Complaint Committee Actions and Recommendations
Authorization to Offer Consent Order

Dr. Kukkillaya moved that the Committee seek authority from the Board to issue a Consent Order in **six** ongoing matters. **Mr. Tipton** seconded the motion, and the motion carried.

Complaint Committee Actions and Recommendations

On July 17, 2023, Sunil Radhakrishna Kurup, MD was issued an expedited West Virginia medical license, License No. 32820, through the Interstate Medical Licensure Compact Commission ("IMLCC"). Effective September 23, 2025, Colorado suspended Dr. Kurup's expedited (IMLCC) Colorado license. By operation of compact law, on September 24, 2025, the Board automatically suspended Dr. Kurup's West Virginia medical license based upon the action by Colorado. West Virginia Code § 30-1C-10(d) provides that:

If a license granted to a physician by a member board is revoked, surrendered or relinquished in lieu of discipline, or suspended, then any licenses issued to the physician by any other member boards shall be suspended, automatically and immediately without further action necessary by the other member boards, for ninety days upon entry of the order by the disciplining board, to permit the member boards to investigate the basis for the action under the Medical Practice Act of that state. A member board may terminate the automatic suspension of the license it issued prior to the completion of the ninety-day suspension period in a manner consistent with the Medical Practice Act of that state.

At its next regular meeting, the Committee initiated Complaint No. 25-110-W to investigate the basis for the action. Dr. Kurup's Colorado license has now been reinstated by the Colorado Medical Board. As such, the Committee has concluded its investigation and dismissed the complaint without further disciplinary action. Having found no reason to proceed against the licensee, **Dr. Kukkillaya** moved that the Committee recommend that the Board lift the automatic suspension and restore Dr. Kurup's license to practice in West Virginia. **Mr. Tipton** seconded the motion, and the motion carried.

Adjournment

There being no further business to consider, the Complaint Committee determined by consensus to adjourn.

Angela A. Mayfield
Chair of the Complaint Committee
