2025 RENEWAL INSTRUCTIONS FOR ALLOPATHIC EDUCATIONAL PERMITS

The Board only accepts applications which are: complete; legible; and contain signatures in Sections A and B.

SECTION A: TO BE COMPLETED BY APPLICANT	SECTION B: TO BE COMPLETED BY PROGRAM DIRECTOR/DESIGNEE			
1. Provide your full name and educational permit number. If your legal name has changed since you received an educational permit from the Board, you must provide evidence of your legal name change.	5. Verify the program, specialty, training level and training type of the applicant.			
2. Provide your current contact information. You must provide a current phone number and email address for your application to be complete.	6. If the applicant is off cycle, and will be in multiple training levels during the permit period, or will complete training prior to June 30, 2026, please explain on the application.			
3. Sign and date Section A. The Board does not accept electronically generated or stamped signatures on educational permit renewal applications. Please hand-sign the application.	7. Certify that the applicant remains under contract with the program and is currently an active participant in good standing.			
4. After you complete Section A, provide your renewal application to your program director for completion of Section B.	8. Sign and date Section B. A. The Board does not accept electronically generated or stamped signatures on educational permit renewal applications. Please hand-sign the application.			
9. Submit your complete, original application to the Board. The application fee is \$100. Please do not include the \$100 nonrefundable renewal application fee with your application. The West Virginia Board of Medicine accepts online credit card payments for all fees. Upon receipt of your renewal application, the Board will send payment instructions via email.				

Once you successfully complete the renewal process, your renewed permit will be emailed to you and your program director/designee at the email addresses provided on the application.
