In order to minimize interruptions, Dr. Lilly asked members to silence their cell phones.

Approval of Minutes

Prior to today's meeting, a copy of the draft May 18, 2026 meeting minutes were made available for members to review. Dr. Kukkillaya moved that the May 18, 2026 meeting minutes be approved as presented. Dr. Patel seconded the motion, and the motion carried without opposition.

Mr. Spangler thanked board and staff members for their commitment and dedication during the weekend committee meetings.

Mr. Spangler reported that the 2026 renewal period concluded on June 30, 2026. He expressed his appreciation for the staff's commitment and dedication during this particularly busy time.

Executive/Management Committee Report

Fiscal Reports and Purchasing Card Transactions

Dr. Lilly reported that the Executive/Management Committee met on July 12, 2026, at which time the Committee reviewed and approved the fiscal reports and purchasing card transactions for the months of April and May 2026. The Board continues to maintain a good financial position.

Consideration of Proposed Business Entity Name Which Contains Medical Terminology but does not Meet the Requirements for Authorization by the Board

Dr. Lilly reported that the Committee considered two inquiries referred at the request of the West Virginia Secretary of State's Office, which relate to the proposed naming of business entities.

The first business, Wellsburg Medical LLC, is a real estate holding company. As the use of the name Wellsburg Medical, LLC by a real estate holding company may be misleading to the public, and in an effort to avoid misconception, the Committee authorized Board staff request that the entity consider using a name which carries less risk of misleading the public and which does not utilize the term "Medical" for a non-medical company.

The second business, Interstate Health Systems, Inc., is a Delaware corporation that is seeking to register in West Virginia to expand healthcare opportunities along interstate highways, such as rest stops. The Committee directed Board staff to advise the entity and the West Virginia Secretary of State's Office that the corporation is not eligible to receive a Certificate of Authorization from the Board of Medicine; however, the Board is not opposed to the business registering with the Secretary of State's Office.

The Committee authorized Board staff to engage in dialog with the West Virginia Secretary of State's Office regarding the vetting of corporate entity names.

Endorsement for a Fifth Attempt at Step 3 of the United States Medical Licensure Examination (USMLE)

Dr. Lilly reminded members that in January 2025, the Board elected to sponsor Albaraa Badawood, MD to sit for a final attempt at Step 3 of the USMLE. Dr. Lilly reported that in May 2026, Dr. Badawood advised the Board that he successfully passed Step 3 of the USMLE, and is appreciative of the Board's sponsorship.

Joint Advisory Opinion Regarding Retail IV Therapy

Prior to today's meeting, a modified version of the *Joint Advisory Opinion Regarding Retail IV Therapy* was made available for members to review.

Dr. Lilly reported that the *Joint Advisory Opinion Regarding Retail IV Therapy*, which has been in development by the West Virginia Board of Osteopathic Medicine, the West Virginia Board of Pharmacy, the West Virginia Registered Nursing Board and the West Virginia Board of Medicine remains unpublished. In 2025, the RN Board proposed modifications to the Joint Advisory Opinion. The Board of Medicine, the Board of Pharmacy and the Board of Osteopathic Medicine were in agreement with the grammar modifications offered by the RN Board but determined that some proposals offered were incompatible with the purpose and intent of the Advisory Opinion. As consensus between all boards has not been reached, Board staff have made minor modifications to the opinion and will pursue publishing the modified opinion in concert with the Board of Osteopathic Medicine and the Board of Pharmacy.

Update in the Matter of *Hil Rizvi v. West Virginia Board of Medicine Mark Spangler, Director*, 25-ICA-453

Code R. §11-17-*1 et seq., Licensure and Regulation of Genetic Counselors and Active Candidate Status Permits*, concluded at 4:30 pm on July 8, 2026. No comments were received. The Committee recommended that the Board authorize staff to file the agency-approved version of W. Va. Code R. §11-17-1 *et seq.*, as originally proposed, with the West Virginia Secretary of State's Office. The motion of the Committee was given by Dr. Challa, and the motion carried without opposition.

Dr. Challa reported that the Board is currently accepting written comments on one proposed new rule, proposed amendments to three existing rules, and proposed repeal of two rules. The public comment period will conclude at the end of July. Due to the legislative rulemaking filing deadlines for the 2027 session of the West Virginia Legislature, comments received on the

proposed rules and rule amendments must be evaluated and a final agency approved rule must be approved and submitted by 4:30 pm on July 31, 2026.
