Dr. Sheth reported that the Executive/Management Committee met yesterday, July 9, 2023, at which time the Committee reviewed the fiscal report and purchasing card transactions for the months of April, May and June 2023. The Board continues to remain in a good financial position. As Mr. Spangler has not had an opportunity to review the fiscal reports and purchasing card transactions, the Committee deferred acceptance of the documents to the September 2023 meeting.

**EXECUTIVE /
MANAGEMENT
COMMITTEE
REPORT**

Dr. Sheth reported that the Board was recently audited by the West Virginia Purchasing Division. All areas of noncompliance were relatively minor in nature. Board staff are preparing a Corrective Action Plan to be submitted to the Purchasing Division. Board staff will continue to attend training sessions offered by the West Virginia Purchasing Division and will stay apprised of purchasing requirements.

Dr. Sheth reported that the Board has contracted with five hearing examiners and one court reporting agency for Fiscal Year 2024.

Dr. Sheth reported that in response to legislation that was passed during the 2023 regular session of the West Virginia Legislature, the Board is required to make a roster of licensed or registered practitioners available on the Board's website. The roster must include the practitioner's name, mailing address and the municipality or county of residence. Historically, mailing addresses have not been provided on the website. Prior to publishing a roster with the new components on the Board's website, the Committee directed Board staff to engage in outreach and provide current credential holders notice, with an opportunity to review and update his/her current mailing address. To provide adequate notice, the new roster will be published ninety days after notice and will be updated monthly thereafter. The Committee also authorized staff to include public information in the roster which is most commonly requested by public records requests, such as license numbers, statuses and expiration dates.

Dr. Sheth reported that the Committee directed staff to conduct a review of all Board of Medicine applications to determine if modernization is needed. The review will focus on ensuring that the application questions are evidence based and relate to eligibility standards and appropriate public protection.

Dr. Sheth reported that the Committee received an update regarding 2023 renewal. Renewal statistics will be provided later this morning as part of the Licensure Committee Report.

Dr. Sheth reported that the Committee reviewed an inquiry regarding whether an IV Infusion Center needs to register with the Board of Medicine as a medical corporation/company. The Committee directed Board staff to reply to the inquiry and advise that registration with the Board is not required at this time.

Prior to today's meeting, a proposed comment related to amendments to rules promulgated by the Interstate Medical Licensure Compact Commission (IMLCC), was made available for members to review. Dr. Sheth reported that the IMLCC is accepting written comments with regard to proposed amendments to three IMLCC rules through 8:00 pm Eastern Time today, July 10, 2023. Dr. Sheth reported that the Committee received an update on the following litigation matters:

- *JH v. West Virginia Board of Medicine* – this matter remains pending before the United States Supreme Court. The West Virginia Attorney General's Office is representing the Board in this matter.
- Mass Litigation Opioid Litigation Pharmacy Case - the claim against Kroger has been settled.

Dr. Sheth reported that in June 2023, the Legislative Committee met and authorized Board staff to file Notice of Comment Period with regard to W. Va. Code R. § 11-1B-1 *et seq.*, *Licensure, Practice Requirements, Disciplinary and Complaint Procedures*,

Continuing Education, Physician Assistants, and W. Va. Code R. § 11-6-1 et seq., Continuing Education for Physicians and Podiatric Physicians. The comment period concludes at 4:30 pm on July 21, 2023. No substantive comments have been received to date; therefore, the Legislative Committee did not meet this weekend, but will need to meet in July following the conclusion of the comment period to consider any comments received. The Committee recommended that the Board authorize the Legislative Committee to act on behalf of the Board as necessary with regard to rulemaking, including authorizing an agency approved version of W. Va. Code R. § 11-1B-1 *et seq.* and W. Va. Code R. § 11-6-1 *et seq.* The motion of the Committee was given by Dr. Sheth, and the motion carried without opposition.

The Committee recommended that the Board accept and ratify the Executive/Management Committee Report. The motion of the Committee was given by Dr. Sheth, and the motion carried without opposition.

Mr. Foster reported that a hearing convened in May 2023. This matter will likely come before the Board for action in September 2023.
