ATTENTION: PLEASE READ CAREFULLY **REINSTATEMENT APPLICATION INSTRUCTIONS**

If your West Virginia medical license expired on June 30, 2019, you are eligible to apply for reinstatement of licensure until June 30, 2020. Beginning July 1, 2020, you must apply for reactivation of licensure through a different application.

IMPORTANT INFORMATION FOR ALL APPLICANTS

By law, you **MUST** keep this office apprised of any and all address changes that occur during your registration period, including changes to your email address.

Because your original signature is required, applications are not accepted via facsimile or email.

To **AVOID** delay in licensure reinstatement, or continued **EXPIRATION** of your medical license, answer each question legibly and accurately. Review the entire application to verify that each answer is correct and complete. Illegible or incomplete applications **will be returned**. Applications received without the correct fee **will be returned**. We will be unable to finalize the processing of any application that is not complete.

Provide complete information in each of your responses. If you answer "yes" to any of the professional practice, character and fitness questions, you must provide a written explanation for each "yes" response and produce all related documentation. Your application will be considered **INCOMPLETE** if you do not provide the required explanations and documentation.

Your personal certification of accuracy and your original, dated signature is required in three different places on this application. Please review your responses carefully and make sure that you have signed and dated the form in all of the required locations.

Please do not delegate completion of the reinstatement application to any other person. Completion of the reinstatement application is solely the responsibility of the licensee.

Please keep a copy of your complete application for your records.

Mail your completed application and fee to:

REINSTATEMENT APPLICATION INSTRUCTIONS

Instructions for reinstatement applicants seeking an ACTIVE status license:

1. Reinstatement applicants seeking an ACTIVE STATUS license must pay the Patient Injury Compensation Fund's \$125 assessment fee prior to submitting a reinstatement application. More information regarding the PICF fee is available on the Board's website. This assessment must be paid online through the PICF fee portal on the Board's website at www.wvbom.wv.gov/assessment/. Because PICF fee assessment payments are deposited directly with the Board of Risk Management (BRIM), the Board cannot accept any other form of payment for the assessment. Do not send a check for the PICF fee assessment with your application.
2. Complete the reinstatement application, selecting ACTIVE STATUS, and return it to the Board office with the total fee of \$600 (\$400 active renewal fee and \$200 reinstatement fee). Make your check or money order payable to the West Virginia Board of Medicine.
3. Complete, sign and date the Continuing Medical Education Certification and provide documentation supporting successful completion of the required CME.
4. If you have prescribed or dispensed Schedule II, III or IV controlled substances pursuant to a West Virginia medical license since July 1, 2017, and have been registered with the West Virginia Controlled Substances Monitoring Database, you must submit a copy of your certificate of registration.

Instructions for reinstatement applicants seeking an INACTIVE status license:

1. INACTIVE STATUS means that you may not practice any type of medicine in West Virginia. Any practice of medicine whatsoever, including the writing of prescriptions, is ACTIVE PRACTICE. Continuing medical education is required whether your registration is in active or inactive status.
2. Complete the reinstatement application, selecting INACTIVE STATUS, and return it to this office with the total fee of \$225 (\$150 inactive renewal fee and \$75 reinstatement fee). Make your check or money order payable to the West Virginia Board of Medicine.
3. Complete, sign and date the Continuing Medical Education Certification and provide documentation supporting successful completion of the required CME.
4. If you have prescribed or dispensed Schedule II, III or IV controlled substances pursuant to a West Virginia medical license since July 1, 2017, and have been registered with the West Virginia Controlled Substances Monitoring Database, you will be required to submit a copy of your certificate of registration.

Certification of Continuing Medical Education Compliance – Include your AMA PRA Category I CME certificates and Drug Diversion Training certificate with your application. If the CME is not included, you will not be eligible to reinstate.

A. Mandatory Drug Diversion Training and Best Practice Prescribing of Controlled Substances Training

You must select one.

Between July 1, 2017 and today, I completed a minimum of three (3) hours of drug diversion training and best practice prescribing of controlled substances training through a course which has been approved by the West Virginia Board of Medicine. I attest that I have reviewed the list of Board approved courses on the Board's website, and that the course I took is on the list and was completed between July 1, 2017 and today.

OR

I attest that during the period of July 1, 2017 through June 30, 2019, I did not prescribe, administer, or dispense any controlled substance pursuant to a West Virginia license. I therefore request that the Board waive this CME requirement.

B. Other Continuing Medical Education for the Period of July 1, 2017 Through the Present

You must select one.

I hereby attest that between July 1, 2017 and today, I have successfully completed a minimum of fifty (50) hours of continuing medical education satisfactory to the Board. All courses for which I claim credit have been designated as Category 1 CME by the AMA or the AAFP. Thirty hours of courses for which I claim credit are within my designated area(s) of specialty. I understand that I cannot claim more than 20 hours of medical teaching/preceptorship towards my 50-hour total. I understand that if I am ineligible for a waiver of the mandatory drug diversion training and best practice prescribing of controlled substances training CME, I can include that course in my 50-hour total.

OR

I hereby attest that in addition to either completing the mandatory drug diversion training and best practice prescribing of controlled substances training, or requesting a waiver of that requirement:

- a. Between July 1, 2017 and today, I sat for and passed a certification or recertification examination of an American Board of Medical Specialties (ABMS) member board and received certification or recertification and I can provide written verification if requested by the Board; or
- b. I am American Board of Medical Specialties (ABMS) certified, and between July 1, 2017 and today, I have been successfully involved in maintenance of certification (MOC) and can provide written verification of MOC involvement from my ABMS Board if requested by the Board; or
- c. Between July 1, 2017 and June 30, 2019, I have successfully completed one full year of ACGME approved post-graduate training, and I can provide written verification from my program if requested by the Board.

Proof of Controlled Substance Monitoring Program Registration – All physicians who prescribe or dispense Schedule II, III and/or IV controlled substances pursuant to a West Virginia license are required to be registered with the West Virginia Controlled Substance Monitoring Program (CSMP). This is not the same as a DEA registration, and is obtained through the West Virginia Board of Pharmacy at <https://www.csappwv.com>.

Please check the box that is applicable to you. You must select one.

I am currently registered with the CSMP, and the date of registration as it appears on my CSMP registration certificate is: ____/____/_____. (mm/dd/yyyy)

I am not currently registered with the CSMP, but I understand that if I intend to prescribe or dispense any Schedule II, III and/or IV controlled substances pursuant to my West Virginia medical license, I must be registered to access the WVCSMP within 30 days of receipt of any medical license issued pursuant to this application.

CME and CSMP Attestation – I hereby attest that I have provided a true and accurate certification of my continuing education and my CSMP registration status, and that my CME attestation is supported by the CME certificates I have provided with my application.

Application Certification

I understand that as a licensee, I am required to personally complete this application, and I am solely responsible for the accuracy and completeness of the information provided, including all information regarding my practice since July 1, 2017, and my certification of successful completion of all required continuing medical education.

I understand that prior to dispensing or administering any controlled substances, including samples in an office-based setting, I must be registered with the Board as a controlled substance dispensing practitioner for each of my controlled substance dispensing locations.

I have carefully read and understood all the questions included on each page of this reinstatement application and have answered all the questions completely, without reservations of any kind. I declare that my answers and all statements made by me herein are true and correct.

I understand that any license issued based upon this reinstatement application is based on the truth of the statements contained herein. Should I furnish false or misleading information in this reinstatement application, I hereby agree and understand that any such act shall constitute good cause for disciplinary action and/or the subsequent revocation of my license.

I understand that regardless of the date of my signatures, all statements in this reinstatement application relate to the entire period of July 1, 2017 to present. If, after I provide my signature and prior to reinstatement of my license, any answer should change for any reason, I have a duty to notify the Board and amend my reinstatement application.
