**CONSENT ORDER**

The West Virginia Board of Medicine (“Board”) and Aaron Michael McGuffin, M.D. (“Dr. McGuffin”) freely and voluntarily enter into the following Consent Order pursuant to West Virginia Code § 30-3-1, *et seq.*

**FINDINGS OF FACT**

The Board and Dr. McGuffin stipulate to the truthfulness and accuracy of the facts, as set forth herein below:

1. Dr. McGuffin holds a West Virginia medical license, No. 20546, which license was first issued in 2001. Dr. McGuffin’s address of record with the Board is in Huntington, West Virginia.
2. Dr. McGuffin last submitted a renewal application for his medical license in May 2013, for the renewal period of July 1, 2013 through June 30, 2015. His license will expire on June 30, 2015, unless renewed on or before that date.
3. On his May 2013 renewal application, Dr. McGuffin certified to the Board that he had complied with all Continuing Medical Education [CME] requirements for the renewal of his license.

4. To accurately certify compliance with the CME requirements on his May 2013 renewal application, Dr. McGuffin was required to have either:
  - a. completed fifty hours of CME credits, as described in W. Va. Code R. §11-6-3.2, between July 1, 2011 and June 30, 2013; or
  - b. be ABMS board certified and possess documentation of successful involvement in maintenance of certification from the ABMS member board for the period of July 1, 2011 through June 30, 2013.
5. On or about January 10, 2014, the Board notified Dr. McGuffin that he had been randomly selected for the Board's annual CME audit.
6. Dr. McGuffin was unable to produce documentation corroborating his certification that he successfully completed his CME requirements for the period of July 1, 2011 and June 30, 2013.
7. The documentation provided by Dr. McGuffin supports his completion of twenty five and one quarter (25.25) hours of CME credits between July 1, 2011 and June 30, 2013.
8. On May 18, 2014, the Complaint Committee of the West Virginia Board of Medicine initiated a complaint against Dr. McGuffin based upon his apparent deficiency of twenty four and three quarters (24.75) hours of CME credits, and his inaccurate certification that he had completed the same during the licensure period of July 1, 2011, to June 30, 2013, all pursuant to W. Va. Code §30-3-14 (c)(1) and (17), W. Va. Code R. §§11-1A-12.1.a, 12.1.e and 12.1.j, and W. Va. Code R. §§11-6-5.2 and 5.4.

9. The Board and Dr. McGuffin voluntarily enter into this Consent Order to resolve the complaint initiated against Dr. McGuffin and to protect the public interest.

### CONCLUSIONS OF LAW

The Board and Dr. McGuffin stipulate to the following conclusions of law:

1. Dr. McGuffin's license to practice medicine and surgery in the state of West Virginia is subject to regulation and discipline by the West Virginia Board of Medicine, the "regulatory and disciplinary body for the practice of medicine and surgery" for physicians, podiatrists and physician assistants in West Virginia. W.Va. Code §30-3-5 and §30-3-7(a).

2. The Board has a mandate to ensure "a professional environment that encourages the delivery of quality medical services" to protect the public interest. W.Va. Code §30-3-2.

3. The West Virginia Medical Practice Act sets forth conduct which may render an individual unqualified for licensure or subject to discipline or other restrictions upon licensure. W.Va. Code §30-3-14. Pursuant to W.Va. Code §30-1-8(c), the Board has promulgated legislative rules that "delineate conduct, practices or acts which, in the judgment of the board, constitute professional negligence, a willful departure from accepted standards of professional conduct and/or which may render an individual unqualified or unfit for licensure, registration or other authorization to practice." See W. Va. Code R. §11-1A-12.

4. Probable cause may exist to substantiate disciplinary charges against Dr. McGuffin pursuant to W. Va. Code §30-3-14 (c)(1) and (17), W. Va. Code R. §§11-1A-12.1.a, 12.1.e and 12.1.j, and W. Va. Code R. §§11-6-5.2 and 5.4., relating to unprofessional conduct, the failure to produce written documentation of the successful completion of the continuing

medical education certified as received in the biennial renewal application form, and relating to the renewal of a license to practice medicine and surgery by making a false statement in connection with a licensure application.

5. It is appropriate and in the public interest to waive the commencement of proceedings against Dr. McGuffin and to proceed without further investigation, the filing of charges, or a formal Complaint and Notice of Hearing, subject to compliance by Dr. McGuffin with the provisions of this Consent Order.

6. This Consent Order sets forth reasonable and appropriate discipline upon Dr. McGuffin.
