REINSTATEMENT APPLICATION INSTRUCTIONS FOR PHYSICIANS LICENSED IN WV THROUGH THE INTERSTATE MEDICAL LICENSURE COMPACT (IMLC) PROCESS

IMLC Pathway Licensees With Last Names That Begin With The Letters M-Z

If your West Virginia medical license was initially issued through the IMLC and expired on June 30, 2025, you may be eligible to apply for reinstatement of IMLC pathway licensure until June 30, 2026. The license you hold in your state of principal licensure must be active and in good standing to begin the reinstatement process. Alternatively, if you want to opt out of the IMLC process, you may submit an initial application for a traditional pathway license.

IMPORTANT INFORMATION FOR ALL APPLICANTS

By law, you **MUST** keep this office apprised of any and all address changes that occur, including changes to your email address.

To **AVOID** delay in licensure reinstatement, or continued **EXPIRATION** of your medical license, answer each question legibly and accurately. Review the entire application to verify that each answer is correct and complete. Illegible or incomplete applications **will be returned**.

Provide complete information in each of your responses. If you answer "yes" to any of the professional practice, character and fitness questions, you must provide a written explanation for each "yes" response and produce all related documentation. Your application will be considered **INCOMPLETE** if you do not provide the required explanations and documentation.

Your personal certification of accuracy and your original, dated signature is required in four different places on this application. Please review your responses carefully and make sure that you have signed and dated the form in all of the required locations. Because your original signature is required, applications are not accepted via facsimile or email.

Please do not delegate completion of the reinstatement application to any other person. Completion of the reinstatement application is solely the responsibility of the applicant.

Applications which fail to complete within six months will expire.

Please keep a copy of your complete application for your records.

Mail your completed application to: **WEST VIRGINIA BOARD OF MEDICINE
101 Dee Drive, Suite 103
Charleston, WV 25311**

INSTRUCTIONS

1. Complete the reinstatement application and return it to the Board office. The application fee is \$600. Please do not include the \$600 fee with your application. The West Virginia Board of Medicine accepts online credit card payments for all fees. Upon receipt of your application, the Board will send payment instructions via email.
2. In association with the reinstatement application, you must submit documentation supporting successful completion of the required continuing medical education.
3. If you have prescribed or dispensed Schedule II, III, IV or V controlled substances pursuant to a West Virginia medical license since July 1, 2023, and have been registered with the West Virginia Controlled Substances Monitoring Database, you must submit a copy of your certificate of registration.
4. Following submission of your complete reinstatement application, the Board will request that the IMLC grant you access to reinstate with the IMLC through the portal entitled “**Renew**” on the IMLC website at <https://www.imlcc.org/renew>. You will then need to submit the IMLC renewal application and \$25.00 fee.
5. You must complete this West Virginia Reinstatement Application and the IMLC “Renew” process and pay both the \$600.00 reinstatement fee to this Board and the \$25.00 renewal fee to the IMLC before you are eligible for license reinstatement in West Virginia. Reinstatement is not retroactive.
