

To gain access to the WV CSMP, please go to csapp.wv.gov.

- Click the register button
- Follow the screen prompts
- You will need:
 - NPI number, zip code
 - DEA number, zip code, expiration date
 - Board license number, expiration date
 - You will create the user name, password and will answer security questions (answers are case sensitive). Keep a record of this information. You will need it in the future.
 - The last screen will instruct you to fax or email your board license and DEA certificate (email address and fax number is shown on the screen).
 - Upon receipt, we will finally approve your access and you will receive a confirmation code in your email.
 - At that point, you will sign into the system with your user name and password and the system will prompt you to enter the confirmation code. *Once the confirmation code is entered, your access to the CSMP will be complete.*

To print your board certificate:

(note: this step cannot be taken until your access to the CSMP is complete)

- Sign into the system (csapp.wv.gov) with your user name and password.
- Click “Reports” on the menu bar at the top of the screen
- Click West Virginia (note: if this is your first time signing into reports, an “agree to use” policy will appear).
- Click Prescriber Reports
- Click Licensing Board Certificate
- Print certificate
