this matter in detail and has determined that the continued practice of medicine by Dr. Mayle in the State of West Virginia could adversely affect the health and welfare of his patients unless Dr. Mayle fully complies with the provisions of this Consent Order.

CONCLUSIONS OF LAW

1. The Board has a mandate pursuant to the West Virginia Medical Practice Act to protect the public interest. W. Va. Code § 30-3-1.

2. Probable cause exists to substantiate charges against Dr. Mayle for violations of the following provisions of the West Virginia Medical Practice Act and Rules of the Board relating to the prescriptions he wrote for his office employees:

- (a) West Virginia Code §30-3-14(c)(17) and 11 CSR 1A 12.1(e) and (j), relating to unprofessional and unethical conduct;
- (b) West Virginia Code §30-3-14(c)(15) relating to performing professional responsibilities that the person knows or has reason to know he is not competent to perform;
- (c) West Virginia Rule 11 CSR 1A 12.2(d) relating to conduct calculated to bring the medical profession into disrepute, including failure to conform to standards of acceptable and prevailing medical practice;
- (d) West Virginia Code §30-3-14(c)(13) relating to prescribing a prescription drug other than in good faith and in a therapeutic manner in accordance with accepted medical standards and in the course of the physician's professional practice;
- (e) West Virginia Rule 11 CSR 1A 12.1(ee) relating to inappropriately prescribing an amphetamine;

- (f) West Virginia Rule 11 CSR 1A 12.2(k) relating to prescribing medications to persons without establishing an on-going physician-patient relationship, and
- (g) West Virginia Code §30-3-14(c)(11) and 11 CSR 1A 12.1(jj) relating to failure to keep written records justifying the treatment of a patient.

3. The Board has further determined that, under the circumstances relating to the complaint and the Board's investigation thereof, it is appropriate and in the public interest to enter into this Consent Order with Dr. Mayle in lieu of filing a Complaint and Notice of Hearing.

CONSENT

Mark Douglas Mayle, M.D., by his signature below, agrees, solely and exclusively for purposes of this agreement, to the following:

1. Dr. Mayle acknowledges that he is fully aware that, without his consent herein, no legal action may be taken against him or his license to practice medicine and surgery in the State of West Virginia unless a hearing is held in accordance with W. Va. Code § 30-3-14(h) and § 29A-5-1, et seq.
2. Dr. Mayle further acknowledges that he has the following rights, among others: the right to a formal hearing before the Board, the right to reasonable notice of the hearing, the right to be represented at the hearing by counsel at his own expense, and the right to cross-examine witnesses against him at the hearing.
3. Dr. Mayle waives all rights to a hearing.
4. Dr. Mayle consents to the entry of this Consent Order relative to his practice of medicine and surgery in the State of West Virginia.

5. Dr. Mayle understands that this Consent Order is considered public information, and that it may be reported, as required by law, to the National Practitioner Data Bank and the Healthcare Integrity and Protection Data Bank.

ORDER

WHEREFORE, based on the foregoing Findings of Fact and Conclusions of Law, and on the basis of the consent of Dr. Mayle, the West Virginia Board of Medicine hereby **ORDERS** that Dr. Mayle shall be subject to the following terms and conditions:

1. Dr. Mayle, an ophthalmologist, is **PUBLICLY REPRIMANDED** for prescribing diet medications, including amphetamine, to his office staff without conducting medical examinations on them, without reviewing their medical histories, and without maintaining medical records regarding his treatment of them;
2. Dr. Mayle is hereby **FINED** in the amount of one thousand dollars (\$1,000.00), which shall be paid to the Board within sixty (60) days of the entry of this Consent Order;
3. Within six (6) months following the entry of this Consent Order, Dr. Mayle shall complete a Board-approved Continuing Medical Education course regarding ethics, and shall submit written documentation to the Board regarding his completion of the course, and
4. The Board retains jurisdiction in this matter and may, in its sole discretion, initiate a new complaint based upon any violation of this Order.

IN RE:

DAVID ALLEN MOORE, P.A.-C.

CONSENT ORDER

The West Virginia Board of Medicine ("Board") and David Allen Moore, P.A.-C. ("Mr. Moore") pursuant to the West Virginia Code §30-3-1, *et seq.*, and 11 CSR 1B 10.1, freely and voluntarily enter into the following:

FINDINGS OF FACT

1. Mr. Moore is currently licensed to practice as a physician assistant in the State of West Virginia pursuant to a January 26, 2011, Consent Order he entered into with the Board. He holds license Number 00877.

2. Pursuant to the January 26, 2011 Consent Order, Mr. Moore's license will end as of January 31, 2012, and he appeared before the Physician Assistant Committee of the Board in January 2012, for a full discussion of his health and well being and his current situation.

3. Mr. Moore desires to continue with his current employment under the supervision of Ahmed D. Faheem, M.D. and Safiullah Syed, M.D.

4. All reports from the West Virginia Medical Professionals Health Program ("WVMPHP") have been satisfactory and he remains subject to monitoring by WVMPHP.

6. Mr. Moore remains committed to his recovery and is abstaining from controlled substances.

7. The Board recognizes that Mr. Moore continues to meet the statutory qualifications for licensure as a physician assistant and that it is in the public interest to continue his license, though permitting him such continuation of a license under the circumstances without certain appropriate accommodations, conditions and limitations upon the license could adversely affect the health and welfare of a patient.

CONCLUSIONS OF LAW

1. The West Virginia Board of Medicine has a mandate pursuant to West Virginia Code §30-3-1, to protect the public interest.

2. Probable cause exists to deny continued licensure to Mr. Moore pursuant to the provisions of 11 CSR 1B 10.1.h.10.

3. It is appropriate and in the public interest to continue to grant licensure to Mr. Moore, subject to compliance by Mr. Moore with certain accommodations, conditions and limitations upon his licensure as a physician assistant in the State of West Virginia.

CONSENT

David Allen Moore, P.A.-C, agrees solely and exclusively for the purpose of the entry of this Order to the following:

1. Mr. Moore acknowledges that without his consent, no permanent legal action may be taken against him except after a hearing held in accordance with 11

CSR 1B 10.1 and West Virginia Code §29A-5-1, *et seq.*, and West Virginia Code §30-3-16;

2. Mr. Moore further acknowledges that he has the following rights, among others: the right to a formal hearing before the West Virginia Board of Medicine, the right to reasonable notice of said hearing, the right to be represented by counsel at his own expense, the right to cross-examine witnesses against him, and the right to appeal under Chapter 29A of the West Virginia Code in the event of a final order or decision adverse to him;

3. Mr. Moore waives all such rights;

4. Mr. Moore consents to the entry of this Order relative to his practice as a physician assistant in the State of West Virginia; and,

IN RE: DEIDRA FAWN MUTO, M.D.

CONSENT ORDER

The West Virginia Board of Medicine (“Board”) and Deidra Fawn Muto, M.D., (“Dr. Muto”) freely and voluntarily enter into the following Consent Order pursuant to W. Va. Code § 30-3-1, *et seq.*:

FINDINGS OF FACT

1. Deidra Fawn Muto, M.D., holds a license to practice medicine and surgery in the State of West Virginia, License No. 21489, which was originally issued in 2004. Her address of record with the Board is in Charleston, West Virginia.

2. In January 2012, Dr. Muto was the subject of a random audit by the Board to determine whether she had completed the required minimum number of fifty (50) hours of continuing medical education (“CME”) coursework as described in 11 CSR 6 2.2 during the licensure period from July 1, 2009, to June 30, 2011.

3. In Dr. Muto’s licensure renewal application for the period from July 1, 2011, to June 30, 2013, submitted to the Board and dated May 12, 2011, Dr. Muto represented that she had completed the required minimum number of fifty (50) hours of CME satisfactory to the Board, as described in 11 CSR 6 2.1 and 11 CSR 6 2.2 during the preceding licensure period from July 1, 2009, to June 30, 2011.

4. The random audit revealed that nineteen (19) hours of the fifty (50) hours of CME coursework that Dr. Muto completed during the preceding licensure period from July 1,

2009, to June 30, 2011, were not designated as Category I by the American Medical Association or the American Academy of Family Physicians, as required by the Board's rules at 11 CSR 6 2.1 *et seq.*

5. In May 2012, the Complaint Committee of the Board initiated a complaint against Dr. Muto based upon her apparent deficiency of nineteen (19) hours of CME credits designated as Category I by the American Medical Association or the American Academy of Family Physicians and her inaccurate certification that she had completed the same during the preceding licensure period from July 1, 2009, to June 30, 2011.

6. The Board's rules, at 11 CSR 6 2.1 *et seq.*, require that 50 CME credit hours must be completed during every two-year period and that 30 of those hours must be related to the physician's area or areas of specialty. Moreover, CME courses taken must be designated as Category I by the American Medical Association or the American Academy of Family Physicians.

7. On June 7, 2012, Dr. Muto responded to the Complaint by stating that although she had completed fifty (50) hours of CME coursework, she did not realize that nineteen (19) of the completed hours were not "Category I" hours.

CONCLUSIONS OF LAW

1. The Board has a mandate pursuant to W. Va. Code § 30-3-1 to protect the public interest.

2. Probable cause may exist to substantiate charges pursuant to the provisions of W. Va. Code § 30-3-14(c)(17) and 11 CSR 1A 12.1(e) and (j), relating to unprofessional conduct, and W. Va. Code § 30-3-14(c)(1) and (17), 11 CSR 1A 12.1(a), and 11

CSR 6 4.2 and 4.4, relating to the renewal of a license to practice medicine and surgery by making a false statement in connection with a licensure application.

3. It is appropriate to waive the commencement of proceedings against Dr. Muto and to proceed without the filing of formal charges in a Complaint and Notice of Hearing provided Dr. Muto complies with the terms and conditions set forth herein.

CONSENT

Deidra Fawn Muto, M.D., by affixing her signature hereon, agrees solely and exclusively for purposes of this Consent Order to the following:

1. Dr. Muto acknowledges that she is fully aware that, without her consent, no permanent legal action may be taken against her except after a hearing held in accordance with W. Va. Code § 30-3-14(h) and W. Va. Code § 29A-5-1, *et seq.*;

2. Dr. Muto further acknowledges that she has the following rights, among others: the right to a formal hearing before the Board, the right to reasonable notice of said hearing, the right to be represented by counsel at her own expense, the right to cross-examine witnesses against her, and the right to appeal under Chapter 29A of the West Virginia Code in the event of a final order or decision adverse to her;

3. Dr. Muto waives all such rights;

4. Dr. Muto consents to the entry of this Order relative to her practice of medicine and surgery in the State of West Virginia, and

5. Dr. Muto understands that this Order is considered public information.

ORDER

WHEREFORE, on the basis of the foregoing Findings of Fact and Conclusions of Law and the consent of Dr. Muto, the West Virginia Board of Medicine hereby **ORDERS** as follows:

1. Dr. Muto shall complete, and provide certification of her completion to the Board, within ninety (90) days of the entry of this Order, nineteen (19) hours of approved Category I CME coursework. The CME credits submitted by Dr. Muto pursuant to this provision shall not be applied to or transferred to any subsequent renewal period.

2. Dr. Muto shall also pay a **CIVIL FINE** in the amount of one hundred dollars (\$100.00) per credit hour for her prior deficiency of nineteen (19) hours of Category I CME coursework for the licensure renewal period from July 1, 2009, to June 30, 2011, together with a one-time **ADMINISTRATIVE FEE** in the amount of one hundred dollars (\$100.00), for a total of **Two Thousand Dollars (\$2,000.00)**, which fine and administrative fee shall be received by the Board on or before August 1, 2012.

3. In the event that Dr. Muto fails to comply with the requirement stated in the preceding paragraph of this Order, her license to practice medicine in the State of West Virginia shall be **SUSPENDED** effective immediately, without further process or hearing, pending her successful completion of this requirement.

4. Upon the Board's determination that Dr. Muto is in full compliance with the terms and conditions of this Consent Order, the Initiated Complaint against her shall be dismissed immediately.

The foregoing Order was ENTERED this 27th day of July, 2012.

8. The Board recognizes that Mr. Rhoads meets the statutory qualifications for licensure as a physician assistant and that it is in the public interest to grant him a license, though permitting him such a license without attaching certain appropriate accommodations, conditions, and limitations upon the license could adversely affect the health and welfare of a patient.

CONCLUSIONS OF LAW

1. The West Virginia Board of Medicine has a mandate pursuant to the West Virginia Medical Practice Act to protect the public interest. West Virginia Code § 30-3-1.

2. Probable cause exists to deny licensure to Mr. Rhoads pursuant to the provisions of 11 CSR 1B 10.1(g), relating to failure to comply with a rule of the Board; 11 CSR 1B 10.1(d), relating to habitual use of drugs; and 11 CSR 1B 10.1(h)(5), (9), and (10), relating to unprofessional conduct, including performing tasks beyond his authorized scope of practice; prescribing a controlled substance other than in good faith;

and prescribing controlled substances under state or federal law, to or for himself, or to or for any member of his immediate family.

3. It is appropriate and in the public interest to waive the commencement of proceedings against Mr. Rhoads and to proceed without the filing of charges, or a formal Complaint and Notice of Hearing, subject to compliance by Mr. Rhoads with the provisions of this Consent Order.

CONSENT

Sean Patrick Rhoads, P.A.-C., by affixing his signature hereon, agrees solely and exclusively for purposes of this agreement and the entry of the Consent Order provided for and stated herein, and proceedings conducted in accordance with this Consent Order to the following:

1. Mr. Rhoads acknowledges that without his consent, here given, no permanent legal action may be taken against him except after a hearing held in accordance with West Virginia Code §29A-5-1, *et seq.*, and 11 CSR 1B 12 and 11 CSR 3;

2. Mr. Rhoads acknowledges that he has the following rights, among others: the right to a formal hearing before the West Virginia Board of Medicine, the right to reasonable notice of said hearing, the right to be represented by counsel at his own expense, the right to cross-examine witnesses against him, and the right to appeal under Chapter 29A of the West Virginia Code in the event of a final order or decision adverse to him;

3. Mr. Rhoads waives all such rights;

4. Mr. Rhoads consents to the entry of this Consent Order relative to his practice as a physician assistant in the State of West Virginia; and,

5. Mr. Rhoads understands that this Consent Order is considered public information, and that matters contained herein may be reported, as required by law, to the National Practitioner Data Bank and the Healthcare Integrity and Protection Data Bank.

ORDER

WHEREFORE, on the basis of the foregoing Findings of Fact and Conclusions of Law of the Board, and the foregoing consent of Mr. Rhoads, the West Virginia Board of Medicine hereby **ORDERS** as follows:

1. Mr. Rhoads may again be granted License No. 01253, as long as he is in active recovery with WVMPPH;

2. When granted, said license will be immediately **SUSPENDED** and the suspension immediately **STAYED**, and Mr. Rhoads will be placed on **PROBATION** for a period of five (5) years, subject to the following:

RDR
1/26/12

d. During the five (5) year period of probation, Mr. Rhoads shall continue to participate in the West Virginia Medical Professionals Health Program and shall comply with any and all of its requirements;

e. During the five (5) year period of probation, Mr. Rhoads shall not ingest controlled substances unless prescribed by a duly licensed health practitioner, with good reason, and shall submit to random, unannounced drug screens at any time upon request of the Board;

f. During the five (5) year period of probation, Mr. Rhoads shall ensure that his supervising physician provides to the Executive Director of the Board every six (6) months a written statement confirming that Mr. Rhoads is practicing as a physician assistant with reasonable skill and safety for patients; and

g. During the five (5) year period of probation, should Mr. Rhoads apply for prescriptive writing privilege approval, he will be limited to the prescribing of non-controlled substances only.

4. If Mr. Rhoads violates any of the terms of this Consent Order, as determined by the Board, the Board may terminate and dissolve the **STAY** of **SUSPENSION** herein imposed, upon written notice of the same to Mr. Rhoads, and Mr. Rhoads understands that, notwithstanding any provision of law to the contrary, such termination and dissolution of the **STAY** of **SUSPENSION** may occur without any

Va. Code § 30-1-7a, during the licensure period from July 1, 2009, to June 30, 2011.
3. In Dr. Rodgers' licensure renewal application for the period from July 1, 2011, to June 30, 2013, submitted to the Board and dated May 16, 2011, Dr. Rodgers represented that he had completed the required minimum number of fifty (50) hours of CME coursework,

including two (2) hours of CME in the subject of end-of-life care including pain management, during the preceding licensure period from July 1, 2009, to June 30, 2011.

4. The random audit revealed that, while Dr. Rodgers had completed fifty (50) hours of approved CME coursework during the preceding licensure period from July 1, 2009, to June 30, 2011, he had failed to complete the required two (2) hours of CME coursework in the subject of end-of-life care including pain management during that time period.

5. 6. On July 12, 2012, Dr. Rodgers responded to the Initiated Complaint, and stated that when he completed his renewal application, he thought that he had completed all of the required CME coursework, including the required two (2) hours of end of life care including pain management.

CONCLUSIONS OF LAW

1. The Board has a mandate pursuant to W. Va. Code § 30-3-1 to protect the public interest.

CSR 6 4.2 and 4.4, relating to the renewal of a license to practice medicine and surgery by making a false statement in connection with a licensure application.

3. It is appropriate to waive the commencement of proceedings against Dr. Rodgers and to proceed without the filing of formal charges in a Complaint and Notice of Hearing provided that Dr. Rodgers complies with the terms and conditions set forth herein.

CONSENT

2. Dr. Rodgers further acknowledges that he has the following rights, among others: the right to a formal hearing before the Board, the right to reasonable notice of said hearing, the right to be represented by counsel at his own expense, the right to cross-examine witnesses against him, and the right to appeal under Chapter 29A of the West Virginia Code in the event of a final order or decision adverse to him;
3. Dr. Rodgers waives all such rights;
4. Dr. Rodgers consents to the entry of this Order relative to his practice of medicine and surgery in the State of West Virginia, and
5. Dr. Rodgers understands that this Order is considered public information.

ORDER

WHEREFORE, on the basis of the foregoing Findings of Fact and Conclusions of Law, and the consent of Dr. Rodgers, the West Virginia Board of Medicine hereby **ORDERS** as follows:

1. Dr. Rodgers shall complete, and provide certification of his completion to the Board, within ninety (90) days of the entry of this Order, two (2) hours of approved CME coursework in the subject of end-of-life care including pain management. The CME credit submitted by Dr. Rodgers pursuant to this provision shall not be applied to or transferred to any subsequent renewal period.
2. Dr. Rodgers also shall pay a **CIVIL FINE** in the amount of One Hundred Dollars (\$100.00) per credit hour for his prior deficiency of two (2) hours of CME coursework during the licensure period of July 1, 2009, to June 30, 2011, in addition to a one-time **ADMINISTRATIVE FEE** in the amount of One Hundred Dollars (\$100.00), for a total of **Three Hundred Dollars (\$300.00)**, which fine and administrative fee shall be received by the Board on or before October 1, 2012.

BEFORE THE WEST VIRGINIA BOARD OF MEDICINE

IN RE: LUKASZ ROSTOCKI, M.D.

Complaint No. 12-73-W

CONSENT ORDER

The West Virginia Board of Medicine (“Board”) and Lukasz Rostocki, M.D. (“Dr. Rostocki”), freely and voluntarily enter into the following Consent Order pursuant to W. Va. Code § 30-3-1, *et seq.*:

FINDINGS OF FACT

1. Lukasz Rostocki, M.D., holds a license to practice medicine and surgery in the State of West Virginia, License No. 22220, which was originally issued in 2006. His address of record with the Board is in Summersville, West Virginia.
2. In January 2012, Dr. Rostocki was the subject of a random audit by the Board to determine whether he had completed the required minimum number of fifty (50) hours of continuing medical education (“CME”) coursework, as described in 11 CSR 6 2.2, including two (2) hours in the subject of end-of-life care including pain management as described in W. Va. Code § 30-1-7a since 2001, during the licensure period from July 1, 2009, to June 30, 2011.
3. In Dr. Rostocki’s licensure renewal application for the period from July 1, 2011, to June 30, 2013, submitted to the Board and dated May 13, 2011, Dr. Rostocki represented that he had completed the required minimum number of fifty (50) hours of CME

coursework, including two (2) hours of CME in the subject of end-of-life care including pain management since 2001, during the preceding licensure period from July 1, 2009, to June 30, 2011.

4. In Dr. Rostocki's licensure renewal application for the period from July 1, 2009, to June 30, 2011, submitted to the Board and dated June 14, 2009, Dr. Rostocki represented that he had completed the required minimum number of fifty (50) hours of CME coursework, including two (2) hours of CME in the subject of end-of-life care including pain management since 2001, during the preceding licensure period from July 1, 2007, to June 30, 2009.

5. In Dr. Rostocki's licensure renewal application for the period from July 1, 2007, to June 30, 2009, submitted to the Board and dated May 16, 2007, Dr. Rostocki represented that he had completed the required minimum number of fifty (50) hours of CME coursework, including two (2) hours of CME in the subject of end-of-life care including pain management since 2001, during the preceding licensure period from July 1, 2005, to June 30, 2007.

6. The random audit revealed that, while Dr. Rostocki had completed fifty (50) hours of approved CME coursework during the licensure period from July 1, 2009, to June 30, 2011, he had failed to complete the required two (2) hours of CME coursework in the subject of end-of-life care including pain management subsequent to the year 2001.

7. In July 2012, the Complaint Committee of the Board initiated a complaint against Dr. Rostocki based upon his apparent deficiency of two (2) hours of CME coursework in the subject of end-of-life care including pain management and his inaccurate certification that he had completed the same during the preceding licensure periods from July 1, 2009, to June 30, 2011; July 1, 2007, to June 30, 2009, and from July 1, 2005, to June 30, 2007.

8. On July 26, 2012, Dr. Rostocki responded to the Initiated Complaint and stated that his failure to complete the required CME coursework, including the required two (2) hours of end of life care including pain management, was an oversight.

9. Dr. Rostocki provided documentation to the Board that he had completed two hours of CME coursework on the subject of "Palliative and End-of-Life Care" on March 3, 2012, which was subsequent to the periods for which he had represented that he had completed the required two (2) hours of CME coursework in the subject of "end-of-life care, including pain management."

CONCLUSIONS OF LAW

1. The Board has a mandate pursuant to W. Va. Code § 30-3-1 to protect the public interest.

2. Probable cause may exist to substantiate charges pursuant to the provisions of W. Va. Code § 30-3-14(c)(17) and 11 CSR 1A 12.1(e) and (j), relating to unprofessional conduct, and W. Va. Code § 30-3-14(c)(1) and (17), 11 CSR 1A 12.1(a), and 11 CSR 6 4.2 and 4.4, relating to the renewal of a license to practice medicine and surgery by making a false statement in connection with a licensure application.

3. It is appropriate to waive the commencement of proceedings against Dr. Rostocki and to proceed without the filing of formal charges in a Complaint and Notice of Hearing provided that Dr. Rostocki complies with the terms and conditions set forth herein.

CONSENT

Lukasz Rostocki, M.D., by affixing his signature hereon, agrees solely and exclusively for purposes of this Consent Order to the following:

1. Dr. Rostocki acknowledges that he is fully aware that, without his consent, no permanent legal action may be taken against him except after a hearing held in accordance with W. Va. Code § 30-3-14(h) and W. Va. Code § 29A-5-1, *et seq.*;
2. Dr. Rostocki further acknowledges that he has the following rights, among others: the right to a formal hearing before the Board, the right to reasonable notice of said hearing, the right to be represented by counsel at his own expense, the right to cross-examine witnesses against him, and the right to appeal under Chapter 29A of the West Virginia Code in the event of a final order or decision adverse to him;
3. Dr. Rostocki waives all such rights;
4. Dr. Rostocki consents to the entry of this Order relative to his practice of medicine and surgery in the State of West Virginia, and
5. Dr. Rostocki understands that this Order is considered public information.

ORDER

WHEREFORE, on the basis of the foregoing Findings of Fact and Conclusions of Law, and the consent of Dr. Rostocki, the West Virginia Board of Medicine hereby **ORDERS** as follows:

1. Dr. Rostocki shall pay a **CIVIL FINE** in the amount of One Hundred Dollars (\$100.00) per credit hour for his prior deficiency of two (2) hours of CME coursework during the

licensure periods of July 1, 2009, to June 30, 2011; July 1, 2007, to June 30, 2009, and from July 1, 2005, to June 30, 2007, in addition to a one-time **ADMINISTRATIVE FEE** in the amount of One Hundred Dollars (\$100.00), for a total of **Three Hundred Dollars (\$300.00)**, which fine and administrative fee shall be received by the Board on or before October 1, 2012.

2. In the event that Dr. Rostocki fails to comply with the requirement stated in the preceding paragraph of this Order, his license to practice medicine in the State of West Virginia shall be **SUSPENDED** effective immediately without further process or hearing, pending his successful completion of this requirement, as agreed to by him, and required by this Order.

3. Upon the Board's determination that Dr. Rostocki is in full compliance with the terms and conditions of this Consent Order, the Initiated Complaint against him shall be dismissed immediately.

The foregoing Order was ENTERED this 6th day of November, 2012.

BEFORE THE WEST VIRGINIA BOARD OF MEDICINE

IN RE: ALYAMAN SAEED, M.D.

CONSENT ORDER

The West Virginia Board of Medicine ("Board") and Alyaman Saeed, M.D. ("Dr. Saeed") freely and voluntarily enter into the following Consent Order pursuant to W. Va. Code § 30-3-1, et seq.

FINDINGS OF FACT

1. Dr. Saeed held medical License Number 20397 in the State of West Virginia, which license lapsed July 1, 2003, and Dr. Saeed's address of record with the Board is in Leesburg, Virginia.

2. In October 2011, Dr. Saeed requested reactivation of License Number 20397 to practice medicine and surgery in the State of West Virginia, and in the course of submitting documents in support of such licensure, it became evident that Dr. Saeed had not received fifty (50) hours of continuing medical education for two (2) of the two (2) year cycles during the period that his license had been lapsed, one (1) of which two (2) year cycles was recent and during the last four (4) years, from July 2007 through June 2009.

3. Thus, it was necessary for Dr. Saeed to request that the Board accept the total number of hours he submitted for all of the five (5) two (2) year time periods during which Dr. Saeed's license was lapsed.

4. Dr. Saeed meets the requirements for active licensure under the West Virginia Medical Practice Act, as he acquired a satisfactory total number of continuing education

hours, but for him to receive reactivation of his license without an appropriate condition and limitation upon his active license, under all the circumstances of this case, could adversely affect the health and welfare of patients.

CONCLUSIONS OF LAW

1. Probable cause exists to deny Dr. Saeed an active license to practice medicine and surgery in this State due to the provisions of W. Va. Code § 30-3-14(c)(17) and 11 CSR 1A 12.1(bb), relating to failing to comply with the Board requirements relating to continuing medical education.

2. The Board determined under all the circumstances that it is appropriate to grant Dr. Saeed an active license to practice medicine and surgery in the State of West Virginia, provided he agrees to this action against his license.

CONSENT

Alyaman Saeed, M.D., by affixing his signature hereon, agrees solely and exclusively for purposes of this agreement and the entry of the Order provided for and stated herein, and proceedings conducted in accordance with this Order, to the following:

1. Dr. Saeed acknowledges that he is fully aware that, without his consent here given, no permanent legal action may be taken against him except after a public hearing held in accordance with W. Va. Code § 30-3-14(h) and § 29A-5-1, et seq.;

2. Dr. Saeed further acknowledges that he has the following rights, among others: the right to a formal public hearing before the Board, the right to reasonable notice of said hearing, the right to be represented by counsel at his own expense, the right to cross-

examine witnesses against him, and the right to appeal under Chapter 29A of the West Virginia Code in the event of a final order or decision adverse to him;

3. Dr. Saeed waives all such rights;

4. Dr. Saeed consents to the entry of this Order relative to his practice of medicine in the State of West Virginia, and;

5. Dr. Saeed understands that this Order is considered public information.

ORDER

WHEREFORE, on the basis of the foregoing Findings of Fact and Conclusions of Law of the Board, and on the basis of the Consent of Dr. Saeed, the West Virginia Board of Medicine hereby **ORDERS** as follows:

1. Dr. Saeed is granted **ACTIVE** status for medical License Number 20397, in the State of West Virginia, effective upon date of entry of this Consent Order.

2. On or before April 13, 2012, Dr. Saeed shall pay a fine of one thousand dollars (\$1,000) for failing to comply with the Board's continuing medical education requirements, as set forth in the Findings of Fact in this Consent Order, the receipt of which one thousand dollars (\$1,000) is acknowledged by the signatures hereon of the President and Secretary of the Board.

The foregoing Consent Order was entered this 23rd day of April, 2012.

IN RE: JESSICA BETH SALANSKY, M.D.

CONSENT ORDER

The West Virginia Board of Medicine (“Board”) and Jessica Beth Salansky, M.D. (“Dr. Salansky”), freely and voluntarily enter into the following Consent Order pursuant to W. Va. Code § 30-3-1, *et seq.*:

FINDINGS OF FACT

1. Jessica Beth Salansky, M.D., holds a license to practice medicine and surgery in the State of West Virginia, License No. 24142, which was originally issued in July 2010. Her address of record with the Board is in South Charleston, West Virginia.

2. In January 2012, Dr. Salansky was the subject of a random audit by the Board to determine whether she had completed the required minimum number of fifty (50) hours of continuing medical education (“CME”) coursework, as described in 11 CSR 6 2.2, including two (2) hours in the subject of end-of-life care including pain management as described in W. Va. Code § 30-1-7a, during the licensure period from July 1, 2009, to June 30, 2011.

3. In Dr. Salansky’s licensure renewal application for the period from July 1, 2011, to June 30, 2013, submitted to the Board and dated June 14, 2011, Dr. Salansky represented that she had completed the required minimum number of fifty (50) hours of CME coursework, including two (2) hours of CME in the subject of end-of-life care including pain management, during the preceding licensure period from July 1, 2009, to June 30, 2011.

4. The random audit revealed that, while Dr. Salansky had completed fifty (50) hours of approved CME coursework during the preceding licensure period from July 1, 2009, to June 30, 2011, she had failed to complete the required two (2) hours of CME coursework in the subject of end-of-life care including pain management during that time period.

5. In May 2012, the Complaint Committee of the Board initiated a complaint against Dr. Salansky based upon her apparent deficiency of two (2) hours of CME coursework in the subject of end-of-life care including pain management and her inaccurate certification that she had completed the same during the preceding licensure period from July 1, 2009, to June 30, 2011.

6. On June 4, 2012, Dr. Salansky responded to the Initiated Complaint, and stated that when she completed her renewal application, she was under the impression that she had completed the required two (2) hours of end of life care including pain management as part of her initial requirements for licensure in 2010.

7. Dr. Salansky provided documentation to the Board on April 2, 2012, that she had completed two (2) hours of CME coursework on the subject of “End of Life Care: The Latest Incl. Pain Management Webcourse” on March 27, 2012.

CONCLUSIONS OF LAW

1. The Board has a mandate pursuant to W. Va. Code § 30-3-1 to protect the public interest.

2. Probable cause may exist to substantiate charges pursuant to the provisions of W. Va. Code § 30-3-14(c)(17) and 11 CSR 1A 12.1(e) and (j), relating to unprofessional conduct, and W. Va. Code § 30-3-14(c)(1) and (17), 11 CSR 1A 12.1(a), and 11

CSR 6 4.2 and 4.4, relating to the renewal of a license to practice medicine and surgery by making a false statement in connection with a licensure application.

3. It is appropriate to waive the commencement of proceedings against Dr. Salansky and to proceed without the filing of formal charges in a Complaint and Notice of Hearing provided that Dr. Salansky complies with the terms and conditions set forth herein.

CONSENT

Jessica Beth Salansky, M.D., by affixing her signature hereon, agrees solely and exclusively for purposes of this Consent Order to the following:

1. Dr. Salansky acknowledges that she is fully aware that, without her consent, no permanent legal action may be taken against her except after a hearing held in accordance with W. Va. Code § 30-3-14(h) and W. Va. Code § 29A-5-1, *et seq.*;

2. Dr. Salansky further acknowledges that she has the following rights, among others: the right to a formal hearing before the Board, the right to reasonable notice of said hearing, the right to be represented by counsel at her own expense, the right to cross-examine witnesses against her, and the right to appeal under Chapter 29A of the West Virginia Code in the event of a final order or decision adverse to her;

3. Dr. Salansky waives all such rights;

4. Dr. Salansky consents to the entry of this Order relative to her practice of medicine and surgery in the State of West Virginia, and

5. Dr. Salansky understands that this Order is considered public information.

ORDER

WHEREFORE, on the basis of the foregoing Findings of Fact and Conclusions of Law, and the consent of Dr. Salansky, the West Virginia Board of Medicine hereby **ORDERS** as follows:

IN RE:

STEPHEN SCHEMENAUER, P.A.-C.

CONSENT ORDER

The West Virginia Board of Medicine (“Board”) and Stephen Schemenauer, P.A.-C. (“Mr. Schemenauer”) freely and voluntarily enter into the following Consent Order pursuant to West Virginia Code §30-3-1, *et seq.* and 11 CSR 1B 10.1.

FINDINGS OF FACT

1. Mr. Schemenauer was licensed as a physician assistant by the Board in September 2007, and held License No. 01309, until it was revoked effective November 28, 2007.
2. Mr. Schemenauer was again licensed by Consent Order effective November 20, 2008, and he held the license until he surrendered it to the Board effective May 20, 2009.
3. Mr. Schemenauer has applied to the Board for reinstatement of physician assistant licensure in 2011.
4. Mr. Schemenauer appeared before the Physician Assistant Committee in November 2011, and the Physician Assistant Committee members in addition to reviewing all the required materials presented, had a full and free discussion with Mr. Schemenauer regarding his third treatment for chemical dependency for a three (3) month period in 2009 and 2010, his continuing full and compliant participation and monitoring with the West Virginia Medical Professionals Health Program, Inc. (“WVMPHP”), his two (2) years of sobriety, and his health and well being.

5. Written reports were obtained from Mr. Schemenauer's treating psychiatrist and treating psychologist wherein they affirmed his commitment to sobriety, and found no contraindications to Mr. Schemenauer's continued recovery and to his return to physician assistant practice.

6. The Physician Assistant Committee has determined that Mr. Schemenauer is in good health and he meets the requirements for reinstatement of physician assistant License No. 01309, though permitting such reinstatement without attaching certain accommodations, restrictions and limitations upon his license could adversely affect the health and welfare of a patient.

CONCLUSIONS OF LAW

1. The West Virginia Board of Medicine has a mandate pursuant to West Virginia Code §30-3-1, to protect the public interest.

2. Probable cause exists to deny reinstatement of licensure as a physician assistant to Mr. Schemenauer, pursuant to provisions of 11 CSR 1B 10.1 (d) and (h) and 11.

3. It is appropriate and in the public interest to reinstate the license of Mr. Schemenauer with certain accommodations, restrictions and limitations upon his licensure as a physician assistant in the State of West Virginia.

CONSENT

Stephen Schemenauer, P.A.-C., by affixing his signature hereon, agrees solely and exclusively for purposes of this agreement and the entry of the Order provided for and stated herein, and proceedings conducted in accordance with this Order to the following:

1. Mr. Schemenauer acknowledges he is fully aware that, without his consent, here given, no permanent legal action may be taken against him except after a hearing held in accordance with 11 CSR 1B 10.1 and West Virginia Code §30-3-16 and §29A-5-1, *et seq.*;

2. Mr. Schemenauer acknowledges that he has the following rights, among others: the right to a formal hearing before the West Virginia Board of Medicine, the right to reasonable notice of said hearing, the right to be represented by counsel at his own expense, the right to cross-examine witnesses against him, and the right to appeal under Chapter 29A of the West Virginia Code in the event of a final order or decision adverse to him;

3. Mr. Schemenauer waives all such rights;

4. Mr. Schemenauer consents to the entry of this Order relative to his practice as a physician assistant in the State of West Virginia; and

5. Mr. Schemenauer understands that this Consent Order is considered public information, and that matters contained herein may be reported, as required by law, to the National Practitioner Data Bank and the Healthcare Integrity and Protection Data Bank.

ORDER

WHEREFORE, on the basis of the foregoing Findings of Fact and Conclusions of Law of the Board, and the foregoing consent of Mr. Schemenauer, the West Virginia Board of Medicine hereby **ORDERS** as follows:

1. The license to practice as a physician assistant in the State of West Virginia of Mr. Schemenauer, License No. 01309, is reinstated effective upon entry of this order for a period of one (1) year, automatically expiring on December 1, 2012, and automatically

expiring prior to that date should it be reported that Mr. Schemenauer is not in compliance with his agreement as a participant with WVMPHP.

2. Mr. Schemenauer shall continue as a compliant participant with the WVMPHP.

3. Mr. Schemenauer shall be under direct supervision by his supervising physician until he appears before the Physician Assistant Committee at its regular meeting in March 2012 for a full discussion of his health and well being and until the end of March 2012.

4. Mr. Schemenauer's supervising physician shall provide a written report to the Board no later than February 27, 2012, stating that he has assessed and is confident in Mr. Schemenauer's ability and performance as a physician assistant.

5. Mr. Schemenauer may work as a physician assistant no more than forty (40) hours each week.

6. Mr. Schemenauer may not apply for nor receive prescriptive privileges.

7. Mr. Schemenauer shall appear before the Physician Assistant Committee in July and November 2012, for a full discussion of his health and well being.

8. Mr. Schemenauer's treating psychiatrist and psychologist shall each provide written reports to the Board on or before May 1, 2012 and September 1, 2012, addressing Mr. Schemenauer's ability to practice as a physician assistant with reasonable skill and safety for patients.

9. Mr. Schemenauer shall provide a copy of this Consent Order to his supervising physician and his treating psychiatrist and to his treating psychologist, all within five (5) days of entry of this Consent Order.

The failure of Mr. Schemenauer to comply with any of the terms of this Consent Order, as determined by the Board, shall constitute grounds for further discipline of his licensure as a physician assistant in the State of West Virginia by this Board.

The foregoing Order was entered this 2nd day of December, 2011.

3. The Board subsequently contacted the Magistrate Court of Roane County, which provided the Board with copies of documents relating to one felony charge and three misdemeanor charges which were brought against Dr. Seen on October 31, 2012.

4. One Criminal Complaint issued against Dr. Seen on October 31, 2012, in Case Nos. 12-F-276, 12-M-997 and 12-M-998 reflects that probable cause was found to exist and warrants issued for violations of West Virginia Code § 61-8D-3(c) for child abuse creating risk of injury, West Virginia Code § 61-2-9(c) for battery and West Virginia Code § 61-2-9[b] assault. See, Criminal Complaint in Case Nos. 12-F-276, 12-M-997 and 12-M-998, attached hereto as Exhibit B.

5. The Criminal Complaint attached as Exhibit B indicates that it was based on information from the Complainant, who was identified as [West Virginia State Police] Trooper F. L. Hammack of Spencer. The Criminal Complaint reflects that it was based upon the following facts: "On 10/17/12 I was requested by Sgt. J. Caldwell of the Spencer City Police Department to investigate a child abuse complaint involving a 14-year-old male and Mr. Kenneth Seen, pastor of Christian Society of Roane County, located in Spencer. Sgt. Caldwell stated that the [REDACTED] is an employee of the City and would be more comfortable with an outside agency investigating the incident. On the same date, at approximately 1330 hours I began interviewing the victim and three other teenagers that were present. The victim told me that Mr. Seen picked him and his brother up to take them to church on October 7, 2012 in the evening. The victim stated that he was sitting on a ledge over the entrance and had his knife and cell phone. The victim stated that

Mr. Seen instructed him to get down and he did. The victim went on to say that he went to go back up and get his phone and knife and Mr. Seen grabbed him about the waist and threw him to the ground. The victim went on to say that Mr. Seen got on his back and began punching him with closed fists repeatedly. The victim stated that Mr. Seen took him into the rear of the building and pushed him into the refrigerator. The victim stated he used profanity and Mr. Seen then slapped him across the face. I spoke with three other teenage boys present and [sic] separate times. All of them recounted the incident as the victim did. No other adults were present at the time of the incident." See, Criminal Complaint in Case Nos. 12-F-276, 12-M-997 and 12-M-998, attached hereto as Exhibit B.

6. The Criminal Complaint attached as Exhibit B indicates that West Virginia Code § 61-8D-3(c) provides that "child abuse creating risk of injury" is defined as: "Any person who abuses a child and by the abuse creates a substantial risk of serious bodily injury or death." See, Criminal Complaint in Case Nos. 12-F-276, 12-M-997 and 12-M-998, attached hereto as Exhibit B.

7. The Criminal Complaint attached as Exhibit B indicates that West Virginia Code § 61-2-9(c) provides that battery is defined as: "Any person who unlawfully and intentionally makes physical contact of an insulting or provoking nature with the person of another or unlawfully an [sic] intentionally causes physical harm to another person." See, Criminal Complaint in Case Nos. 12-F-276, 12-M-997 and 12-M-998, attached hereto as Exhibit B.

8. The Criminal Complaint attached as Exhibit B indicates that West Virginia Code § 61-2-9(b) provides that assault is defined as: "Any person who unlawfully attempts to commit a violent injury to the person of another or unlawfully commits an act that places another in

reasonable apprehension of immediately receiving a violent injury.” See, Criminal Complaint in Case Nos. 12-F-276, 12-M-997 and 12-M-998, attached hereto as Exhibit B.

9. A second Criminal Complaint issued against Dr. Seen on October 31, 2012, in Case No. 12-M-996 reflects that probable cause was found to exist and a warrant issued for a violation of West Virginia Code § 61-2-9(c) for battery. See, Criminal Complaint in Case No. 12-M-996, attached hereto as Exhibit C.

10. The Criminal Complaint attached as Exhibit C indicates that it was based on information from the Complainant, who was identified as [West Virginia State Police] Trooper F. L. Hammack of Spencer. The Criminal Complaint reflects that it was based upon information from a Ms. Y____ W____ [redacted], who came to West Virginia State Police in Spencer to file a complaint regarding an assault committed against her father, J____ S____ [redacted]. The Complaint indicates that Ms. W____ reported that Roane General Hospital reported to her that Mr. S____, who suffered from dementia and Parkinson’s Disease, had bitten the tongue of Dr. Seen. It indicates that Trooper Hammack obtained Mr. S____’s medical records and had spoken with Dr. Seen, who alleged that Mr. S____ had “grabbed his tongue and pulled Dr. Seen close to him and then Dr. Seen’s memory fades. His statement claimed that he just remembered pain and blood.” See, Criminal Complaint in Case No. 12-M-996, attached hereto as Exhibit C.

11. The Criminal Complaint attached as Exhibit C further indicates that Trooper Hammack interviewed an Emergency Room doctor who had treated Dr. Seen after the incident. That doctor indicated that Dr. Seen could not have caused the injury to himself and that Dr. Seen’s version of events could not be true, according to the Complaint. The ER doctor and the nursing staff at Roane General Hospital also indicated that Mr. S____ was not physically able to have

carried out the actions described by Dr. Seen, according to the Complaint. See, Criminal Complaint in Case No. 12-M-996, attached hereto as Exhibit C.

12. The Board also obtained from the Magistrate Court of Roane County copies of four documents entitled "Warrant for Arrest," which reflect that warrants were issued in each of the four Criminal Complaints against Dr. Seen on October 31, 2012. See, four Warrants for Arrest, collectively attached hereto as Exhibit D.

13. The Board obtained documents from the Magistrate Court of Roane County indicating that Dr. Seen had made an initial appearance and had been released from jail after posting bond on November 1, 2012, in Case Nos. 12-F-276, 12-M-996 and 12-M-998, although all four charges against Dr. Seen are cited in the documents. See, "Initial Appearance: Rights Statement" and "Criminal Bail Agreement: Cash or Recognizance," attached hereto as Exhibit E.

14. On or about October 9, 2012, the Board received an Adverse Action Report from the National Practitioner Data Bank indicating that Roane General Hospital had reported a summary or emergency suspension of clinical privileges of Dr. Seen on September 7, 2012, as a result of an incident which occurred on August 31, 2012. See, Adverse Action Report dated October 8, 2012, attached hereto as Exhibit F.

15. The initial Adverse Action Report indicates that the Medical Executive Committee of Roane General Hospital concluded, following the investigation of an incident between Dr. Seen and a patient, that Dr. Seen had sustained an injury caused by the patient biting his tongue. The Medical Executive Committee could not determine a valid medical procedure which would allow for such an injury to have occurred, and Dr. Seen did not offer a reasonable explanation to explain the injury, according to the initial Adverse Action Report. The Medical Executive Committee

concluded that Dr. Seen's explanation was not credible and that the injury likely had evolved from Dr. Seen's inappropriate contact with the patient, according to the initial Adverse Action Report. See, Adverse Action Report dated October 8, 2012, attached hereto as Exhibit F.

16. On October 24, 2012, the Board received a "revision" Adverse Action Report from the National Practitioner Data Bank indicating that Roane General Hospital had reported that on October 19, 2012, its Board of Trustees had voted unanimously to affirm the Recommendation of the Medical Executive Committee. The report stated that "effective October 19, 2012, Dr. Kenneth Seen's clinical privileges and medical staff membership at/to Roane General Hospital were revoked and terminated." The report also indicates that that action is permanent. See, Adverse Action Report dated October 24, 2012, attached hereto as Exhibit G.

17. The continued licensing of Dr. Seen to practice medicine and surgery in the State of West Virginia presents a potential immediate danger to the public inasmuch as he has been charged with a felony involving child abuse and three misdemeanors relating to a child and to a patient.

CONCLUSIONS OF LAW

1. The West Virginia Board of Medicine has a mandate pursuant to the West Virginia Medical Practice Act to protect the public interest. West Virginia Code §30-3-1, et seq.
2. Probable cause exists to substantiate charges of disqualification of Dr. Seen from the practice of medicine and surgery in the State of West Virginia based upon West Virginia

Code §30-3-14(c)(17) and 11 CSR 1A 12.1(j), relating to unprofessional conduct including a departure from the standards of acceptable and prevailing medical practice.

3. West Virginia Code §30-3-14(k) and 11 CSR 3, 10.16 provide that:

...if the board determines the evidence in its possession indicates that a physician's continuation in practice or unrestricted practice constitutes an immediate danger to the public, the board may take any of the actions provided for in subsection (j) of this section on a temporary basis and without a hearing, if institution of procedures for a hearing before the board are initiated simultaneously with the temporary action and begin within fifteen days of the action. The board shall render its decision within five days of the conclusion of a hearing under this subsection.

ORDER

At its regular meeting on November 5, 2012, with a quorum of the Board present and voting, the Board found, with no dissenting votes, that under the facts and circumstances for Dr. Seen to continue to hold an active license to practice medicine and surgery in the State of West Virginia constitutes an immediate danger to the health, welfare, and safety of the public. The Board concluded, as a matter of law, that such danger to the public demands extraordinary measures.

Therefore, the Board, with a quorum present and voting, found, with no dissenting votes, that in accordance with its statutory mandate to protect the public interest, the license to practice medicine and surgery of Kenneth James Seen, M.D., License No. 15316, must be summarily **SUSPENDED** in accordance with West Virginia Code §30-3-14(k) and 11 CSR 3 10.16.

In all of the foregoing matters, Dr. Ferrebee, Dr. Wazir, Dr. Arnold and Ms. Henderson abstained from voting due to their participation in the finding of probable cause to substantiate charges against Dr. Seen as members of the Board's Complaint Committee.

WHEREFORE, the Board ORDERS that the license to practice medicine and surgery held by Kenneth James Seen M.D., License No. 15316, is SUMMARILY SUSPENDED, effective November 5, 2012, at 11:59 p.m.

NOTICE OF HEARING

Pursuant to West Virginia Code §30-3-14(k) and 11 CSR 3 10.16, if an action pursuant thereto is taken by the Board, institution of proceedings for a hearing before the Board must be initiated simultaneously with the temporary action and must begin within 15 days of such action.

Dr. Seen is hereby notified that on ~~Friday~~ ^{Monday 19th (Nov)}, the 16th day of November, 2012, at 6:00 p.m., the West Virginia Board of Medicine will convene in its offices at 101 Dee Drive, Charleston, West Virginia, with Herschel (Ned) Rose, III, presiding as the hearing examiner, for the purpose of hearing evidence with regard to the contents of this ORDER. At such hearing, Dr. Seen must be present in person and may be accompanied by counsel if he so desires. He may present any witnesses and/or evidence to show cause why his license to practice medicine and surgery in the State of West Virginia should not be subject to further restriction.

The foregoing ORDER OF SUMMARY SUSPENSION OF LICENSE TO PRACTICE MEDICINE AND SURGERY was ENTERED and the foregoing NOTICE OF HEARING was issued this 5th day of November, 2012.

DISCLAIMER FOR MALPRACTICE

Consumers should take the following factors into consideration when evaluating a physician's competence from malpractice data.

- A number of studies have been conducted to identify indicators of substandard care among physicians. There is no conclusive evidence that malpractice data correlates with professional competence.
- There are a variety of factors unrelated to professional competence or conduct which affect the likelihood that a physician will be the subject of a malpractice claim, such as, the physician's time in practice, the nature of the specialty, the types of patients treated, geographic location, etc. For example, certain medical specialties have a higher rate of malpractice claims because of

higher risk inherent to the field of practice.

- Settlements of malpractice cases by insurance companies are sometimes handled as business decisions. In the case of some minor claims, it is less expensive for the insurance company to make a monetary settlement than it is for them to take the case to court. Many times such cases are settled without a finding of fault or admission of guilt on the part of the physician.
- A payment in settlement of a medical malpractice action or claim should not be construed as creating a presumption that medical malpractice has occurred.

No. 0452 P. 6
CASE NO. 12M-996

(Criminal Complaint Continued)

On 09/18/12, Ms. Y [redacted] W [redacted] came to WVSP Spencer to file a complaint in reference to an assault committed on her father, Mr. J [redacted] S [redacted]. The victim is a resident at Roane General Hospital due to demensia and parkinson's disease. Mr. S [redacted] had recently broken his hip and was transferred to Cabel Huntington Hospital for treatment. Mr. S [redacted] was returned to Roane General on the date of incident and was confined to his bed. Ms. W [redacted] stated that she was informed by Ms. J [redacted] O [redacted] of Roane General that her father had bitten the tongue of his attending physician, Dr. Kenneth Seen. Ms. C [redacted] told Ms. W [redacted] that the attending nurses did clean blood from her father's face and removed an item from his mouth. Ms. [redacted] stated that she was informed that Dr. Seen traveled to [redacted] for stitches.

On today's date and time of report, Ms. W [redacted] brought an authorization to use and disclose protected health information. The document allows the West Virginia State Police to access Mr. S [redacted] medical records.

On Thursday, September 19, 2012 at approximately hours, I retrieved medical records from Roane General Hospital in regards to the incident reported by Mrs. W [redacted]. Among the information in the records was a history an examination conducted by Dr. [redacted] of Mr. S [redacted]. In the report, Dr. M [redacted] notes that on the previous evening, Mr. S [redacted] bit a portion of Dr. Seen's tongue. The report also states that Dr. Seen sought medical treatment. The report notes that there was no injury to Mr. S [redacted] and that he did not wish to discuss the events of the previous evening. I obtained search warrants for Dr. Seen's medical records generated from the night of the incident and any investigations conducted by the hospital.

On 10/02/12, I obtained said information and obtained among other items, Dr. Seen's statement of events. Dr. Seen claimed that Mr. S [redacted] motioned for him to come closer. Dr. Seen complied and in that moment, Mr. S [redacted] grabbed his tongue and pulled Dr. Seen close to him and then Dr. Seen's memory fades. His statement claimed that he just remembered pain and blood. I also obtained the names of the nurses and ER doctor that tended to Dr. Seen on that evening.

On 10/10/12, I obtained a statement form Dr. [redacted], who was the ER doctor at Roane General and tended to Dr. Seen. Dr. [redacted] stated that Dr. Seen had a significant portion of his tongue bit off and the injury was so that Dr. Seen could not have done it to himself. When presented with Dr. Seen's statement of how it happened, Dr. [redacted] stated that it could not be true. Dr. [redacted] explained that in order for Dr. Seen's statement to be correct, Mr. S [redacted] would have had to bite his own finger. In addition, Dr. [redacted] stated that Mr. S [redacted] would not be able to pick up any item, let alone grab Dr. Seen's tongue and hold on to it.

On 10/16/12, I obtained statements from the nursing staff that tended to both Dr. Seen and Mr. [redacted] on 08/31/12. The nursing staff told me that Mr. S [redacted] was never aggressive towards any of them before or after the incident with Dr. Seen. They all also agreed that Mr. S [redacted] was not physically able to carry out the actions described by Dr. Seen. Several of the medical staff claimed that Dr. Seen typed on his personal laptop computer that Mr. S [redacted] bit off his tongue.

On 10/26/12, I obtained medical records for [redacted] where Dr. Seen was referred for treatment. Dr. Seen's accounts to [redacted] were different from those he provided to RGH.

A. GENERAL: EITHER MISDEMEANOR OR FELONY OR BOTH

1. The magistrate has informed me that I am charged with the offense(s) of _____ and that, if I am later found guilty, the possible penalties are (state

mandatory minimum penalty, if any, and maximum penalty): ① ② up to 1 year jail and/or up to \$500 fine ③ up to \$3000 fine and 1-5 years prison ④ up to 6 months jail and/or up to \$100 fine

2. The magistrate has informed me that, if the W.Va. Code provides for a possible jail penalty, I have the right to be represented by an attorney at every further proceeding and that, if I qualify as being unable to afford to hire an attorney, one will be appointed to represent me. I understand that if I decide to represent myself, I cannot later claim that I was denied my right to be represented by an attorney.

DEFENDANT MUST INITIAL ONE OF THE FOLLOWING THREE CHOICES IF A JAIL PENALTY IS POSSIBLE:

- 7 (a) I give up my right to have an attorney represent me.
- 12 (b) I want to hire an attorney to represent me.
- (c) I want an attorney appointed to represent me.

I understand that, if I am found guilty, I might be required to reimburse the State for attorney fees even if a court-appointed or public-defender attorney is approved to represent me.

3. The magistrate has informed me that, except for any felony offense for which the penalty is life imprisonment, the magistrate may release me from custody while I am waiting for further proceedings on the charge(s) stated above if I am able to make bail generally as follows:

\$ 8000

10% CASH - Property

4. The magistrate has given me reasonable time and opportunity to talk with an attorney or with one relative or other person for the purpose of obtaining counsel or of arranging bail.

5. The magistrate has informed me that I do not have to make any statement to anyone other than the statements in this document and that any statement I do make may be used against me.

B. MISDEMEANOR CHARGE(S) ONLY

1. The magistrate has informed me that I have a right to plead not guilty; that I have a right to trial by a jury or by a magistrate without a jury; and that, if I plead guilty or no contest, I give up my right to a trial.

2. The magistrate has informed me that I have the right to demand a jury trial and that, if I want a jury trial, I must let the magistrate court know in writing no later than 20 days from the date of this initial appearance or, if I receive court-appointed counsel, 20 days from the date that an attorney is appointed. The magistrate has further informed me that if I demand a jury trial, then I may not withdraw my demand for a jury trial if the prosecuting attorney objects to the withdrawal. If I do not demand a jury trial within the 20-day period, I have also been informed that I give up my right to a jury trial, the magistrate will try my case without a jury and an appeal of a magistrate court conviction will not entitle me to a jury trial in circuit court. I understand as well that if I have a jury brought in, the jury fee will be assessed against me if I am convicted.

C. FELONY CHARGE(S) ONLY

~~1. The magistrate has informed me that, since I have been charged with a felony offense for which the penalty is life imprisonment, only the circuit court may grant and set bail.~~

2. The magistrate has informed me that, since I have been charged with a felony, I have the right to a preliminary hearing for a determination of whether any felony charge(s) should be bound over for possible presentation to a grand jury.

DEFENDANT MUST INITIAL ONE OF THE FOLLOWING THREE CHOICES:

(a) I want a preliminary hearing.

(b) I give up my right to a preliminary hearing.

(c) I or my attorney will inform the court whether I want a preliminary hearing. I understand that failure to inform the court within 10 days if I am not free on bail or within 20 days if I am free on bail will mean that I do not want a preliminary hearing and that the felony charge(s) against me will be bound over for possible presentation to a grand jury.

BEFORE THE WEST VIRGINIA BOARD OF MEDICINE

WEST VIRGINIA BOARD OF MEDICINE,

Petitioner,

COMPLAINT NO. 10-71-W

v.

MAHENDRAKUMAR CHIMANLAL SHAH, M.D.,

Respondent.

CONSENT ORDER

The West Virginia Board of Medicine ("Board") and Mahendrakumar Chimanlal Shah, M.D., ("Dr. Shah") freely and voluntarily enter into the following Consent Order pursuant to West Virginia Code §30-3-1, *et seq.*:

FINDINGS OF FACT

1. Dr. Shah currently holds an active license to practice medicine in the State of West Virginia, License No. 13785, which was originally issued in 1984. His address of record with the Board is in Point Pleasant, West Virginia.

2. In May 2010, the Complaint Committee of the Board ("Complaint Committee") initiated a complaint against Dr. Shah, based upon a report received from WeTip, Inc., regarding allegations that Dr. Shah was engaging patients in sexual activity in exchange for prescriptions in the course of his practice of medicine.

3. Dr. Shah filed a timely response to the complaint.

4. The Board conducted further investigation of the complaint, including the interviewing of witnesses and Dr. Shah's former patients and former employees, and the review of Dr. Shah's patient records and his controlled substance prescribing practices.

5. The Board's investigation revealed that Dr. Shah prescribed multiple controlled substances over a period of time to some patients whose medical conditions did not warrant the use of multiple controlled substances over such time.

6. The Board's investigation also revealed that Dr. Shah's medical record documentation did not always justify his course of treatment for some patients.

7. The Board proceeded to file a Complaint and Notice of Hearing relating to allegations against Dr. Shah, and he served a timely Answer to the Complaint and Notice of Hearing.

8. While the Board's investigation did not reveal evidence that Dr. Shah was exchanging prescriptions for sexual favors, in his Answer to the Board's Complaint and Notice of Hearing, Dr. Shah admitted that he had sexual relations with a patient. Dr. Shah denied all remaining allegations.

9. The Board subsequently filed an Amended Complaint and Notice of Hearing in which it added allegations regarding Dr. Shah. Dr. Shah denied the additional allegations in his Answer.

10. Dr. Shah desires to close his practice in Point Pleasant, retire from the practice of medicine and surrender his license to practice medicine and surgery in

the State of West Virginia in order to settle the allegations against him as set forth in the Board's Amended Complaint dated July 3, 2012.

CONCLUSIONS OF LAW

1. The West Virginia Board of Medicine has a mandate pursuant to West Virginia Code §30-3-1 to protect the public interest.

2. Probable cause exists to substantiate charges against Dr. Shah pursuant to West Virginia Code §30-3-14(c)(17) and 11 CSR 1A 12.1(e) and (j), relating to dishonorable, unethical or unprofessional conduct of a character likely to deceive, defraud, or harm the public; pursuant to West Virginia Code §30-3-14(c)(8) and 11 CSR 1A 12.1(r), relating to exercising influence within the patient-physician relationship for the purpose of engaging a patient in sexual activity; pursuant to West Virginia Code § 30-3-14(c)(13), relating to prescribing a prescription drug other than in good faith and in a therapeutic manner in accordance with accepted medical standards and in the course of the physician's professional practice; pursuant to West Virginia Code §30-3-14(c)(11) and 11 CSR 1A 12.1(u), relating to failing to keep written records justifying the course of treatment.; pursuant to West Virginia Code § 30-3-14(c)(17) and 11 CSR 1A 12.1(x), relating to malpractice and the failure to practice medicine with that level of care, skill and treatment which is recognized by a reasonable, prudent, similar physician as being acceptable under similar conditions and circumstances, and pursuant to West Virginia Code § 30-3-14(c)(17) and 11 CSR 1A 12.1(e) and (j), and 11 CSR 1A 12.2 a.D., relating to dishonorable, unethical or unprofessional conduct by prescribing controlled substances in such amounts that Dr. Shah knew or had reason to know, under the

attendant circumstances, that the amounts prescribed were excessive under accepted and prevailing medical practice standards.

3. The Board has determined that it is appropriate and in the public interest and for the health and welfare of patients to enter into this Consent Order in order to resolve the charges against Dr. Shah, as set forth in the Amended Complaint, provided that he surrenders his license to practice medicine and surgery in the State of West Virginia.

CONSENT

Mahendrakumar Chimanlal Shah, M.D., by affixing his signature hereon, agrees solely and exclusively for purposes of this agreement and the entry of the Order provided for and stated herein, and proceedings conducted in accordance with this Order to the following:

2. Dr. Shah acknowledges that he has the following rights, among others: the right to a formal hearing before the West Virginia Board of Medicine, the right to reasonable notice of said hearing, the right to be represented by counsel at his own expense, the right to cross-examine witnesses against him, and the right to appeal under Chapter 29A of the West Virginia Code in the event of a final order or decision adverse to him;

3. Dr. Shah waives all such rights;

4. Dr. Shah consents to the entry of this Order relative to his practice of medicine and surgery in the State of West Virginia; and

5. Dr. Shah understands that this Order is considered public information, and that matters contained herein may be reported, as required by law, to the National Practitioner Data Bank and the Healthcare Integrity and Protection Data Bank.

ORDER

WHEREFORE, on the basis of the foregoing Findings of Fact and Conclusions of Law and the foregoing Consent of Dr. Shah, the West Virginia Board of Medicine hereby **ORDERS** as follows:

1. Effective on August 31, 2012, at 12:01 a.m., Dr. Shah's license to practice medicine and surgery in West Virginia, No. 13785, is **SURRENDERED** to the Board.
2. Effective on August 31, 2012, at 12:01 a.m., Dr. Shah's drug dispensing registration issued by the Board, No. 01689, is **TERMINATED**.

4. Dr. Shah shall **CLOSE** and terminate his medical practice on or before August 31, 2012, at 12:01 a.m.

5. Dr. Shah shall not apply to the Board for licensure in the future, and, if he does, his application will be denied.

BEFORE THE WEST VIRGINIA BOARD OF MEDICINE

IN RE: MICHELE DAWN STATON, M.D.

CONSENT ORDER

The West Virginia Board of Medicine (“Board”) and Michele Dawn Staton, M.D., (“Dr. Staton”) freely and voluntarily enter into the following Consent Order pursuant to W. Va. Code § 30-3-1, *et seq.*:

FINDINGS OF FACT

1. Michele Dawn Staton, M.D., holds a license to practice medicine and surgery in the State of West Virginia, License No. 23359, which was originally issued in 2008. Her address of record with the Board is in Beckley, West Virginia.

2. In January 2012, Dr. Staton was the subject of a random audit by the Board to determine whether she had completed the required minimum number of fifty (50) hours of continuing medical education (“CME”) coursework as described in 11 CSR 6 2.2, including two (2) hours in the subject of end-of-life care including pain management as described in W. Va. Code § 30-1-7a during the licensure period from July 1, 2009, to June 30, 2011.

3. In Dr. Staton’s licensure renewal application for the period from July 1, 2011, to June 30, 2013, submitted to the Board and dated May 18, 2011, Dr. Staton represented that she had completed the required minimum number of fifty (50) hours of CME coursework, including two (2) hours of CME in the subject of end-of-life care including pain management during the preceding licensure period from July 1, 2009, to June 30, 2011.

4. The random audit revealed that Dr. Staton had completed fifty (50) hours of approved CME coursework during the preceding licensure period from July 1, 2009, to June 30, 2011. However, the audit revealed that Dr. Staton had failed to complete one (1) of the required two (2) hours of CME coursework in the subject of end-of-life care including pain management.

5. In May 2012, the Complaint Committee of the Board initiated a complaint against Dr. Staton based upon her apparent deficiency of one (1) hour of CME coursework in the subject of end-of-life care including pain management and her inaccurate certification that she had completed the same during the preceding licensure period from July 1, 2009, to June 30, 2011.

6. On June 1, 2012, Dr. Staton responded to the Initiated Complaint by stating that it was her understanding that the one (1) hour of CME that she obtained in pediatric pain management was not being credited towards the requirement of two (2) hours of CME coursework in end-of-life care including pain management, and that she apparently was mistaken in believing that this credit would meet the requirement.

CONCLUSIONS OF LAW

1. The Board has a mandate pursuant to W. Va. Code § 30-3-1 to protect the public interest.

2. Probable cause may exist to substantiate charges pursuant to the provisions of W. Va. Code § 30-3-14(c)(17) and 11 CSR 1A 12.1(e) and (j), relating to unprofessional conduct, and W. Va. Code § 30-3-14(c)(1) and (17), 11 CSR 1A 12.1(a), and 11

CSR 6 4.2 and 4.4, relating to the renewal of a license to practice medicine and surgery by making a false statement in connection with a licensure application.

3. It is appropriate to waive the commencement of proceedings against Dr. Staton and to proceed without the filing of formal charges in a Complaint and Notice of Hearing, provided Dr. Staton complies with the terms and conditions set forth herein.

CONSENT

Michele Dawn Staton, M.D., by affixing her signature hereon, agrees solely and exclusively for purposes of this Consent Order to the following:

1. Dr. Staton acknowledges that she is fully aware that, without her consent, no permanent legal action may be taken against her except after a hearing held in accordance with W. Va. Code § 30-3-14(h) and W. Va. Code § 29A-5-1, *et seq.*;

2. Dr. Staton further acknowledges that she has the following rights, among others: the right to a formal hearing before the Board, the right to reasonable notice of said hearing, the right to be represented by counsel at her own expense, the right to cross-examine witnesses against her, and the right to appeal under Chapter 29A of the West Virginia Code in the event of a final order or decision adverse to her;

3. Dr. Staton waives such rights;

4. Dr. Staton consents to the entry of this Order relative to her practice of medicine and surgery in the State of West Virginia, and

5. Dr. Staton understands that this Order is considered public information.

ORDER

WHEREFORE, on the basis of the foregoing Findings of Fact and Conclusions of Law, and the consent of Dr. Staton, the West Virginia Board of Medicine hereby **ORDERS** as follows:

1. Dr. Staton shall complete, and provide certification of her completion to the Board, within ninety (90) days of the entry of this Order, one (1) hour of approved CME in end-of-life care including pain management. The CME credits submitted by Dr. Staton pursuant to this provision shall not be applied to or transferred to any subsequent renewal period.

2. Dr. Staton shall also pay a **CIVIL FINE** in the amount of One Hundred Dollars (\$100.00) per credit hour for her prior deficiency of one (1) hour of CME coursework in end-of-life care including pain management for the licensure renewal period from July 1, 2009, to June 30, 2011, together with a one-time **ADMINISTRATIVE FEE** in the amount of One Hundred Dollars (\$100.00), for a total of **Two Hundred Dollars (\$200.00)**, which fine and administrative fee shall be received by the Board on or before August 1, 2012.

3. In the event that Dr. Staton fails to comply with the requirement stated in the preceding paragraph of this Order, her license to practice medicine in the State of West Virginia shall be **SUSPENDED** effective immediately, without further process or hearing, pending her successful completion of this requirement.

4. Upon the Board's determination that Dr. Staton is in full compliance with the terms and conditions of this Consent Order, the Initiated Complaint against her shall be dismissed immediately.

The foregoing Order was ENTERED this 9th day of August, 2012.

BEFORE THE WEST VIRGINIA BOARD OF MEDICINE

IN RE: EDWARD MCDANIEL TURPIN, JR., M.D.

CONSENT ORDER

The West Virginia Board of Medicine ("Board") and Edward McDaniel Turpin, Jr., M.D. ("Dr. Turpin") freely and voluntarily enter into the following Consent Order pursuant to W. Va. Code § 30-3-1, et seq.

FINDINGS OF FACT

1. Dr. Turpin held medical License Number 16850 in the State of West Virginia for two (2) years, which license was not renewed by Dr. Turpin and was therefore automatically suspended by operation of law July 1, 1993. The automatic suspension of Dr. Turpin's medical license was not a disciplinary action, but rather caused by a failure to apply for renewal of his medical license. Dr. Turpin did not renew his medical license because he elected to remain in a residency program outside of West Virginia.

2. Under West Virginia law, a physician seeking to renew his/her license is required to complete fifty (50) hours of continuing medical education during the preceding two (2) year period.

3. In December 2011, Dr. Turpin requested reactivation of License Number 16850 to practice medicine and surgery in the State of West Virginia. For the time period beginning July 1, 1993, Dr. Turpin was not able to produce documents showing fifty (50) hours of continuing medical education for five (5) of the two (2) year cycles during the period that his license remained automatically suspended, one (1) of which two (2) year cycles was recent and during the last four (4) years, from July 2007 through June 2009.

4. Thus, Dr. Turpin requested that the Board accept the total number of continuing medical education hours he submitted (in excess of 550 hours) for all of the ten (10) two (2) year time periods during which Dr. Turpin's medical license remained automatically suspended.

CONCLUSIONS OF LAW

1. For the time period July 1, 1993 to the present, Dr. Turpin was unable to produce documentation showing that he had completed fifty (50) hours of continuing medical education for each two (2) year period since 1993, and therefore Dr. Turpin was not in compliance with the Board's continuing medical education requirements relating to the renewal of his medical license.

2. Dr. Turpin acquired a satisfactory total number of continuing medical education hours during the past twenty (20) years and therefore the Board determined under all the circumstances that it is appropriate to grant Dr. Turpin an active license to practice medicine and surgery in the State of West Virginia, provided he agrees to this Consent Decree.

CONSENT

Edward McDaniel Turpin, Jr., M.D., by affixing his signature hereon, agrees solely and exclusively for purposes of this agreement and the entry of the Order provided for and stated herein, and proceedings conducted in accordance with this Order, to the following:

1. Dr. Turpin acknowledges that he is fully aware that, without his consent here given, no permanent legal action may be taken against him except after a public hearing held in accordance with W. Va. Code § 30-3-14(h) and § 29A-5-1, et seq.;

2. Dr. Turpin further acknowledges that he has the following rights, among others: the right to a formal public hearing before the Board, the right to reasonable notice of said hearing, the right to be represented by counsel at his own expense, the right to cross-examine witnesses against him, and the right to appeal under Chapter 29A of the West Virginia Code in the event of a final order or decision adverse to him;

3. Dr. Turpin waives all such rights;

4. Dr. Turpin consents to the entry of this Order relative to his practice of medicine in the State of West Virginia, and;

5. Dr. Turpin understands that this Order is considered public information.

ORDER

WHEREFORE, on the basis of the foregoing Findings of Fact and Conclusions of Law of the Board, and on the basis of the Consent of Dr. Turpin, the West Virginia Board of Medicine hereby **ORDERS** as follows:

1. Dr. Turpin is granted **ACTIVE** status for medical License Number 16850 in the State of West Virginia, effective upon the date of entry of this Consent Order.

2. BEFORE THE WEST VIRGINIA BOARD OF MEDICINE

IN RE: JOHN MEDEARIS VAN DEREN, III, M.D.

CONSENT ORDER

The West Virginia Board of Medicine ["Board"] and John Medearis Van Deren, III, M.D., ["Dr. Van Deren"] freely and voluntarily enter into the following Consent Order pursuant to West Virginia Code § 30-3-1, et seq.

FINDINGS OF FACT

1. Dr. Van Deren held medical license number 20097, which was initially issued in 2000 by the West Virginia Board of Medicine and revoked by the Board effective July 15, 2009. Dr. Van Deren's address of record with the Board is in Ashland, Kentucky.
2. Dr. Van Deren's medical license in Kentucky was surrendered in August 2009 and reinstated with conditions in February 2011.
3. Dr. Van Deren appeared before the Board's Licensure Committee in May 2012 pursuant to his submission to the Board of a new application for medical licensure in West Virginia.
4. During that appearance, Dr. Van Deren and the Licensure Committee discussed his three-month residential treatment at Bradford Health Services in Warrior, Alabama, from 2008-09; his subsequent reporting to and participation with both the Kentucky Physicians Health Foundation and the West Virginia Medical Professionals Health Program; his involvement with and dedication to his recovery for his addiction; his successful completion, satisfaction and expungement of a Diversion Agreement imposed by the Circuit Court of Boyd County, Kentucky, and his health and well-being.
5. The Licensure Committee recommended to the Board and the Board found that Dr. Van Deren should sit for and pass the Special Purpose Examination [SPEX] to determine if he is otherwise qualified to practice medicine pursuant to the requirements of West Virginia Code § 30-3-14(d).

6. The SPEX measures the knowledge and cognitive abilities required of all physicians, regardless of specialty, who graduated from medical school five or more years earlier.
7. The Licensure Committee recommended to the Board and the Board found that provided that Dr. Van Deren passed the SPEX, it would be appropriate to issue a license to practice medicine to him pursuant to a Consent Order which contained appropriate conditions, limitations and accommodations.
8. Dr. Van Deren passed the SPEX.
9. It is appropriate to grant Dr. Van Deren a license to practice medicine in West Virginia subject to his compliance with the provisions of this Consent Order.

CONCLUSIONS OF LAW

1. The Board has a mandate to protect the public interest pursuant to West Virginia Code § 30-3-1.
2. Probable cause exists to substantiate disqualification from the practice of medicine due to violations of West Virginia Code § 30-3-14(d) relating to being convicted of felonies involving unlawfully administering and dispensing controlled substances under state law for other than generally accepted therapeutic purposes.
3. The Board has determined in accordance with the Findings of Fact in this Consent Order that it is appropriate and lawful to grant Dr. Van Deren a license to practice medicine in the State of West Virginia provided that limitations, conditions and accommodations are placed upon such license.

CONSENT

JOHN MEDEARIS VAN DEREN, III, M.D., by affixing his signature hereon, agrees solely and exclusively for purposes of this Consent Order to the following:

1. Dr. Van Deren acknowledges that without his consent, herein given, no permanent legal action may be taken against him except after a hearing held in accordance with West Virginia Code § 30-3-14(h) and § 29A-5-1, et seq.;
2. Dr. Van Deren acknowledges that he has the following rights, among others: the right to a formal hearing before the West Virginia Board of Medicine, the right to reasonable

notice of said hearing, the right to be represented by counsel at his own expense, the right to cross-examine witnesses against him, and the right to appeal under Chapter 29A of the West Virginia Code in the event of a final order or decision adverse to him;

3. Dr. Van Deren waives all such rights;
4. Dr. Van Deren consents to the entry of this Consent Order relative to his practice of medicine and surgery in the State of West Virginia; and,
5. Dr. Van Deren understands that this Consent Order is considered public information, and that matters contained herein may be reported, as required by law, to the National Practitioner Data Bank and the Healthcare Integrity and Protection Data Bank.

ORDER

WHEREFORE, on the basis of the foregoing Findings of Fact and Conclusions of Law of the Board, and on the basis of the consent of Dr. Van Deren, the West Virginia Board of Medicine hereby **ORDERS** as follows:

1. Dr. Van Deren, having met the requirements for medical licensure in the State of West Virginia, is **GRANTED** a license to practice medicine and surgery in the State of West Virginia in an active status, License No. 20097, which is effective upon entry of this Order.
2. License No. 20097 is issued in a **PROBATIONARY** status until February 5, 2014, subject to Dr. Van Deren's compliance with all of the following:

- d. If at any time Dr. Van Deren is not in compliance with either the Kentucky Aftercare Contract or the reciprocal State(s) Voluntary Continuing Recovery Contract Agreement, his noncompliance shall be immediately reported in writing to the Board.
- e. Dr. Van Deren may neither apply for nor obtain any dispensing registration from the Board under Board Rule 11 CSR 5 and may not receive, administer, distribute or dispense controlled substances in or from his offices.
- f. During the duration of this Consent Order, Dr. Van Deren shall present a copy of this Consent Order to any employer or health care facility where Dr. Van Deren practices medicine or seeks to practice medicine.
- g. Dr. Van Deren shall abide by all the laws and rules of the Board.
- h. Dr. Van Deren shall review this Consent Order on a regular basis in order to prevent noncompliance.
- i. Dr. Van Deren shall appear before the Board's Licensure Committee at its regular meeting in November 2013 for a full discussion of his progress and health and well-being, and at any other time if requested by the Licensure Committee during the probationary period.
- j. At the option of either Dr. Van Deren or the Board, this Consent Order or a modified version thereof may again be entered into by the parties at the end of the probationary period.

The foregoing was entered this 30th day of November, 2012.
