Approval of Minutes

Prior to today's meeting, a copy of the draft **November 8, 2025**, meeting minutes were made available for members to review. **Dr. Devaraj** moved that the **November 8, 2025**, meeting minutes be approved as presented. **Ms. Takubo** seconded the motion, and the motion carried without opposition.

Licensure Applications for Committee Action Appearances

The Committee met with four of five scheduled licensure applicants. After full and frank discussions with the respective applicants, the Committee approved the following motions:

License Conversion Application Appearance

Name	Application Type	Motion	Movant	Second
Federico Gian Filippo Seifarth, MD	Conversion from Medical School Faculty License to Restricted License issued in Extraordinary Circumstances	Recommend license conversion	Ms. Takubo	Dr. Yingling

The Committee met with Dr. Seifarth and discussed his request to convert his medical school faculty license to a restricted license issued in extraordinary circumstances. Thereafter, the Committee approved the following motion and recommended the following findings.

The Committee recommends that the Board grant the petition, convert his medical school faculty license to a restricted license issued in extraordinary circumstances to practice pediatric surgery in the state of West Virginia. The Committee recommends that the Board make the following findings:

1. Dr. Seifarth has exceptional education, training and practice credentials, including:
 - a. He has completed the following postgraduate training:

Year	Institution	Program
1999-2000	University Children's Hospital Basel, Switzerland	Resident - Pediatric Surgery
2001-2002	University Children's Hospital Zürich, Switzerland	Resident - Pediatrics
2003-2004	Kantonsspital Graubünden, University of Bern, Switzerland	Resident - General Surgery
2005-2007	Ludwig Maximilian's-University Munich Children's Hospital, Germany	Fellow - Pediatric Surgery
2007-2009	Miami Children's Hospital	Fellow - Pediatric Surgery

- b. He has held academic appointments at Cleveland Clinic Lerner College of Medicine of Case Western Reserve University, University of Washington, Pacific Northwest University of Health Sciences, and West Virginia University. He currently holds the positions of Associate Professor of Pediatrics and Associate Professor of Surgery at West Virginia University.
 - c. Dr. Seifarth has practiced pediatric surgery in the United States since 2009. Since March of 2021, he has served as Surgeon-in-Chief and Division Chief Pediatric Surgery at WVU Medicine Children's Hospital in Morgantown, West Virginia. He recently served as the Surgical Director of Pediatric Intensive Care Unit and Trauma Director Pediatric Surgery at WVU Medicine Children's Hospital. Additionally, he currently practices as a Consultant Pediatric Surgeon for nationwide Children's Hospital in Columbus, Ohio. Previously, he pioneered robotic and advanced minimally invasive techniques at the Cleveland Clinic, where he led their department and he also led a specialist team to build Montana's most comprehensive Children's Hospital.
 - d. West Virginia University favorably reports that within his tenure at WVU Dr. Seifarth has "built a high-end pediatric surgical practice of four pediatric surgeons—the largest and most sophisticated practice in the history of West Virginia" and reports that his "expertise is not only vital for our university but also for improving the health of children across our state and beyond."
 - e. He has received numerous honors and awards throughout his training, education and career, including awards for leadership, patient care and patient advocacy. A recent example is his receipt of the Cornerstone Award for exceptional care for trauma patients conferred by West Virginia University in October 2025 and;
 - f. Dr. Seifarth has authored or co-authored 51 peer reviewed articles and 13 book chapters.
2. Dr. Seifarth's practice in the state as a medical school faculty licensee has been beneficial to the public welfare, and expanding the geographic area in which he may practice will expand the benefit beyond the medical school campus of his faculty appointment.
 3. His specialty is pediatric surgery and there is a need for this specialty in West Virginia. West Virginia faces a critical shortage of pediatric surgeons, a circumstance that places children and families at risk of delayed or inaccessible care.
 4. Dr. Seifarth's education, training and practice credentials are substantially equivalent to the requirements of licensure established in W. Va. Code §30-3-10(b). While his education and initial training occurred outside of the United States and are not, standing alone, substantially equivalent to the licensure requirements in this state, his subsequent training, education and experience as detailed in these findings satisfy this requirement.
 5. Dr. Seifarth has no professional discipline which would render him ineligible for an extraordinary circumstances license.
 6. Dr. Seifarth is eligible for a restricted license in extraordinary circumstances.

Based upon these findings, the Committee recommends that the Board: (1) determine that Dr. Seifarth meets the criteria for a restricted license in extraordinary circumstances set forth in the West Virginia Medical Practice Act. W.Va. Code §30-3-10(e) and W. Va. Code R. §11-2-1 *et. seq.* (2009); and (2) convert Dr. Seifarth's medical school faculty license to a restricted license issued in extraordinary circumstances to practice pediatric surgery in West Virginia.
