

## **BEFORE THE WEST VIRGINIA BOARD OF MEDICINE**

**IN RE:**

**RAJAI TAWFIQ KHOURY, M.D.**

### **CONSENT ORDER**

The West Virginia Board of Medicine ["Board"] and Rajai Tawfiq Khoury, M.D., [Dr. Khoury], freely and voluntarily enter into the following Consent Order pursuant to West Virginia Code §30-3-14, *et seq.*:

### **FINDINGS OF FACT**

1. Dr. Khoury holds an active license to practice medicine in the State of West Virginia, License No. 12203, which was initially issued in 1980. His address of record with the Board is in Wheeling, West Virginia.

2. On May 19, 2013, the Complaint Committee of the Board ["Complaint Committee"] initiated a complaint against Dr. Khoury alleging certain violations of the West Virginia Medical Practice Act and the Board's legislative rules, including violations of W. Va. Code §§ 30-3-14(c)(16) and (17) and W.Va. Code R. §§11-1A-12.1(e),(j),(o),(aa) and (bb) and W. Va. Code R. §11-1A-12.2(d).

3. Dr. Khoury has been registered as a supervising physician for physician assistant Melissa Beth Grover [Ms. Grover] since January 10, 2005.

4. Prior to the Board's initial approval of Ms. Grover's request to work under Dr. Khoury's supervision in January 2005, and on the occasion of the biennial renewal of Ms. Grover's PA license in 2007, 2009, 2011 and 2013, Dr. Khoury

Consent Order  
Rajai Tawfiq Khoury, M.D.

has certified to the Board, by his dated signature, that he reviewed the West Virginia Medical Practice Act and the Board's legislative rules governing the extent to which Physician Assistants shall function, and that he understood the same.

5. The West Virginia Medical Practice Act establishes an application process for physician assistants to request prescriptive writing privileges, and authorizes the Board to promulgate rules regarding the eligibility of physician assistants for prescriptive writing authority. W. Va. Code §30-3-16(r).

6. Additionally, the Board's legislative rule governing the licensure and discipline of physician assistants sets forth eligibility criteria for obtaining limited prescriptive writing privileges from the Board. W.Va. Code R. §11-1B-14.

7. In association with her physician assistant renewal application for the period of April 1, 2013, through March 31, 2015, Ms. Grover indicated that she had current prescriptive writing privileges (PWP) under Dr. Khoury.

8. At the time of her March 2013 renewal application, Ms. Grover had neither requested nor received PWP from this Board.

9. Ms. Grover has written prescriptions under the supervision of Dr. Khoury, without approval from the Board, since 2011.

10. Dr. Khoury avers that prior to writing prescriptions under her own name, Ms. Grover obtained a DEA registration number.

11. Dr. Khoury has represented that he was confused about whether the Board's PWP process and the DEA registration number process were integrated, but he acknowledges that his assigned physician assistant was permitted to write prescriptions under his supervision without prior Board approval.

12. The Board and Dr. Khoury voluntary enter into this Consent Order to resolve the complaint against Dr. Khoury and to protect the public interest.

### CONCLUSIONS OF LAW

The Board and Dr. Khoury stipulate to the following conclusions of law:

1. Dr. Khoury's license to practice medicine and surgery in the State of West Virginia is subject to regulation and discipline by the West Virginia Board of Medicine, the "regulatory and disciplinary body for the practice of medicine and surgery" for physicians, podiatrists and physician assistants in West Virginia. W.Va. Code §30-3-5 and §30-3-7(a).
2. The Board has a mandate to ensure "a professional environment that encourages the delivery of quality medical services" to protect the public interest. W.Va. Code §30-3-2.
3. The West Virginia Medical Practice Act sets forth conduct which may render an individual unqualified for licensure or subject to discipline or other restrictions upon licensure. W.Va. Code §30-3-14. Pursuant to W.Va. Code §30-1-8(c), the Board has promulgated legislative rules that "delineate conduct, practices or acts which, in the judgment of the board, constitute professional negligence, a willful departure from accepted standards of professional conduct and/or which may render an individual unqualified or unfit for licensure, registration or other authorization to practice." W. Va. Code R. §11-1A-12.

4. Probable cause exists to substantiate disciplinary charges against Dr. Khoury pursuant to W. Va. Code §§ 30-3-14(c)(16) and (17) and W.Va. Code R. §§11-1A-12.1(e),(j),(o),(aa) and (bb) and W. Va. Code R. §11-1A-12.2(d).

5. It is appropriate and in the public interest to waive the commencement of proceedings against Dr. Khoury and to proceed without the filing of charges, or a formal Complaint and Notice of Hearing, subject to compliance by Dr. Khoury with the provisions of this Consent Order.

6. It is appropriate to impose upon Dr. Khoury's license the restrictions, limitations, conditions and accommodations set forth in the Order herein below and contingent upon Dr. Khoury's compliance with the terms of this Consent Order.

7. This Consent Order sets forth reasonable and appropriate restrictions, limitations, conditions and accommodations upon the practice of medicine and surgery by Dr. Khoury in West Virginia.
